Agenda Item 9.1

MEMO TO: Terry Wilke, Chair
Finance Committee

FROM: Mary E. Kann
Director of Administration

RECOMMENDATION: Recommend approval of a Resolution approving Illinois Municipal Retirement Fund (“IMRF”) Benefit Protection Leave.

STRATEGIC DIRECTION SUPPORTED: Organizational Sustainability

FINANCIAL DATA: Any financial impact would be reflected in the District’s IMRF Employer Contribution rate calculations, and would be incurred by the District only if the employee(s) purchase the service credit.

BACKGROUND: In 2020, eleven District temporary employees (the “Employees”) in IMRF-eligible positions did not start their seasonal employment in April and May as anticipated, because of the COVID-19 pandemic. As a result of this delayed start, their seasonal pattern of employment and earning IMRF service credit was broken, and these Employees did not earn IMRF service credit in a period they would have normally been working. To allow these temporary Employees to receive IMRF service credit, the District must submit to IMRF a “Benefit Protection Leave” Form.

IMRF allows a member employee to retroactively apply for benefit protection leave, so that they may purchase their lost service credit, if the employer’s governing board, by resolution, approves the leave of absence and the estimated cost of providing such lost IMRF service credit, and if the board’s secretary certifies that the leave and cost have been approved. The attached Resolution would accomplish this purpose. After approval of this Resolution, the employees would be allowed to purchase either one month of service or two months of service, depending on their seasonal pattern(s) and their 2020 start date(s).
