**Easement Agreement**  
**between**  
**Lake County Forest Preserve District**  
**and**  
**Central Lake County Joint Action Water Agency**

This Easement Agreement (this "Agreement") is dated and executed as of the \_\_\_\_ day of \_\_\_\_\_, 2016 (the "Effective Date"), and is by and between the Lake County Forest Preserve District, a body politic and corporate organized and existing under the Downstate Forest Preserve District Act, 70 ILCS 805/.001 et seq. (the "District"), and the Central Lake County Joint Action Water Agency, a public agency established pursuant to the Illinois Intergovernmental Cooperation Act, 5 ILCS 220/1 et seq. ("CLCJAWA"). In consideration of the provisions below and other consideration, the receipt and sufficiency of which are hereby acknowledged, the District and CLCJAWA agree as follows:

1. Background. The District holds fee simple title to property commonly known as the Grant Woods Forest Preserve in Lake County, Illinois (the "Subject Property"). CLCJAWA desires to: (a) install, operate, maintain, repair, and replace new underground water mains and other underground facilities necessary for the conveyance of water by CLCJAWA (collectively, the "Water Mains") under that portion of the Subject Property depicted on Exhibit A attached hereto as the "Permanent Easement Premises," and (b) temporarily enter and use, for the limited purpose of constructing and installing the Water Mains, the portion of the Subject Property depicted on Exhibit A as the "Temporary Easement Premises" (collectively, the Permanent Easement Premises and the Temporary Easement Premises are the "Easement Premises") (collectively, the construction, installation, operation, maintenance, repair, replacement, and removal of the Water Mains within the Easement Premises is the "Work").
2. Grant of Easements. Subject to this Agreement and the District's "Ordinance Regarding Licenses and Easements for Public Services" approved July 15, 2015, and amended from time to time (the "License and Easement Ordinance"), the District hereby grants to CLCJAWA, for its use and for the use of its contractors and agents: (a) a non-exclusive temporary construction easement in, on, over, and under the Temporary Easement Premises for the sole purpose of constructing and installing the Water Mains

("Temporary Easement"), and (b) a non-exclusive easement in, on, over and under the Permanent Easement Premises for the sole purposes of installing, operating, maintaining, repairing, and replacing the Water Mains ("Permanent Easement") (collectively, the Temporary Easement and the Permanent Easement are the "Easements"). Notwithstanding any other provision of this Agreement, the Easements shall not be subject to any amendments to the License and Easement Ordinance that are effective after the Effective Date of this Agreement to the extent that the provisions of such amendments conflict with the provisions of this Agreement.

3. Terms of Easements. The Easements shall not be effective unless and until CLCJAWA has: (a) obtained all permits and approvals for the Work required by all applicable laws (the "Requirements of Law"), (b) furnished security to the District in accordance with Section 8 of this Agreement, and (c) CLCJAWA provided written notice to the District that it has obtained all such permits and approvals, furnished the required security, and intends to commence the Work (the "Commencement Notice"), which Commencement Notice shall be received by the District at least 48 hours before the commencement of the Work (collectively, (a) through (c) are the "Conditions Precedent"). The term of both Easements shall commence on the date that CLCJAWA has completed each and every of the Conditions Precedent and the District receives the Commencement Notice. The term of the Temporary Easement shall expire on the date that CLCJAWA completes the construction and installation of the Water Mains. The term of the Permanent Easement shall be perpetual.

4. Performance of the Work. CLCJAWA shall construct and install the Water Mains, and perform all other Work, solely on the Easement Premises, in a good and workmanlike manner, at no cost and expense to the District, and in accordance with the plans depicted on Exhibit B attached hereto (the "Plans") and the Requirements of Law, including without limitation the License and Easement Ordinance and all Requirements of Law that prohibit, restrict, or regulate any hazardous materials. If CLCJAWA desires to perform any Work that deviates from the Work as depicted in the Plans (the "Changed Work"), CLCJAWA shall, prior to the commencement of any Changed Work, submit revised Plans depicting the Changed Work and obtain the written approval of the District's Executive Director, which approval may be granted or denied in the Executive Director's sole discretion. No later than 30 days after completion of the Work, including any approved Changed Work, CLCJAWA shall deliver to the District a written statement certifying that CLCJAWA has completed all Work in accordance with the Plans, as they may be amended to depict any Changed Work.

