**DATE:** February 12, 2020

**MEMO TO:** Nels Leutwiler, Chair  
Preservation Foundation Board

**FROM:** Rebekah Snyder  
Chief Development Officer/Exec. Director Preservation Foundation

**RECOMMENDATION:** Recommend approval of Rules and Regulations and Request Form for Implementation of the Illinois Freedom of Information Act (FOIA)

**FINANCIAL DATA:** The Rules and Regulations and Request Form have Fees Established for copies, certifications, and mailing of public records. Implementation will have an undetermined impact on Development staff time, copies, certifications and mailing of public records.

**BACKGROUND:** The Illinois General Assembly approved The Illinois Freedom of Information Act, or Illinois FOIA, a series of laws designed to guarantee that the public has access to public records of government bodies at all levels in Illinois. The law was first enacted in 1984. A comprehensive amendment of the Illinois FOIA, was enacted in August 2009, and went into effect on January 1, 2010. Staff recommends that the Foundation approve Rules and Regulations and Request Form to be used to implement the Illinois FOIA.

The recommended Rules and Regulations would better ensure that Foundation officers and staff are able to follow proper procedures in responding to FOIA requests, and would delegate to appropriate Foundation officers and Development employees the authority and duty to carry out the FOIA requirements. The Executive Director would be authorized to appoint the District's Freedom of Information Officer and to make future revisions to forms, fees and procedures as needed to remain in compliance with the FOIA.

## **RULES AND REGULATIONS IMPLEMENTING ILLINOIS FREEDOM OF INFORMATION ACT**

### **BRIEF DESCRIPTION REGARDING REQUESTS FOR PUBLIC RECORDS**

The Preservation Foundation maintains comprehensive Rules and Regulations Implementing the Illinois Freedom of Information Act (the "FOIA Rules"), which provide procedures, instructions, and forms for obtaining Foundation public records.

This document provides a brief summary of the Foundation's FOIA Rules

All requests to inspect, copy, or certify public records must be submitted to the Foundation in writing. The Foundation encourages Requesters to submit their requests on the convenient form provided by the Foundation, which is available at the Foundation Office and on the Foundation's website. The Foundation will review all written requests in any form. The Foundation will respond to each written request to inspect, copy, or certify public records in a manner consistent with the Illinois Freedom of Information Act.

Copies of public records will be provided upon payment of a copying fee, if applicable, as provided in Section IV of the FOIA Rules. If requested, copies of public records will be mailed after the Foundation receives payment of the actual cost of postage and copying.

Requests and other communications regarding Foundation records relating to a request to inspect, copy, or certify public records, all requests for copies of the FOIA Rules, and all requests for any other information relating to the Foundation's implementation of the Illinois Freedom of Information Act must be directed to:

**PRESERVATION FOUNDATION OF THE  
LAKE COUNTY FOREST PRESERVE DISTRICT**

**RULES AND REGULATIONS IMPLEMENTING  
ILLINOIS FREEDOM OF INFORMATION ACT**

These Rules and Regulations (the “Rules”) include the procedures, instructions, and forms for requesting public records from the Preservation Foundation of the Lake County Forest Preserve District under the Illinois Freedom of Information Act (the “Act”).

The Foundation will respond to written requests for inspection, copying, or certification of public records in accordance with the Act, these Rules, and any other applicable law. Generally, under the Act, the Foundation will provide public records for inspection or copying as requested except for records (1) that would, if disclosed, violate individual privacy, or (2) whose production would disrupt the duly undertaken work of the Foundation or (3) that are specifically exempted from disclosure by the Act or other applicable law.

Requests and other communications relating to public records must be sent to the District’s Freedom of Information Officer.

**I. INTERPRETATION**

**A. Conflicts**

These Rules do not supersede the provisions of the Act. If a provision of these Rules conflicts with the Act, then the provisions of the Act will govern.

