MEMO TO: Craig Taylor, Chair
Operations Committee

S. Michael Rummel, Chair
Finance Committee

FROM: Katherine Hamilton-Smith
Director of Public Affairs and Development

RECOMMENDATION: Recommend Approval of a Resolution Authorizing Change Order No. 2 to the Contract with Blackbaud, Inc. for Donor Management Software.

STRATEGIC DIRECTION SUPPORTED: Organizational Sustainability

FINANCIAL DATA: This Change Order will increase the cost of the existing contract with Blackbaud, Inc. by \$3,600 annually, payable in September 2018 and September 2019. The total additional funds of \$7,200 were approved in the Fiscal Year 2018-19 Budget in General District Development Division account 11354000-701400.

BACKGROUND: On September 12, 2017, the District entered into a three-year contract with Blackbaud, Inc. to continue use of the Raisers Edge NXT donor management software. The District has used this software since establishment of the Development Division in 2006.

The cost of the software is based on the number of donor records allowed. This Change Order will increase the limit on the number of donor records from 37,500 to 50,000. The increase is needed due to continued increase in the number of donors and prospective donors to the Preservation Foundation of the Lake County Forest Preserves.

In the past year, the District approved one change order to the contract to add RENXT Learn More, a comprehensive training package for use by all software users (\$6,086.53).

Change Orders that, when added to prior change orders to a contract, exceed 20% of the contract price or \$20,000, whichever is less, must be approved by the Board. Because the cumulative cost of change orders to this contract exceeds this allowance, Change Order No. 2 requires Board approval.
