

**DATE:** April 7, 2022

**MEMO TO:** Julie Simpson, Chair  
Finance Committee

**FROM:** Steve Neaman  
Director of Finance

**RECOMMENDATION:** Recommend approval of an Ordinance amending the Fiscal Year 2022 Budget to reflect carryovers for projects budgeted but not completed in Fiscal Year 2021.

**STRATEGIC DIRECTION SUPPORTED:** Organizational Sustainability

**FINANCIAL DATA:** The items were approved projects from FY2021 and the accounts and amounts are detailed on the attached report.

**BACKGROUND:** The list of accounts and dollar amounts attached to the attached Ordinance identifies projects that were budgeted for and started in FY2021, but that were not completed by December 31, 2021. Under generally accepted accounting principles (GAAP), such projects should not be expensed in the year in which purchase orders were issued; instead, the next year's fiscal budget should be modified to include in that budget the unexpended balance of the budgeted item that is expected to be expended in that next fiscal year ("carryover expenses") and the corresponding revenue sources for the carryover expenses.

Each year, the District adopts an ordinance to amend the current year budget to add the carryover expenses from the prior year. Accordingly, this ordinance amends the FY2022 budget to add the carryover expenses from FY2021 in the total amount of \$22,220,773.42 and carryover revenues of \$5,665,849.83 for a net total of \$16,554,923.59.

Every fiscal year, consistent with the Downstate Forest Preserve District Act, the District uses language in its appropriations ordinance stating that sums of money appropriated for development of District lands that have not yet been expended, shall not lapse and money received for that purpose shall be held at least five years after its appropriation, to be used for the purpose for which it was appropriated. Therefore, there is no legal reason to amend the appropriations ordinance to re-approve such expenses.

**REVIEW BY OTHERS:** Executive Director, Chief Operations Officer, Corporate Counsel.

BUDGETED BUT NOT COMPLETED IN FISCAL YEAR 2021**

**WHEREAS**, specifically, for each Carryover Project there remains (i) an expense that was budgeted but unexpended from the 2021 Budget and/or a corresponding revenue source for that expense, (ii) is anticipated to be expended in Fiscal Year 2022, and (iii) is equal to the amount corresponding to such Carryover Project under the column entitled "Carry Over " in Exhibit A (the "Carryover Expenses and Revenues"); and

**WHEREAS**, is in the best interest of the District to amend the 2022 Budget to allow the District to use and expend the Carryover Expenses and Revenues to perform the Carryover Projects;
