Agenda Item# 9.6

RECOMMENDATION: Recommend Approval of a Resolution Awarding Contracts for Native Seed Purchases for Multiple Preserves to Shooting Star Native Seed in the Contract Price of \$87,629.20; Cardno Inc., in the Contract Price of \$68,831.68; Agrecol, LLC in the Contract Price of \$61,785.76; and Genesis Nursery in the Contract Price of \$59,257.23.

STRATEGIC DIRECTION SUPPORTED: Conservation

FINANCIAL DATA: The native seed supply for the various projects was approved as part of the adopted FY 2020 and FY 2021 budgets. The estimated cost for seed supply was \$311,000.00. The cost of purchase and delivery of native seed for the various projects under the contract that would be approved by the attached resolution is \$277,503.87. The following accounts and funds will be charged for the various projects:

AMOUNT	FUND OR PROJECT ACCOUNT	ACCOUNT NUMBER
\$47,832.14	Habitat Restoration	11104100-803200-60004
\$22,916.19	Farm Management – Cover Crop	28644000-705100-62804
\$25,886.32	Grant Woods Climate Resiliency Grant	20104100-803200-60607
\$180,869.22	Grant Woods Restoration Donation	20104100-803200-60604

The bids under \$25,000.00 that do not require Committee and Board approval total \$9,084.19, and combined with the contracts that would be approved by the attached resolution, total \$286,588.06.

BACKGROUND: The District will be installing native seed in the fall of 2021 at multiple Forest Preserves as part of ongoing ecological restoration efforts. Additionally, a small amount of seed will be purchased to support in-house natural resource management projects and volunteer efforts following various habitat restoration efforts. Seed installation will occur across more than 501 acres.

The project was advertised on December 18, 2020 and bids from five bidders were received. A summary of the lowest bidders and the total of their low bids is listed below:

<u>LOWEST BIDDERS AT OR GREATER THAN \$25,000</u>	<u>TOTAL BID</u>
Shooting Star Native Seed; Spring Grove, MN	\$87,629.20
Cardno, Inc.; Walkerton, IN	\$68,831.68
Agrecol LLC; Evansville, WI	\$61,785.76
Genesis Nursery, Inc.; Tampico, IL	\$59,257.23

SUCCESSFUL BIDDER UNDER \$25,000.00

Applied Ecological Services, Inc.; Brodhead, WI	\$9,084.19
---	------------

Materials were bid on a unit price per species. For this project, staff has already awarded a contract to Applied Ecological Services for the total of its low bids, which is less than the Purchasing Policy threshold that requires Committee recommendation and Board approval (\$25,000.00).

Shooting Star Native Seed, Cardno, Agrecol, and Genesis Nursery each submitted total low bids greater than \$25,000.00, thus requiring Committee recommendation and Board approval of the contracts for those bids. Staff recommends that Shooting Star Native Seed, Cardno, Agrecol, and Genesis Nursery each be awarded a contract as the lowest responsible bidder for the species for which it was the low bidder. Work is anticipated to begin in fall 2021 and be completed by winter 2021/2022.
