Mr. Ty Kovach  
Lake County Forest Preserves  
Executive Director

Libertyville, IL 60048

Dear Ty,

The Lake Bluff Park District has been holding public input meetings to determine if the Lake Bluff Park District should continue to offer and operate the Lake Bluff Golf Club, which increasingly is a financial challenge for the Park District.

The Board is researching various options and has received multiple requests to determine whether the Lake County Forest Preserves would consider managing or leasing the 50-year-old Lake Bluff Golf Club. On behalf of the Board, this letter asks for your response.

If you would like to see additional information, such as financial reports, rounds, capital, etc., please contact me as soon as possible. The Board respectfully requests your response by March 19, 2018. Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Ron Salski".