5. Maintenance of Easement Premises.

A. Easement Premises. At all times, CLCJAWA shall maintain the Easement Premises in a safe, good, and clean condition.

B. Other District Property. In addition to its obligations under Section 6, CLCJAWA shall promptly clean all mud, dirt, or debris deposited by CLCJAWA, or any agent of or contractor hired by, or on behalf of, CLCJAWA, on any property owned by the District, and shall repair any damage to any property owned by the District caused by the activities of CLCJAWA, or any agent of or contractor hired by, or on behalf of, CLCJAWA, in connection with the Work. If CLCJAWA fails to clean or repair, or undertake with due diligence to clean or repair, any property owned by the District within 24 hours after the District gives CLCJAWA notice thereof, then the District may, but will not be obligated to, cause the affected property to be cleaned or repaired and CLCJAWA shall reimburse the District for all costs incurred by the District to cause the affected property to be cleaned or repaired.

C. Abatement of Dangerous Condition. If the District determines that the Work threatens the public health and safety (i) the District may, but will not be obligated, to take all action that it deems

necessary to abate the dangerous condition and (ii) CLCJAWA shall reimburse the District for all costs incurred by the District in the performance of such action.

6. Restoration and Vacation.

A. Upon Completion of Work. Upon completion of the construction and installation of the Water Mains and, thereafter, any other Work, CLCJAWA shall, at no cost to the District, restore the Easement Premises in accordance with the Restoration Plan attached hereto as Exhibit C (the "Restoration Plan").

B. Upon Termination of Easements. Upon termination of the Easements for any reason, CLCJAWA shall, at no cost to the District: (i) remove any facilities and Work from the Easement Premises, (ii) restore the Easement Premises in accordance with the Restoration Plan, and (iii) thereafter, vacate the Easement Premises. If CLCJAWA fails to remove any facilities and the Work or restore the Easement Premises as required, the District may, but will not be obligated to, perform and complete the removal and restoration and CLCJAWA shall reimburse the District for all costs incurred by the District for such work.

7. Reservation of Rights. The District reserves its right to: (a) use the Easement Premises for any authorized purpose, (b) grant other non-exclusive licenses or easements within the Easement Premises, and (c) full and normal access to the Easement Premises, so long as such use, grant, or access does not unreasonably prevent, impede, or interfere with CLCJAWA's use of the Easement Premises. CLCJAWA shall perform the Work so that it does not unreasonably interfere with the District's reserved rights.

8. No Assessments and Liens. CLCJAWA represents and warrants that it shall: (a) not assess or impose, or allow to be assessed or imposed, against the Easement Premises any special assessment, special service area tax, recapture fee, or similar assessment, tax, or fee (an "Assessment"), (b) indemnify the District from any Assessment that is imposed, (c) take all necessary action to keep the Easement Premises free and clear of all liens, claims, and demands, including without limitation mechanic's liens, in connection with the Work, and (d) cause, at no cost to the District (i) any lien that is filed against the Easement Premises in connection with the Work to be discharged and released, and (ii) evidence of this discharge and release to be recorded against the Easement Premises, all within 30 days after the date the lien is filed.

9. Security. Prior to performing any Work, CLCJAWA shall provide to the District copies of executed contracts for the performance of the Work (the "Construction Contracts") entered into by CLCJAWA and each contractor whom CLCJAWA selects to perform the Work or any portion of the Work (the "Contractors"). Each Construction Contract shall (a) require each Contractor to: (i) perform and complete the Work in accordance with the provisions of this Agreement; (ii) obtain and maintain a performance bond or letter of credit in a penal sum not less than the contract price of the applicable Construction Contract, guaranteeing completion of the Work in accordance with the provisions of this Agreement, including, without limitation, any required restoration and repair of any damage to the Easement Premises or any other property owned by the District (the "Performance Security"); and (iii) name the District as an obligee or beneficiary on the Performance Security (collectively, the "Third Party Rights") and (b) grant the District the right to enforce the Third Party Rights. CLCJAWA shall provide to the District executed copies of the Construction Contracts and Performance Security. No Work shall be performed until the District has approved the Construction Contracts and the Performance Security, which approval shall not be unreasonably denied, conditioned, or delayed.

10. Indemnity. CLCJAWA assumes sole and complete responsibility for any personal injury, including death, and damage to property that may arise directly or indirectly from the use of the Easement

Premises by CLCJAWA, its officers, directors, trustees, board members, partners, employees, agents and contractors. CLCJAWA shall indemnify, hold harmless, defend, and release the District, its commissioners, officers, agents, and employees from and against any alleged loss, claim, damage, and expense (including, without limitation, attorneys' fees and litigation costs) that may be alleged or asserted against any of those parties in connection with (a) the Work, the Water Mains, the Easements, or the use of the Easement Premises by CLCJAWA, or (b) CLCJAWA's performance of, or failure to perform, its obligations under this Agreement (collectively, the "Indemnified Claims"), whether or not any such performance or failure to perform is alleged to result from the CLCJAWA's breach of this Agreement, negligence, willful misconduct, or any other standard of conduct; however, this indemnity shall not apply to the extent any Indemnified Claims are caused by the willful misconduct or gross negligence of the District.

