MEMO TO: Carol Calabresa, Chair
Planning Committee

FROM: Randall L. Seebach
Director of Planning and Land Preservation

RECOMMENDATION: Recommend approval of a Resolution to purchase an approximately 0.67-acre property in Lake Villa Township, known as the Weldon property, for \$3,685.00 as an addition to Fourth Lake Forest Preserve.

STRATEGIC DIRECTIONS SUPPORTED: Conservation

FINANCIAL DATA: The purchase price of the Weldon property is \$3,685.00, and will be funded from the 2008 Referendum Bonds, which are included in the adopted FY 2018/19 Budget (Series 2015A) account number 31314100-801000.

BACKGROUND: At the direction of the Planning Committee, District staff has reviewed the property to determine its suitability for acquisition for District purposes. In staff's opinion, the acquisition, protection and management of this property will meet the District's adopted land acquisition goals of protecting wildlife habitat, preserving wetlands, prairies and forests, providing scenic vistas, open spaces, adding to existing preserves, and protecting existing Forest Preserve holdings. The property will serve as a visual, topographic and ecologic extension of adjoining District properties.

The property is located on W. Romero Avenue east of its intersection with N. Columbus Avenue, approximately one-half mile south of Grand Avenue.

The parcel is located north of one of the rarest native plant community types in the Midwest, the Calcareous Floating Mat. A state-wide Illinois Natural Area Inventory completed in 1978 found just 175 acres of this plant community type in Illinois. In addition, Bog Rosemary and Downy Willow Herb, state-threatened plants, are also known to be near this parcel, as are several other locally rare species.

A contract to purchase the property has been negotiated by District staff and signed by the owner. Pursuant to the contract, the District will pay \$3,685.00 for the property. The property is vacant.

REVIEWED BY OTHERS: Executive Director, Chief Operations Officer, Corporate Counsel.
