RECOMMENDATION: Recommend approval of a Resolution Approving Change Order No.1 to contracts for Golf Course Chemicals and Fertilizer Purchases with Arthur Clesen, BTSI, Chicagoland Turf, Conserv FS, Pendelton Turf Supply, ProGro Solutions, Reinders, Inc., SiteOne Landscape Supply, and Van Diest Supply.

STRATEGIC DIRECTION SUPPORTED: Organizational Sustainability

FINANCIAL DATA: The Change Orders will have an estimated cost of approximately \$36,000. The overall expenditures on golf course chemicals and fertilizers are still expected to be within budget.

BACKGROUND: At its March 14, 2017 meeting, the Board of Commissioners approved contracts with thirteen separate vendors to provide chemicals and fertilizers for the District's golf courses. For each specified product the lowest bidder was awarded a contract to supply that product. Subsequently, one awarded vendor, Pro Pest and Lawn Store of Bossier City, Louisiana, notified the District that it is unable to provide the 16 products for which it was awarded a contract. Staff, in consultation with Corporate Counsel, recommends the District approve this Change Order which will add these 16 products to the contracts of the next lowest bidders for each product. A listing of the next low bidders and the products that will be added to their contracts via Change Order 1 are listed on Exhibit A to the attached Resolution.

REVIEW BY OTHERS: Chief Operations Officers, Director of Finance, Purchasing Manager and Corporate Counsel.