11. Insurance. At all times while any Work is being performed, CLCJAWA shall, and shall cause its contractors to, at no cost or expense to the District, procure and maintain insurance policies sufficient to protect the District, the Easement Premises, the Subject Property, and any other property owned by the District from the Indemnified Claims, the Work, and all other actions by CLCJAWA pursuant to this Agreement. The policies, coverages, limits, and insurers that issue them are subject to the District's approval, in its sole discretion. CLCJAWA shall cause the District to be named as an additional insured on all such policies, and shall provide to the District certificates of insurance acceptable to the District evidencing, the insurance required by this Section 11.

12. Easement Fee; Reimbursement of Expenses. Within five business days after the Effective Date, CLCJAWA shall pay an easement fee of \$28,736.25 (the "Monetary Fee") to the District. The Easements shall not become effective until the CLCJAWA has paid the Monetary Fee to the District. CLCJAWA shall pay a tree compensation fee in an amount determined pursuant to the License and Easement Ordinance, including Section 7.C (the "Tree Compensation Fee"). The District currently estimates that the Tree Compensation Fee will be \$62,642.00. CLCJAWA shall pay the Tree Compensation Fee to the District within five business days after the District sends CLCJAWA an invoice for the amount of the final Tree Compensation Fee. CLCJAWA shall, no later than 30 days after the receipt of an invoice from the District, reimburse the District for all out-of-pocket costs and staff costs incurred by the District relating to (a) the review, consideration, negotiation, and preparation of (i) CLCJAWA's application for the Easements and (ii) this Agreement, all in accordance with the License and Easement Ordinance, or (b) any failure by CLCJAWA to comply with its obligations pursuant to this Agreement.

13. Covenants Running With the Land. The Easements and the rights granted in this Agreement, the restrictions imposed by this Agreement, and the agreements and covenants contained in this Agreement shall be easements, rights, restrictions, agreements and covenants running with the land, shall be recorded against the Subject Property, and shall be binding upon and inure to the benefit of the District and CLCJAWA and their respective successors, assigns, and representatives, including, without limitation, all subsequent owners of the Easement Premises, or any portion thereof, and all persons claiming under them. Promptly after the full execution and delivery of this Agreement by the District and CLCJAWA, CLCJAWA shall, at no cost to the District, record this Agreement against the Easement Premises and the Subject Property with the office of the Recorder of Deeds of Lake County, Illinois.

14. Notices. All notices required or permitted to be given under this Agreement shall be in writing and shall be delivered: (a) personally, (b) by a reputable overnight courier, or by (c) by certified mail, return receipt requested, and deposited in the U.S. Mail, postage prepaid. Unless otherwise expressly provided in this Agreement, notices shall be deemed received upon the earlier of: (a) actual receipt, (b) one business day after deposit with an overnight courier, as evidenced by a receipt of deposit, or (c) four business days following deposit in the U.S. mail, as evidenced by a return receipt. By notice complying with the requirements of this Section 14, each party shall have the right to change the address or the

addressee, or both, for all future notices and communications to the other party, but no notice of a change of addressee or address shall be effective until actually received.

Notices and communications to the District shall be addressed and delivered to the following address:

15. General Provisions.

A. Entire Agreement. This Agreement is the entire agreement between the parties and supersedes all of their prior agreements and negotiations, written or oral, relating to the subject matter of this Agreement.

B. Governing Law. This Agreement is governed by the internal laws, but not the conflict of laws rules, of the State of Illinois.

C. Assignment. Neither this Agreement nor the Easements may be assigned by the CLCJAWA without the prior written consent of the District, which it may grant or deny in its sole discretion.

D. No Waiver. Any act or omission by the District that may constitute a waiver of one or more its rights under this Agreement shall not constitute or be deemed to be a waiver of any other right that the District has or may have in the future under this Agreement.

E. Authority. Each person signing this Agreement hereby states and covenants that he or she has read and understood this Agreement, that he or she has the authority to execute this Agreement on behalf of the party whom he or she represents, and that such party intends to be legally bound by the provisions of this Agreement.

F. Enforcement; Prevailing Party. The District and CLCJAWA may, in law or in equity, by suit, action, mandamus, or any other proceeding, including, without limitation, specific performance, enforce or compel performance of this Agreement. In the event of a judicial proceeding brought by one party against the other party, the prevailing party in the judicial proceeding shall be entitled to reimbursement from the unsuccessful party of all costs and expenses, including reasonable attorneys' fees, incurred in connection with the judicial proceeding.
