**RECOMMENDATION:** Recommend Approval of an Ordinance Amending the Annual Fee Ordinance for FY 2020 to update Fees for Research Services in the Lake County History Archives at the Bess Bower Dunn Museum of Lake County.

**STRATEGIC DIRECTIONS SUPPORTED:** Public Access and Connections; Organizational Sustainability

**FINANCIAL DATA:** The recommended amendments to fees for research services in the Lake County History Archives eliminate unused and outdated fees while establishing a minimum research fee to provide staff with the flexibility they need to answer quick research requests. These fees align with the Fee Guidelines Subsidy and Cost Recovery approved on April 3, 2014 by the Finance and Administrative Committee.

**BACKGROUND:** Since the Bess Bower Dunn Museum of Lake County (Dunn Museum) opened in March 2018, staff has maintained regular hours in the Teich Family Reading Room for the public to conduct research. During this time, staff has gained a better understanding of how the public uses the historic materials in the Lake County History Archives. The current fees established for research services date back to 2016, when most public research was being done using materials from the Curt Teich Postcard Archives.

The recommended amendments eliminate outdated and unused fees while establishing a minimum research fee to provide staff with the flexibility they need to answer quick research requests.

**REVIEW BY OTHERS:** Chief Operations Officer, Director of Finance, Superintendent of Educational Facilities, Corporate Counsel.
