RE: Rollins Savanna Trail Expansion

Dear Mr. Carlson:

It is the desire of the Village of Third Lake to provide direct access for its residents to the Rollins Savanna trail system. On behalf of the residents of the Village of Third Lake and the Board of Directors, I am requesting your assistance to expand the trail system by paving the informal trail (dirt) that is being used by Village residents to access the Rollins Savanna paved trail system. The dirt trail connects Lake Avenue on the east side of the preserve.

During our October 27, 2015 meeting with Mr. Randall Seebach, Director of Planning and Land Preservation, Lake County Forest Preserves, Mr. Seebach stated that the estimated cost for the Lake Avenue connection is \$75,000. The Village of Third Lake recognizes the limited financial resources we all have to provide services to our residents. Accordingly, the Village Board of Directors has approved a \$30,000 commitment to help offset the cost of the trail connection.

Your continued assistance with this matter would be appreciated. Should you have any questions, please contact me at 847.223.8422.

Sincerely,

Gary Beggan
President
Village of Third Lake
