Mr. Tykovach:

Mike Graham, a life long Libertyville resident, was, at one point, a county board member and mayor of Libertyville.

Mike was a strong open lands advocate. That was what his major focus was – open lands for Lake County.

I would propose naming the circle road inside Old School Forest Preserve Mike Graham Drive.

Many roads in Lake County have been named for individuals with much less merit!

The Forest Preserve would look different today (smaller) without Mr. Graham's leadership.

Thank You
