Adopt-A-Turtle Update

As of July 19, 2016 more than \$11,500 has been raised toward our \$12,000 goal in support of the Blandings turtle recovery program. There are 107 program donors, of which 89 are Turtle Champions (\$120 donation).

These children in Wauconda sold lemonade and sunflower seeds to raise money to become a Turtle Champion. They learned about the program while visiting the Preservation Foundation booth at Civil War Days.
