**RECOMMENDATION:** Recommend approval of a Resolution awarding Contracts for the 2017 Native Seed Purchase for Kettle Grove, Lyons Woods and Lakewood (Schreiber) Forest Preserves to Genesis Nursery Inc., Tampico, Illinois, in the Contract Price of \$28,267.39; and to Shooting Star Native Seeds, Spring Grove, Minnesota, in the Contract Price of \$41,480.49.

#### STRATEGIC DIRECTION SUPPORTED: Conservation

**FINANCIAL DATA:** This project was approved as part of the adopted FY 2016/2017 Capital Improvement Plan in the amount of \$585,775.00. One vendor with low bids under \$25,000.00 does not require Committee and Board approval (total \$550.00). Combined with these proposed contracts the total of \$70,297.88 will be spent on native seed for these three projects.

Funding will be charged to the Kettle Grove-Singing Hills CIP Project Account (20104100-803200-61504) in the amount of \$25,307.24, the Lakewood-Schreiber CIP Project Account (35634100-803200-61005) in the amount of \$36,554.90, and the Habitat Restoration Account (27644100-803200-60004) in the amount of \$8,435.75. This portion of the project was estimated at \$150,000.00.

**BACKGROUND:** The District will be installing native seed in fall 2017 at Kettle Grove, Lakewood, and Lyons Woods Forest Preserves as part of ongoing ecological restoration efforts. Seed installation will occur after invasive species control and additional preparations are completed by District staff and volunteers. Seed installation will occur across 50 acres.

The project was advertised on November 28, 2016 and 4 bids were received. A summary of the lowest bids received is listed below:

	TOTAL BID
Genesis Nursery Inc., Tampico, IL	\$ 28,267.39
Shooting Star Native Seeds, Spring Grove, MN	\$ 41,480.49
SUCCESSFUL BIDDERS UNDER \$25,000.00	
Spence Restoration Nursery, Muncie, IN	\$ 550.00

Materials were bid on a unit price per species. Staff has awarded a contract to Spence Restoration Nursery, accepting its low bids, which total less than \$25,000.00. Staff recommends that Genesis Nursery Inc. and Shooting Star Native Seeds each be awarded a contract as the lowest responsible bidder for the species for which it was the low bidder. The total of their low bids is greater than \$25,000.00, thus requiring Committee recommendation and Board approval of the contracts for those bids. Work is anticipated to begin and be completed in fall 2017.
