Dear Mr. Leutwiler:

I would like to congratulate Lake County Forest Preserves for being selected for a 2020 National Association of County Park and Recreation Association (NACPRO) Award. These awards, decided upon by your peers, leaders in county and regional park agencies, recognize excellence in programs, projects, facilities and individuals that move our profession forward. We share these awards with our national membership to encourage other agencies to be creative, innovative leaders in county and regional parks and recreation.

On behalf of the Board of Directors of NACPRO, I am pleased to present the Outstanding Support Organization Award to the Preservation Foundation of the Lake County Forest Preserves. Your success is an example that we can all learn from. Your leadership, vision and commitment enriches the communities that you serve in Lake County.

Sincerely,

Michael Tully
NACPRO Past President
