Agenda Item# 8.5

RECOMMENDATION: Recommend approval of a Resolution awarding a Contract for the Native Seed Purchase - 2017 Habitat Restoration for Multiple Preserves to Prairie Moon Nursery, Winona, Minnesota, in the Contract Price of \$89,262.29; and to Shooting Star Native Seeds, Spring Grove, Minnesota, in the Contract Price of \$38,557.04.

STRATEGIC DIRECTION SUPPORTED: Conservation

FINANCIAL DATA: This project was approved as part of the adopted FY 2016/2017 Capital Improvement Plan in the amount of \$147,000.00. A portion of this project will be funded by the National Fish and Wildlife Foundation's Chi Cal Rivers Fund for seed at Middlefork Savanna. The bids under \$25,000.00 that do not require Committee and Board approval total \$9,558.86, and, combined with the contracts that would be awarded pursuant to the attached resolution, equal a grand total of \$137,378.19, of which, \$91,772.76 will be charged to the Habitat Restoration Fund (20104100-803200-60004) and \$45,605.43 will be charged to the Natural Resource Grant Fund (69644100-803200-61110). This portion of the project was estimated at \$137,378.00.

BACKGROUND: The District will be installing native seed in 2017/2018 at Lakewood, Middlefork Savanna, Van Patten Woods, and Wadsworth Savanna Forest Preserves as part of ongoing ecological restoration projects. Seed installation will occur after species control and additional preparations are completed by District staff and contractors. Seed installation will occur across more than 137 acres.

The project was advertised on January 3, 2017 and 4 bids were received. A summary of the lowest bids received is listed below:

	<u>TOTAL BID</u>
Prairie Moon Nursery, Winona, Minnesota	\$ 89,262.29
Shooting Star Native Seed, Spring Grove, Minnesota	\$ 38,557.04
<u>SUCCESSFUL BIDDERS UNDER \$25,000.00</u>	
Applied Ecological Services/Taylor Creek Nursery, Brodhead, Wisconsin	\$ 7,572.11
Spence Restoration Nursery, Muncie, Indiana	\$ 1,986.75

Materials were bid on a unit price per species. Staff has awarded a contract to each of the two low bidders whose total bids are less than \$25,000.00. Staff recommends that Prairie Moon Nursery, and Shooting Star Native Seed each be awarded a contract as the lowest responsible bidder for the species for which it was the low bidder. Each submitted total low bids greater than \$25,000.00, thus requiring Committee recommendation and Board approval of the contracts for those bids. Work is anticipated to begin in November, 2017 and be completed by January, 2018.