**B. Definitions**

In addition to the definitions provided in the Act or elsewhere in these Rules, the following definitions apply:

1. Business Hours: 8:30 a.m. to 4:30 p.m. on a Business Day.
2. Business Day: Any day on which office of the Foundation at the Foundation are open and staffed for regular public business. Business Days generally are Monday through Friday, except federal and state legal holidays.
3. Freedom of Information Officer: The Freedom of Information Officer of the Foundation identified above and designated under Section 3.5 of the Act.
4. Public Access Counselor: The Public Access Counselor of the Office of the Illinois Attorney General.
5. Request: A request to inspect, copy, or certify public records.
6. Request Made for Commercial Purposes: A Request made with the intent to use the requested records (or the information derived from those records), in whole or in part, for sale, resale, or solicitation or advertisement for sales or services.

However, a Request submitted by news media or by non-profit, scientific, or academic organizations will not be deemed to be made for commercial purposes if the principal purpose of the Request is (a) to access and disseminate information concerning news and current or passing events, (b) for articles of opinion or features of interest to the public, or (c) for the purpose of academic, scientific, or public research or education.

7. Requestor: A person, firm, or corporation that files a Request with the Foundation.
8. Response Time: The time for response by the Foundation to a request for public records, as calculated pursuant to Subsection III.A of these Rules.

**C. Days; Measurement of Time**

1. Days. In counting the number of days allowed for a response or a decision to be given by the Foundation under the Act and these Rules, the Foundation will not include the day on which the request or notice requiring the response or decision was first received.
2. Supplemental Requests. Supplemental, amended, or additional Requests will not relate back to the time of receipt of the initial Request. Supplemental, amended, or additional Requests will be considered new Requests for purposes of determining the applicable Response Time.
3. Response Date. All responses and decisions to be issued by the Foundation under the Act and these Rules will be deemed to have been given on the date of personal delivery to the person or to the residence of the person entitled to the response or decision or, if mailed, on the date of mailing, regardless of the date of actual receipt by that person. Each response and decision will include proof of service evidencing the method by which, and time at which, the response of decision was delivered.

**II. REQUESTS FOR INSPECTION,  
COPYING, OR CERTIFICATION OF PUBLIC RECORDS**

**A. Officials Responsible for Responding to Requests**

The Freedom of Information Officer is the person administratively responsible for receiving and processing Requests.

The Freedom of Information Officer is the person with authority on behalf of the Foundation to grant or deny Requests, to extend the Response Time, and to issue the appropriate notices with respect to all related matters. The Freedom of Information Officer may consult with Foundation staff, officials, and others as appropriate before responding to a Request.

The Foundation may, from time to time, appoint Deputy Freedom of Information Officers to assist the Freedom of Information Officer in the performance of his or her duties under

the Act and these Rules. In the absence of the Freedom of Information Officer, the Deputy Freedom of Information Officers are authorized to grant or deny Requests, to extend the Response Time, and to issue the appropriate notices with respect to all related matters.

## **B. Form of Request**

1. Required Information. A Request must be filed with the Foundation in writing and in English. The Foundation encourages Requesters to submit requests on the convenient form attached to these Rules (“Official Request Form”) or in a similar form that contains, at a minimum, the following information:
  - a. The Requestor's name;
  - b. Either the Requestor's mailing address, e-mail address, or telephone number;
  - c. A description of the public records requested;
  - d. A statement of purpose, indicating whether the Requester intends to use the records, or the information derived from those records, for sale, resale, solicitation, or advertisement for sales or services;
  - e. A statement of whether the Requester is, or represents, news media or a non-profit, scientific or academic organization; and
  - f. A statement of whether the principal purpose of the Request is either (i) to access and disseminate information concerning news and current or passing events, (ii) for articles of opinion or features of interest to the public, or (iii) academic, scientific or public research or education.

Use of the Official Request Form is the most effective way to obtain a prompt, full, and complete response by the Foundation to a Request.

