RECOMMENDATION: Recommend approval of a Resolution awarding a Contract for the purchase and installation of a Public Address System at the General Offices to Audio Enhancement, Inc., Bluffdale, Utah, in the Contract Price of \$31,217.29 under a National Joint Powers Alliance contract.

STRATEGIC DIRECTION SUPPORTED: Organizational Sustainability

FINANCIAL DATA: Funding for the Public Address System for the General Offices was approved as part of the adopted FY2018/19 budget in account 14724100-805000 in the amount of \$49,780.00.

BACKGROUND: A public address system at the General Offices is necessary for a range of purposes. The announcements made with the system can be segmented by floor. From a Museum perspective, the public address systems will be used to announce programs, gather schoolchildren, and disseminate closing hours and other pertinent information. From a building-wide perspective, the public address system will be used to broadcast safety issues such as missing persons and building lockdowns. The Contract that would be approved by the attached resolution includes the EPIC Public Address System, parts, labor and installation services, and a one-year warranty.
