**FROM:** Randall L. Seebach, Director  
Planning, Conservation and Development  
**SUBJECT:** Native Seed Purchase for the Schreiber Lake Habitat Restoration at Lakewood Forest Preserve

**Agenda Item#** 8.3

**RECOMMENDATION:** Recommend approval of a Resolution awarding Contracts for the Purchase of Native Seed for the Schreiber Lake Habitat Restoration at Lakewood Forest Preserve to Prairie Moon Nursery, Winona, Minnesota in the Contract Price of \$62,939.57; and to Shooting Star Native Seeds, Spring Grove, Minnesota in the Contract Price of \$36,374.28.

**BACKGROUND:** In October 2014, a contract was awarded for the removal of woody invasive species and thinning of select native species from a 38-acre portion of Lakewood Forest Preserve, near Schreiber Lake and the Winter Sports Area, as part of the continuing habitat restoration efforts initiated in 2008. The clearing project was intended to increase light levels to support oak regeneration, as well as the native shrub and ground-layer vegetation. This contract will provide native seed to be installed in the restored oak woodlands in the fall of 2015 after invasive species control and additional preparations are completed by District staff, contractors, and volunteers.

The project was advertised on December 5, 2015 and six (6) bids were received. Bidders were allowed to choose whether or not to bid on individual items and were advised that the District intends to award a contract to the lowest responsible bidder for each item.

Prairie Moon Nursery and Shooting Star Native Seeds were the lowest bidders on a number of items that resulted in total contract amounts greater than \$20,000 and, therefore, require Board approval. Four other vendors were the lowest bidders on other items, resulting in total contract amounts that are less than \$20,000 and, therefore, do not require Board approval. A summary of the six bidders that submitted lowest bids, and the totals of their bids, is listed below:

<u>BIDDER</u>	<u>TOTAL BID</u>
Prairie Moon Nursery, Winona, Minnesota	\$ 62,939.57
Shooting Star Native Seeds, Spring Grove, Minnesota	\$ 36,374.28
 <u>LOW BIDDERS UNDER \$20,000.00</u>	
Cardno JFNew	\$ 3,189.92
Spence Restoration Nursery	\$ 3,520.55
Taylor Creek Restoration Nursery	\$ 3,550.22
Ion Exchange	\$ 12,219.71

**REASON FOR RECOMMENDATION:** Committee recommendation and Board approval are required in accordance with District policy.

**REVIEW BY OTHERS:** Director of Operations and Public Safety, Director of Finance, Legal Counsel

**FINANCIAL DATA:** This project was approved as part of the adopted FY 2014/2015 Capital Improvement Plan for Lakewood Forest Preserve-Schreiber Bog in the amount of \$300,000.00. The four vendors with bids under \$20,000.00 that do not require Committee and Board approval total \$22,480.40 and, combined with these contracts, result in a grand total of \$121,794.25, which will be charged to account 35634100-803200-61005. This portion of the project was estimated at \$125,000.00.