2. Supplemental Information. If a Requestor submits a Request on a form other than the Official Request Form, and the Request does not contain all of the information required pursuant to Paragraph II.B.1 of these Rules, then the Requestor must complete a Supplemental Information form or similar writing.
3. Requests Must Be Complete. No Request will be deemed complete unless it contains, at a minimum, all of the information required pursuant to Paragraph II.B.1 of these Rules.
4. Subpoenas. Except as provided in Section 9.5(c) of the Act, these Rules will not apply to any subpoena for records received by the Foundation and issued by, or in accordance with the rule of, a court or agency of competent jurisdiction.

### **C. Submittal of Request**

Completed Requests must be filed with the Foundation Freedom of Information Officer by mail, facsimile, overnight courier service, electronic mail, or in person, in accordance with the following:

1. In-Person Submissions. Requests submitted in person must be given to the Freedom of Information Officer or filed in the office of the Village Clerk.
2. Electronic Mail Submissions. Requests submitted by electronic mail must be sent directly to the Freedom of Information Officer at FOIA@LCFPD.org and will be deemed received only upon actual receipt by the Freedom of Information Officer on a Business Day during Business Hours, regardless of date or time of submission.
3. All Other Submissions. Requests submitted by mail or other means must be addressed to the Freedom of Information Officer at the Foundation Office and will be deemed received only upon actual receipt by the Foundation on a Business Day, regardless of date of submission.

All Foundation officials and employees who receive a Request must immediately forward that Request to the Freedom of Information Officer.

### **D. Processing of Request**

1. The Freedom of Information Officer must complete the Checklist immediately upon receipt of the Request. If the Freedom of Information Officer determines that the Request is not complete, as provided in Section II of the Checklist, the Freedom of Information Officer must mail a Notice of Incomplete Request form and a Supplemental Information form to the Requester within five Business Days after receipt by the Foundation of the Request. If the Freedom of Information Officer determines that the Request is complete, the Freedom of Information Officer must stamp or otherwise indicate on each completed Request, the date and time of receipt and, if known, the date on which the Foundation must respond to the Request.
2. The Freedom of Information Officer must maintain an electronic or paper copy of the Request, including all documents submitted with the Request, until all matters related to the Request have been completed.
3. The Freedom of Information Officer must create an electronic or paper file for the retention of the original Request, a copy of the response by the Foundation, a record of all written communications with the Requester regarding the Request, and a copy of other communications related to the Request.
4. The Freedom of Information Officer must keep all Notices of Denial in a single central office file, indexed according to the type of exemption asserted, and, to the extent feasible, according to the types of records requested.

### III. RESPONSES TO REQUESTS

#### A. Time for Response

1. Requests Made for Commercial Purposes. The Foundation will respond within 21 Business Days after a completed Request Made for Commercial Purposes is received by the Foundation.
2. Arrest Reports. For completed Requests for chronologically maintained arrest and criminal history information, the Foundation will respond within 72 hours after the later to occur of (a) the arrest that is the subject of the Request, and (b) the time of receipt of the Request.
3. All Other Requests. For all Requests other than those set forth in Paragraph III.A.1 or III.A.2 of these Rules, the Foundation will respond within five Business Days after a completed Request is received by the Foundation, unless the Foundation has extended the Response Time pursuant to Paragraph III.A.4 of these Rules.
4. Extension of Time
  - a. If the Freedom of Information Officer determines that additional time is needed and allowed under the Act to respond to a Request, then the Freedom of Information Officer, using a Notice of Extension form attached to these Rules or a similar written form, will notify the Requester within the applicable Response Time of the determination, of the reasons requiring the extension, and of the length of the extension (which may not exceed five additional Business Days). The Freedom of Information Officer may not issue a Notice of Extension for Requests Made for Commercial Purposes.
  - b. The Requester and the Foundation, using an Extension Agreement form attached to these Rules or a similar written form, may agree in writing to extend the time for compliance for a period to be mutually determined. In his or her discretion, the Freedom of Information Officer may deliver to the Requester a Request for Extension Agreement form and an Extension Agreement form. The Freedom of Information Officer is authorized to execute, in his or her discretion, an Extension Agreement after it has been executed by the Requester. The Freedom of Information Officer must respond to the Request within the applicable Response Time, unless and until the Requester and the Foundation have executed the Extension Agreement.

