RECOMMENDATION: Recommend approval of a Resolution awarding a Contract for the 2015 Invasive Plant Control Project at Fort Sheridan Forest Preserve to Native Restoration Services, Inc., Lake Bluff, Illinois in the Contract Price of \$32,257.50.

BACKGROUND: Fort Sheridan Forest Preserve contains many of the County's rarest plants and, at the same time, harbors some of the region's most invasive plants (i.e. crown vetch, buckthorn, and purple loosestrife). Control of these invasive species is necessary to protect the site's rich native plant and animal diversity, and to expand and maintain the successful restoration efforts in place at the site. This hourly-based contract, not to exceed 850 hours, will control invasive species through careful herbicide treatment throughout the year.

The project was advertised on September 10, 2014 and nine (9) bids were received. A summary of the bids received is listed below:

	<u>TOTAL BID</u>

Staff recommends that Native Restoration Services, Inc. be awarded the contract as the lowest responsible bidder. Work is anticipated to begin January 5, 2015 and be completed by December 15, 2015.

REASON FOR RECOMMENDATION: Committee recommendation and Board approval are required in accordance with District policy.

REVIEW BY OTHERS: Director of Operations and Public Safety, Director of Finance, Legal Counsel
