DATE: October 6, 2016

MEMO TO: S. Michael Rummel, Chair
Finance and Administrative Committee

FROM: Steve Neaman
Director of Finance

RECOMMENDATION: Recommend approval of an Ordinance amending the Fiscal Year 2016-2017 Budget to reflect carryovers for projects budgeted but not completed in Fiscal Year 2015-2016.

STRATEGIC DIRECTION SUPPORTED: Organizational Sustainability

FINANCIAL DATA: The items were approved projects from FY2015-2016 and the accounts and amounts are detailed on the attached report.

BACKGROUND: The attached list of accounts and dollar amounts represent projects that were budgeted for and started in FY2015-2016, but that were not completed during the year. Under generally accepted accounting principles (GAAP), such projects should not be expensed in the year in which they were issued; instead, the next year's fiscal budget should be modified to include in that budget the unexpended balance of the budgeted item that is expected to be expended in that next fiscal year ("carryover expenses").

Each year, the District adopts an ordinance to amend the current year budget to add the carryover expenses from the prior year. Accordingly, this ordinance amends the FY2016-2017 budget to add the carryover expenses from FY 2015-2016 in the total amount of \$17,092,452.36.

Every fiscal year, the District uses language in its appropriations ordinance stating that sums of money appropriated for development or acquisition of District lands that have not yet been expended, shall not lapse and money received for that purpose shall be held at least five years after its appropriation, to be used for the purpose for which it was appropriated. Therefore, there is no legal reason to amend the appropriations ordinance.
