Dear Mrs. Carter,

My name is Pam Olesiak. I have lived and paid taxes in Lake villa for over 13 years. I have observed and talked to many of the horseback riders including neighbors and friends having to ride alongside Fairfield Road for over 12 years.

We would like to request the planning and restoration committee consider our

Request to approve equestrian trails from Grant Woods North(Monaville Rd.) to Blue Bird Meadow(Townline Rd.) Would you possibly consider Horse Trailer Parking near Townline Rd.?