#### B. Disclosure of Public Records

1. Notice of Approval. If the Freedom of Information Officer determines that the Act requires disclosure of all or any part or portion of the requested public records, then the Freedom of Information Officer will notify the Requestor in

writing of his or her determination, using the Notice of Approval form attached to these Rules or a similar written form.

2. Approval of Requests Made for Commercial Purposes. If the Request is a Request Made for Commercial Purposes, and the requested records are not immediately available for inspection or pick-up, then the Notice of Approval will specify a reasonable date on which the requested records will be available for inspection or pick-up, based on the size and complexity of the Request.
3. Search of Foundation Files and Use of Foundation Equipment. Except as otherwise specifically authorized by the Freedom of Information Officer, only Foundation employees, the Foundation Attorney, and Foundation contractors are permitted to search Foundation files, records, or storage areas, or to use Foundation equipment in connection with any Request.
4. Removal of Original Records. Original public records may not be removed from any Foundation building at any time, except as authorized by the Foundation's Executive Director.
5. Inspection of Public Records. Public records approved by the Freedom of Information Officer for disclosure may be inspected, or copies of public records obtained, during Business Hours at the Foundation Office or another location designated by the Freedom of Information Officer. Requestors must make an appointment with the Freedom of Information Officer for a date and time to inspect public records at the Foundation Office (or another location designated by the Freedom of Information Officer) approved by the Freedom of Information Officer for disclosure.
6. Copies of Public Records. Copies of public records approved by the Freedom of Information Officer for disclosure may be obtained during Business Hours at the Foundation Office or another location designated by the Freedom of Information Officer, provided that the Requester had requested copies in the Request and has paid any applicable fees.
7. Mailing of Requested Public Records. Copies of public records will be mailed to the Requester only if the Freedom of Information Officer reasonably determines that it is unduly burdensome for the Requestor to arrange for inspection of the original public records, or for pick up of copies of the public records, at the Foundation Office.
8. Audio and Video Recordings. Requests for reproduction of any public records that are audio or video recordings will be honored in accordance with the provisions of the Act, the Illinois Open Meetings Act, any other applicable State law, and these Rules.
9. Records Maintained in Electronic Format. If the requested public records are maintained by the Foundation in an electronic format, then the Foundation will reproduce copies of the requested public records in the electronic format specified by the

Requester, if feasible. The Foundation may charge to the Requester the actual cost of the medium necessary for that format.

10. Payment of Fees. The Requestor must pay all copying, certification, and postage fees in advance of receiving copies of any public records.
11. Acknowledgment of Inspection. When the copies of the requested public records have been delivered or inspected, the Freedom of Information Officer and the Requestor must acknowledge delivery or inspection by execution of the Acknowledgment of Inspection form attached to these Rules or a similar written form.

### **C. Categorical Requests**

1. Notice to Meet and Confer. If the Freedom of Information Officer determines that a Request for all records falling within a category will unduly burden the District, and that the burden to the Foundation outweighs the public interest in production of the public records sought, then the Freedom of Information Officer, using a Notice for Meeting form attached to these Rules or a similar written form, will notify the Requestor in writing of the determination, of the reasons supporting the determination, and of the right of the Requestor to meet with the Freedom of Information Officer in an effort to narrow the Request.
2. Failure to Respond by Foundation. The Freedom of Information Officer may neither determine that a Request is unduly burdensome, nor issue a Notice for Meeting, if the Foundation has previously failed to respond to that Request within the applicable Response Time.
3. Agreement to Narrow Request. If the Requestor agrees to meet and confer with the Freedom of Information Officer regarding the Request, then the Freedom of Information Officer will respond to the Request, or to the Request as narrowed at the meeting, within the applicable Response Time, calculated from the date of adjournment of the meeting. That response may take any form specified in this Section III. If the Requestor agrees to narrow the scope of the Request, the Freedom of Information Officer will deliver a Acknowledgment of Narrowed Request to the Requestor at the conclusion of the meeting, using the form attached to these Rules or a similar written form.
4. Failure to Meet and Confer. If the Requestor does not agree to meet and confer with the Freedom of Information Officer regarding the request, then the Freedom of Information Officer will deny the Request on the fifth Business Day after the date of the Notice for Meeting, using the General Notice of Denial/Partial Denial of Request form attached to these Rules or a similar written form.

