SUBJECT: 2015 Purchase of Reforestation Materials for Fort Sheridan Forest Preserve

RECOMMENDATION: Recommend approval of a Resolution awarding Contracts for the Purchase of Reforestation Materials for Fort Sheridan Forest Preserve to Majestic Oaks Nursery, Spring Grove, Illinois in the Contract Price of \$44,266.04, and to Possibility Place Nursery of Monee, Illinois in the Contract Price of \$21,487.50.

BACKGROUND: In 2012, the District received funds as compensation for trees removed as part of the Illinois Department of Transportation's Route 21/Milwaukee Avenue road widening project. In 2014, the District applied for and was awarded a grant from the U.S. Forest Service, Northeast Area State and Private Forestry program for reforestation efforts at Ft. Sheridan Forest Preserve. The District will use a portion of the funds received from the Route 21 project as match for the grant program.

The project was advertised on November 20, 2014 and four bids were received. Bidders were allowed to choose whether or not to bid on individual items and were advised that the District intends to award a contract to the lowest responsible bidder.

One bidder, St. Aubin Nursery, was not the low bidder on any item and, therefore, is not listed in the table below.

Majestic Oaks Nursery and Possibility Place Nursery were the lowest bidders on a number of items that resulted in total contract amounts greater than \$20,000 and, therefore, require Board approval. One other vendor was the lowest bidders on other items, resulting in a total contract amount that is less than \$20,000 and, therefore, does not require Board approval. A summary of the three lowest bids received is listed below:

<u>BIDDER</u>	<u>TOTAL BID</u>
Majestic Oaks Nursery	\$ 44,266.04
Possibility Place Nursery	\$ 21,487.50
<u>LOW BIDDER UNDER \$20,000.00</u>	
Woody Warehouse Nursery	\$ 628.00

Work is anticipated to begin in September, 2015 and be completed by November, 2015.

REASON FOR RECOMMENDATION: Committee recommendation and Board approval are required in accordance with District policy.

REVIEW BY OTHERS: Director of Operations and Public Safety, Director of Finance, Legal Counsel

FINANCIAL DATA: This project was approved as part of the adopted FY 2014/2015 Capital Improvement Plan for Preserve Tree Planting in the amount of \$350,000.00. The vendor with a bid under \$20,000.00 that does not require Committee and Board approval totals \$628.00 and, combined with these contracts, results in a grand total of \$66,381.54, which will be charged to the Preserve Tree Planting Program fund account 29614100-803200-60010. This portion of the project was estimated at \$76,500.00.
