SUBJECT: Native Seed Purchase for Broberg Marsh Restoration at Lakewood Forest Preserve

RECOMMENDATION: Recommend approval of a Resolution awarding a Contract for the Purchase and Delivery of Native Seed for Broberg Marsh Restoration at Lakewood Forest Preserve to Prairie Moon Nursery of Winona, Minnesota, in the Contract Price of \$39,666.46 and to Shooting Star Native Seed of Spring Grove, Minnesota, in the Contract Price of \$22,061.17.

BACKGROUND: The District will be installing native seed in the fall of 2015 at Broberg Marsh at Lakewood Forest Preserve as part of ongoing ecological restoration efforts. Seed installation will occur across approximately 57 acres in areas where invasive woody vegetation was previously removed as part of the Phase I Clearing Project at Lakewood Forest Preserve (Broberg Marsh).

The project was advertised on March 12, 2015, and bids from six bidders were received. Each bidder, and the total of its bids that were low bids, are listed below:

	<u>TOTAL BID</u>
Prairie Moon Nursery	\$ 39,666.46
Shooting Star Native Seed	\$ 22,061.17
 <u>SUCCESSFUL BIDDERS UNDER \$20,000.00</u>	
Spence Restoration Nursery	\$ 7,633.03
Cardno Native Plant Nursery	\$ 7,446.80
Ion Exchange, Inc.	\$ 2,609.70
J&J Transplant Nursery	\$ 18.00

Materials were bid on a unit price per species. Staff has awarded a contract to each of the four low bidders whose total low bids were less than \$20,000.00. Staff recommends that Prairie Moon Nursery and Shooting Star Native Seed be awarded contracts as the lowest responsible bidders for the species for which they are the low bidders. The total of their low bids is greater than \$20,000.00, thus requiring Committee recommendation and Board approval of the contracts for those bids. Work is anticipated to begin in November, 2015 and be completed by December, 2015.

REASON FOR RECOMMENDATION: Committee recommendation and Board approval are required in accordance with District policy.

REVIEW BY OTHERS: Chief Operations Officer, Director of Finance, Legal Counsel

FINANCIAL DATA: This project was approved as part of the adopted FY 2015/2016 Capital Improvement Plan in the amount of \$112,000. The contract prices for the four contracts already awarded by staff plus the proposed contracts to Prairie Moon Nursery and Shooting Star Native Seed total \$79,435.16, which will be charged to account 20104100-803200-61006. This portion of the project was estimated at \$81,000.00.