### **CI. Denial**

1. Denials Under Section 7(1)(c) and 7(1)(f). If the Freedom of Information Officer determines that all, or some, or a portion of any requested public records are not

subject to disclosure under Sections 7(1)(c) or 7(1)(f) of the Act, then the Freedom of Information Officer must send notice to the Public Access Counselor of the District's intent to deny the Request, using the Notice of Intent to Deny form attached to these Rules or a similar written form. The Notice of Intent to Deny must include a copy of the Request and the proposed Section 7(1)(c)/7(1)(f) Notice of Denial. A copy of the Notice of Intent to Deny must be sent to the Requestor. If the Public Access Counselor determines that further inquiry into the Request is not warranted, then the Freedom of Information Officer will deliver the Section 7(1)(c)/7(1)(f) Notice of Denial to the Requestor as provided in these Rules.

2. Other Denials. If the Freedom of Information Officer determines that all, or some, or a portion of any requested public records are not subject to disclosure under any other provision of the Act or under these Rules, then, except as provided in this Subsection D, the Freedom of Information Officer must deliver a notice of denial to the Requestor, using the General Notice of Denial/Partial Denial of Request form attached to these Rules or a similar written form. The Freedom of Information Officer may not deliver the General Notice of Denial/Partial Denial of Request to the Public Access Counselor, except upon receipt of a request therefor from the Public Access Counselor pursuant to Section 9.5(c) of the Act.
3. Contents of Denials. Each Section 7(1)(c)/7(1)(f) Notice of Denial and General Notice of Denial/Partial Denial of Request must set forth the reason(s) for the denial, and must notify the Requestor of his or her rights to (a) seek review of the denial by the Public Access Counselor, and (b) seek judicial review under Section 11 of the Act.
4. Denials on Multiple Grounds. If the Freedom of Information Officer also determines that all, or some, or a portion of any requested public records are not subject to disclosure pursuant to both Paragraph III.D.1 and Paragraph III.D.2 of these Rules, the Freedom of Information Officer must prepare both a Section 7(1)(c)/7(1)(f) Notice of Denial and a General Notice of Denial, as provided in Paragraphs III.D.1 and III.D.2 of these rules.
5. Denials in Writing. Except as otherwise provided by the Act, all denials of Requests will be in writing.
6. Cooperation with Public Access Counselor. If the Public Access Counselor determines that further inquiry into any denied Request is warranted, the Freedom of Information Officer will comply with the directives of the Public Access Counselor, or seek appropriate review of those directives, in accordance with the Act.

**E. No Obligation to Create New Records**

Except as provided in Section V of these Rules, the Act and these Rules do not require the Foundation, in the course of responding to Requests, to create records that the Foundation does not already maintain in record form.

**F. No Obligation to Interpret or Advise**

Neither the Act nor these Rules require the Foundation to interpret, or advise Requesters as to the meaning or significance of, any public records.

**IV. FEES**

**A. Fees Established**

Unless fees are waived or reduced under to Subsection IV.C of these Rules, each Requestor must pay the following fees for copying, certification, and mailing of public records:

- |    |  |                                      |
|----|--|--------------------------------------|
| 1. | Copies – 8½” x 11” or 8½” x 14”, black and white |                                      |
|    | First 50 pages                                   | Free                                 |
|    | Additional pages                                 | \$0.15 per side                      |
| 2. | Certification                                    | \$1.00 per record,<br>plus copy cost |
| 3. | Mailing  | Cost of Postage                      |

If the requested record is of a type not listed in item 1 above, or when the services of an outside vendor are required to copy any public record that is not 8½” x 11” or 8½” x 14”, black and white, then the fees charged for copying the record will be the actual charges incurred by the Foundation, and the fees stated in item 1 above will not apply. The fees stated in items 1 through 3 will also not apply if a different fee for the requested records is fixed by statute. If the requested records are produced on an electronic medium, then the Requestor must pay the actual cost of the medium.

