MEMO TO: Jessica Vealitzek, Chair
Operations Committee

FROM: John Tannahill
Director of Public Safety

RECOMMENDATION: Recommend approval of an Ordinance amending the General Use Ordinance, specifically Section VI.B - Fines and Penalties.

STRATEGIC DIRECTION SUPPORTED: Organizational Sustainability

FINANCIAL DATA: There is no immediate financial impact. Revenues are dependent on the numbers of violations that occur.

BACKGROUND: In January, 2020, the District approved an updated and modified General Use Ordinance, which established regulations governing the uses of District properties. As staff was preparing to print the ordinance booklets for the use by Ranger Police Officers in the field, errors were found in Section VI.B of the regulations, entitled “Fines and Penalties”. The amendment recommended in the ordinance will correct that oversight, as well a typographical error, and allow for the proper fines to be affixed to violations of the identified ordinance sections.

Specifically, approving this amendment will move fines for bringing a dog to a Dog Exercise Area without a permit, or having a dog off leash in a preserve, from the \$120.00 level to the \$50.00 level, as was the original intent.
