MEMO TO: Carol Calabresa, Chair
Planning Committee
FROM: Randall L. Seebach
Director of Planning and Land Preservation

RECOMMENDATION: Recommend approval of a Resolution awarding a Contract for the Construction of Trail Improvements at Spring Bluff Forest Preserve to Maneval Construction Company, Inc., Ingleside, Illinois, in the Contract Price of \$220,514.31.

STRATEGIC DIRECTION SUPPORTED: Public Access and Connections

FINANCIAL DATA: This project was approved as part of the adopted FY2017/2018 Capital Improvement Plan in the amount of \$573,700.00. This portion of the project was estimated at \$394,250.00. The actual cost of \$220,514.31 will be charged to account 20104100-803200-64811. An Illinois Department of Natural Resources OSLAD grant will provide a fifty percent match of the actual cost. Based on preliminary cost estimates, the total grant funding assistance amount approved for the entire project is \$263,700.00.

BACKGROUND: This contract will provide public access improvements at Spring Bluff Forest Preserve that include converting an existing 0.7-mile long/22-foot wide deteriorated asphalt road into a 14-foot wide combination crushed stone and asphalt multi-use trail. Removal of the impervious surface of the road will improve the hydrology and the free flow of storm water from one side of the road to the other. District staff have worked together to formulate a plan and program that enhances both the restoration efforts and enriches the user experience. This project was awarded an OSLAD grant in January 2015. The overall grant project also includes a wildlife observation structure and interpretive signs that will be completed under a separate contract.

The project was advertised on August 4, 2017 and five (5) bids were received. A summary of the bids received is listed below:

	<u>TOTAL BID</u>
Maneval Construction Company, Inc., Ingleside, Illinois	\$ 220,514.31

Campanella & Sons, Inc., Wadsworth, Illinois	242,310.65