The Foundation has determined that the fees in this Subsection A are no more than necessary to reimburse the Foundation for the actual cost of reproducing, certifying, and mailing public records requested pursuant to the Act and these Rules.

**B. Method and Time of Payment**

Payment of all required fees must be made in cash, by cashier’s or certified check, or by money order prior to the examination, copying, certification or mailing of any public record.

**C. Waiver of Fees**

The fees provided in Subsection IV.A of these Rules may be waived or reduced by the Freedom of Information Officer if the Requestor includes in the Request the specific purpose of the Request and establishes to the reasonable satisfaction of the Freedom of Information Officer that a fee waiver or reduction is in the public interest. Any request for a fee waiver or reduction must be indicated in the Request at the time the Request is filed. A subsequent request will not be considered.

A fee waiver or reduction will be considered to be in the public interest only if the principal purpose of the Request is to disseminate information regarding the public health, safety, and welfare or the legal rights of the general public. No fee waiver will be granted if the Request is for the principal purpose of personal or commercial benefit to the Requestor. The Freedom of Information Officer may consider the number of requested public records and the cost and necessity of copying them in setting the fee waiver or reduction amount.

**D. Waiver for Failure to Respond**

If the Freedom of Information Officer does not respond to a Request properly submitted pursuant to Section II of these Rules within the applicable Response Time, then the Foundation will not require the payment of fees for any copies of records produced in response to that Request.

**V. FOUNDATION OBLIGATIONS**

**A. Organizational Description**

The Freedom of Information Officer, at least once each fiscal year, will produce and make available for inspection, copying, and mailing to any person requesting it, a brief description of the Foundation. The description must identify and describe the membership of the District's Board of Commissioners and of all of its standing and special committees and other advisory bodies and also must include:

- a short summary of the District's purpose,
- a block diagram of the District's functional subdivisions,
- the approximate number of the District's full and part-time employees,
- the total amount of the District's operating budget, and
- the number and location of each of the District's offices.

If the Foundation maintains a website, the Freedom of Information Officer must post the description required pursuant to this Subsection V.A to the website.

**B. Index of Public Records**

The Freedom of Information Officer must create, maintain current, and make available for inspection, copying, and mailing, a current index of all types or categories of public records prepared or received, and maintained, by the Foundation after July 1, 1984. The index must be reasonably detailed in order to aid persons in obtaining access to the public records of the Foundation.

**C. Records Stored by Electronic Data Processing**

The Freedom of Information Officer must prepare and furnish, to any person requesting it, a description of the manner in which public records of the Foundation stored by means of electronic data processing may be obtained in a form comprehensible to persons lacking knowledge of computer language or printout format.

**D. Summary of Procedures**

The Freedom of Information Officer must create, maintain current, and make available for inspection, copying, and mailing, a brief summary of the procedures established by these Rules. If the Foundation maintains a website, the Freedom of Information Officer must post the summary required pursuant to this Subsection V.D to the website.

**E. Posting and Mailing of Information**

The Freedom of Information Officer must keep posted at the Foundation Office, and will mail to any person making a request therefor, copies of the Organizational Description prepared pursuant to Subsection V.A of these Rules, the Index of Public Records prepared pursuant to Subsection V.B of these Rules, and the Summary of Procedures prepared pursuant to Subsection V.D of these Rules.

**F. Filing of Notices of Denial**

The Freedom of Information Officer must retain copies of all Notices of Denial and Notices of Intent to Deny in a single file at the Foundation Office that is open to the public and indexed according to the type of exemption asserted and, to the extent that categorization is feasible, the type of records requested.
