**DATE:** August 6, 2018

**MEMO TO:** Carol Calabresa, Chair  
Planning Committee

**FROM:** Randall L. Seebach  
Director of Planning and Land Preservation

**RECOMMENDATION:** Recommend approval of an Ordinance Vacating a portion of Elm Road within Almond Marsh Forest Preserve.

**STRATEGIC DIRECTION SUPPORTED:** Conservation

**FINANCIAL DATA:** There is no financial impact at this time.

**BACKGROUND:** The District owns a portion of one platted but unbuilt road named Elm Road at Almond Marsh Forest Preserve. There is a small section of the unbuilt road right-of-way, approximately 415 feet in length and 0.6 acres in area, that is not required for the public's use and enjoyment of District property. Vacating this portion of the road will enhance the public's ability to enjoy District property by protecting the natural resource values. It will also relieve the public from the burden and responsibility for the Road.

State Statute allows the District to vacate a road within a forest preserve that is not part of a State or County highway. This process has been followed previously at Cahokia Flatwoods, Greenbelt, Singing Hills, Spring Bluff, Tanager Kames, and Waukegan Savanna Forest Preserves.

**REVIEW BY OTHERS:** Executive Director, Chief Operations Officer, Director of Finance, Corporate Counsel.
