MEMO TO: John Wasik, Chair

FROM: Randall L. Seebach
Director of Planning and Land Preservation

RECOMMENDATION: Recommend approval of a Resolution awarding a Contract for the Rollins Savanna - Gurnee Trail Connection to Copenhagen Construction, Inc., in the Contract Price of \$393,791.00.

STRATEGIC DIRECTION SUPPORTED: Public Access and Connections

FINANCIAL DATA: This item was approved as part of the adopted FY2018/2019 Budget in the amount of \$438,788.00. The actual cost of \$393,791.00 will be charged to account 20104100-803200-61301.

BACKGROUND: The District has been working with the Village of Gurnee on a 1/2-mile trail connection from the existing trail at Rollins Savanna Forest Preserve to the intersection of Dada Drive and U.S. Route 45. This important connection will link together the existing Village bike path within the ComEd right-of-way and several large residential areas to Rollins Savanna and the Millennium Trail. Improvements to the U.S. Route 45 intersection will provide trail users with safe crossing of this major road. In the spring of 2018 the Village of Gurnee completed the trail connection east of U.S. Route 45 along Knowles Road.

The project consists of approximately 0.4 mile of aggregate and paved trail, and intersection improvements consisting of traffic signal modification, ADA compliant concrete ramps and pedestrian crosswalk pavement markings. Existing asphalt roads, parking areas and a vehicular entrance along Route 45, remaining on-site from the previous land owner, will be removed as part of the project.

The project was advertised on January 21, 2019 and Eight (8) bids were received. A summary of the bids received is listed below:

	<u>PRICE</u>
Chicagoland Paving Contractors, Inc., Lake Zurich, Illinois	\$277,900.00
Copenhagen Construction, Inc., Gilberts, Illinois	\$393,791.00
V3 Construction Group, Woodridge, Illinois	\$394,500.00
Schroeder Asphalt Services, Inc., Huntley, Illinois	\$397,723.69
Pirtano Construction Company Inc., Addison, Illinois	\$455,825.00
DK Contractors, Inc., Pleasant Prairie, Wisconsin	\$472,656.70
Campanella & Sons, Inc., Wadsworth, Illinois	\$518,551.15
John Keno & Company, Inc., Chicago, Illinois	\$521,779.95

Chicagoland Paving Contractors, Inc. submitted the lowest bid. However, staff recommends that Chicagoland Paving Contractors, Inc.'s bid be found non-responsive for the following reasons: 1) failure to submit a letter from a surety company acknowledging its intention to execute the required Performance and Payment Bonds upon award of the contract and 2) failure to submit a letter from an insurance carrier/agent acknowledging its intention to provide the required insurance certificates and policies necessary for the project. Therefore, staff recommends that the bid submitted by Chicagoland Paving Contractors, Inc. be considered non-responsive.

After reviewing the bids and relevant information, including references, staff recommends that Copenhaver Construction, Inc. be awarded the contract as the lowest responsible bidder.

Work is anticipated to begin May 1, 2019 and be completed by November 1, 2019.
