**DATE:** April 4, 2016

**MEMO TO:** Carol Calabresa, Chair  
Land Preservation and Acquisition Committee

S. Michael Rummel, Chair  
Finance and Administrative Committee

**FROM:** Alex Ty Kovach  
Executive Director

**RECOMMENDATION:** Recommend approval of a Resolution to purchase an approximately 29.4-acre parcel of property in Fremont Township known as the Diebold property for approximately \$911,400.00 as an addition to Ray Lake Forest Preserve.

**STRATEGIC DIRECTIONS SUPPORTED:** Conservation; Public Access and Connections

**FINANCIAL DATA:** The purchase price is approximately \$911,400.00, which is funded from the 2008 Referendum Bonds and is included in the adopted FY 2014/15 Budget (Series 2015A) account number 31314100-801000.

**BACKGROUND:** At the direction of the Land Preservation and Acquisition Committee, District staff has reviewed the Diebold property to determine the property's suitability for acquisition for District purposes. In staff's opinion, the acquisition, protection and management of this property will meet the District's adopted land acquisition goals of adding to existing preserves, protecting wildlife habitat, protecting against flooding and providing trails and scenic vistas. Acquisition of this property will increase the potential for trail connections, and expand the District's ability to offer access to recreational uses in this part of the County.

The property is located north of Erhart Road northeast of the Ray Lake Forest Preserve main entrance and parking lot. The property is nearly surrounded by existing forest preserve property and is contiguous to the White property. At the March 8, 2016, Board meeting, the District approved a contract to purchase the White property.

A contract to purchase the property has been negotiated by District staff and has been signed by the owner. Pursuant to the contract, the District would pay \$31,000.00 per acre for the Property. At the time the contract was executed, a land survey was not available to determine the exact acreage of the parcel. Therefore, when the final acreage is determined by an ALTA land survey, the acreage may be slightly different than the current estimate of 29.4 acres and the purchase price may be different than the estimate of approximately \$911,400.00. Under the contract, the District's obligation to purchase the Diebold property is contingent upon the closing of the White property. The property is vacant.

**REASON FOR RECOMMENDATION:** Committee and Board approval is required in accordance with District policy.
