Agenda Item# 9.5

RECOMMENDATION: Recommend approval of a Resolution awarding a Contract for the “Invasive Plant Management 2017 Districtwide Forest Preserves” project to Liberty Prairie Restorations, LLC Libertyville, Illinois, in the Contract Price of \$100,270.00 and to Homer Environmental, LLC Lockport, Illinois, in the Contract Price of \$102,895.00.

STRATEGIC DIRECTION SUPPORTED: Conservation

FINANCIAL DATA: This item was approved as part of the adopted FY2016/2017 Budget in the amount of \$ 210,000.00. The actual cost of \$203,165.00 will be charged to Farmland Management Fund (28644000-705100-62806 and 62803).

BACKGROUND: Invasive plant management is the most time-consuming task faced by District crews, and is a significant challenge to habitat conservation. Management of invasive plants is necessary to improve and conserve habitat quality and species diversity on District properties throughout Lake County. In order to accomplish this work, the District hires a contractor on an hourly basis to complete several projects to control herbaceous invasive plants.

This year's contract will include control of reed canary grass, common reed, teasel, crown vetch, exotic cattail, Japanese knotweed, leafy spurge, Oriental bittersweet, spotted knapweed, Canada thistle, and purple loosestrife. Multiple district-wide sites will be treated.

The project was advertised on October 26, 2016 and 11 bids were received. A summary of the bids received is listed below:

Vendor	Contract DPR East Invasive Plant Management (line #1 plus Bid Alternate #1)	Contract DPR West Invasive Plant Management (line #2 plus Bid Alternate #2)

McGinty Brothers	\$ 130,080.00	\$ 113,820.00
Tallgrass Restoration	\$ 135,227.00	\$ 135,227.00

However, staff recommends that Native Restoration Services' bid be found non-responsive because it failed to include the required bid alternates in its bid. Therefore, staff recommends that the bid submitted by Native Restoration Services be rejected.

Staff recommends that Liberty Prairie Restorations, LLC be awarded the contract as the lowest responsible bidder to perform services for Line Item No.1 – DPR East Invasive Plant Management, and Homer Environmental, LLC is awarded the contract as the lowest responsible bidder to perform services for Line Item No. 2 – DPR West Invasive Plant Management.

Work for both line items is anticipated to begin March 1, 2017 and be completed by December 30, 2017.
