Agenda Item# 9.9

MEMO TO: Carol Calabresa, Chair
Planning Committee

FROM: Randall L. Seebach
Director of Planning and Land Preservation

RECOMMENDATION: Recommend approval of a Resolution to purchase an approximately 88.8-acre property in Newport Township, known as the Dorsey property, for approximately \$2,220,000.00 as an addition to Pine Dunes Forest Preserve.

STRATEGIC DIRECTIONS SUPPORTED: Conservation

FINANCIAL DATA: The purchase price of the Dorsey property is approximately \$2,220,000.00, and will be funded from the 2008 Referendum Bonds, which are included in the adopted FY 2018/19 Budget (Series 2015A) account number 31314100-801000.

BACKGROUND: At the direction of the Planning Committee, District staff has reviewed the property to determine its suitability for acquisition for District purposes. In staff's opinion, the acquisition, protection and management of this property will meet the District's adopted land acquisition goals of protecting wildlife habitat, preserving wetlands, prairies and forests, providing scenic vistas, adding to existing preserves, protecting existing Forest Preserve holdings, and the property will serve as a visual, topographic and ecologic extension of adjoining District properties.

The property is located south of Edwards Road, east of Hunt Club Road, and north of Interstate 94, approximately 1,300 feet west of Old Highway 41, and adjacent to the Village of Old Mill Creek.

A contract to purchase the property has been negotiated by District staff and signed by the owners. Pursuant to the contract, the District will pay \$25,000 per acre (based on the survey acreage), currently estimated to be \$2,220,000. At the time the contract was executed, a land survey was not available to determine the exact acreage of the parcel. Therefore, when the final acreage is determined by an ALTA land survey, the acreage may be slightly different than the current estimate of 88.8 acres and the purchase price may be different than the estimate of approximately \$2,220,000.00. The property is vacant.
