Dear Mr. Jones,

The Village of Lake Villa has been approached by the Elizabeth Heffernan Trust as they seek annexation of their property located at 24153 W. Townline Road (PIN: 0230200011) into the corporate limits of the Village of Lake Villa. Currently, this property is located in unincorporated Lake County.

The above mentioned property is not contiguous to the Village of Lake Villa, therefore, it cannot be annexed into the Village of Lake Villa. The property could be contiguous to the Village if the Lake County Forest Preserves would permit the annexation of two properties, (PIN: 0230200012 and 0230200005) located within the Bluebird Meadow Forest Preserve, to be annexed into the Village with the annexation of the property mentioned above.

The Village Board has discussed this item and would welcome the annexation of 24153 W. Townline Road, provided the Forest Preserve would be willing to allow the properties mentioned above to be annexed. The annexation costs would not be paid by the Village of Lake Villa.

Please let me know if you have any questions or if you need additional information.
