RECOMMENDATION: Recommend approval of a Resolution Awarding a Three-Year Contract for turf mowing to The Fisher Burton Company, Mundelein, Illinois, for the District's General Offices and Hastings Lake Forest Preserve in an amount not to exceed \$29,988.00 (\$9,996.00 annually).

STRATEGIC DIRECTION SUPPORTED: Organizational Sustainability

FINANCIAL DATA: The first year of this expenditure has been approved in the adopted FY2016-2017 Budget in the total amount of \$8,800.00 in 15524000-705100. Future year budget requests will be based on the contract amount for years two and three.

BACKGROUND: Beginning with Independence Grove in 2000, as the District developed and opened more recreational space, some portion of the mowing and landscape maintenance required has been outsourced to private vendors. This practice has reduced the District's need to hire staff and buy and maintain equipment.

The existing mowing contracts for Fort Sheridan Cemetery, General Offices, Hastings Lake, Heron Creek, and Van Patten Woods have expired. The District solicited bids for all five sites. A summary of the bids received for each site is included on Exhibit A attached to the Resolution.

Staff recommends that Beary Landscape Maintenance and Langton Group be found non-responsive because they failed to submit the required letters from sureties indicating that the sureties were required to issue the specified performance bond and labor and material payment bond. Therefore, staff recommends that the bids submitted by Beary Landscape Maintenance and Langton Group be rejected and that the District solicit new bids for three of the sites for which those two bidders submitted the low bids.

Staff recommends that the Fisher Burton Company be awarded a contract for the two sites listed (General Offices and Hastings Lake). Contracts for the other three sites would be re-bid.
