MEMO TO: S. Michael Rummel, Chair
Finance Committee

FROM: Steve Neaman
Director of Finance

RECOMMENDATION: Recommend approval of the 2017 Tax Abatement Ordinance relating to Build America Bond Subsidy Payments.

STRATEGIC DIRECTION SUPPORTED: Organizational Sustainability

FINANCIAL DATA: Provides for the abatement of 2017 taxes levied for bond principal and interest payments on the Build America Bonds Series 2010A, in the amount of \$605,626.52, and Series 2010B, in the amount of \$681,799.46, less \$88,832.39 because of federal sequestration reductions. The total of the abatements will then be \$1,198,593.61.

BACKGROUND: This ordinance will partially abate tax levies for debt service payments on two Build America Bond issues that were issued in 2010.

Referendum bonds issued as Series 2010A and Series 2010B taxable Build America Bonds (BAB's) are eligible for US Treasury subsidy payments in the amounts of \$605,626.52 and \$681,799.46, respectively. The amounts represent 35% of the interest payments payable on June 15, 2018 and December 15, 2018. The adopted Bond Orders for the bonds require a levy sufficient to pay the total interest and principal payments on the bonds, with the expectation that 35% of the interest payment would be abated later by the amount of the subsidies. However, because of federal sequestration reductions enacted by Congress, the subsidy payments for the BAB's will be reduced by 6.9% or approximately \$88,832.39. Therefore, the District will reduce the amount of the BAB's tax levy abatement by \$88,832.39, making the total abatement for BAB's \$1,198,593.61. The subsidy payments will be received in two installments prior to the payment dates and deposited into the Bond Funds to be used solely for the purpose of paying the debt service on the outstanding BAB's.
