MEMO TO: Carol Calabresa, Chair
Planning Committee

Agenda Item# 9.10

FROM: Randall L. Seebach
Director of Planning and Land Preservation

RECOMMENDATION: Recommend approval of a Resolution to purchase an approximately 8.2-acre parcel known as the Grawe property for approximately \$287,000 as an addition to Lakewood Forest Preserve.

STRATEGIC DIRECTIONS SUPPORTED: Conservation

FINANCIAL DATA: The purchase price of the Grawe property is approximately \$287,000.00, and will be funded from the 2008 Referendum Bonds, which are included in the adopted FY 2017/18 Budget (Series 2015A) account number 31314100-801000.

BACKGROUND: At the direction of the Planning Committee, District staff has reviewed the property to determine its suitability for acquisition for District purposes. In staff's opinion, the acquisition, protection and management of this property will meet the District's adopted land acquisition goals of protecting wildlife habitat, preserving wetlands, prairies and forests, providing scenic vistas, open spaces, adding to existing preserves, protecting existing Forest Preserve holdings, and will serve as a visual, topographic and ecologic extension of adjoining District properties.

The property is located on Wauconda Road, just west of and overlooking the Millennium Trail near Wauconda, approximately 700 feet south of Bonner Road.

A contract to purchase the property has been negotiated by District staff and signed by the owner. Pursuant to the contract, the District would pay \$35,000.00 per acre for the Property. At the time the contract was executed, a land survey was not available to determine the exact acreage of the parcel. Therefore, when the final acreage is determined by an ALTA land survey, the acreage may be slightly different than the current estimate of 8.2 acres and the purchase price may be different than the estimate of approximately \$287,000.00. The property is vacant, though it includes residential and farm building foundations which will require removal after closing.
