MEMO TO: Jessica Vealitzek, Chair
Operations Committee

FROM: Pati Vitt
Director of Natural Resources

RECOMMENDATION: Recommend Approval of a Resolution Awarding Contracts for Native Seed Purchases for Multiple Preserves to Prairie Moon Nursery, in the Contract Price of \$52,230.17; Shooting Star Native Seeds, in the Contract Price of \$37,899.30; and Spence Restoration Nursery; in the Contract Price of \$35,767.04.

STRATEGIC DIRECTION SUPPORTED: Conservation

FINANCIAL DATA: The purchase and delivery of native seed for the projects described in the Background section below were approved as part of the adopted FY22 budget. The estimated cost for seed was \$228,000.00. The actual cost for the purchase and delivery of native seed for the various projects under the contracts that would be approved by the attached resolution is \$125,896.51. The following accounts and funds will be charged for the various projects:

AMOUNT	FUND OR PROJECT ACCOUNT	ACCOUNT NUMBER
\$10,317.55	Habitat Restoration	11104100-803200-60004
\$23,760.00	Prairie Wolf Chi Cal Grant	69644100-803200-62506

\$73,831.00	Grant Woods Donation	20104100-803200-60604
\$20,776.62	Greenbelt Capital Improvements	20104100-803200-60806
\$2,687.81	Ecological Land Management Contractual	27644000-704800

The bids under \$25,000.00 that do not require Committee and Board approval total \$56,838.15, and combined with the contracts that would be approved by the attached resolution, total \$182,734.66.

BACKGROUND: The District will install native seed purchased through the proposed contract in the fall of 2022 at Cahokia Flatwoods, Prairie Wolf, Kettle Grove, Lakewood, Grant Woods, and Greenbelt Forest Preserves as part of ongoing ecological restoration efforts. Additionally, a small

amount of seed will be purchased to support in-house natural resource management projects and volunteer efforts following various habitat restoration efforts. Seed installation will occur across more than 225 acres.

The project was advertised on January 26, 2022 and bids from seven bidders were received. A summary of the lowest bidders and totals of their low bids is listed below:

<u>BIDDERS WITH LOW BIDS TOTALING \$25,000 OR MORE</u>	<u>TOTAL LOW BIDS</u>
Prairie Moon Nursery; Winona, MN	\$52,230.17
Shooting Star Native Seeds; Spring Grove, MN	\$37,899.30
Spence Restoration Nursery; Muncie, IN	\$35,767.04
<u>SUCCESSFUL BIDDERS WITH LOW BIDS TOTALING UNDER \$25,000.00</u>	<u>TOTAL LOW BIDS</u>
Resource Environmental Solutions; Brodhead, WI	\$24,201.56
Genesis Nursery; Tampico, IL	\$21,387.95
Cardno; Walkerton, IN	\$6,044.00
Agrecol; Evansville, WI	\$5,204.64

Materials were bid on a unit price per species.

For this project, staff has already awarded contracts to Resource Environmental Solutions, Genesis Nursery, Cardno, and Agrecol. For each bidder, the contract price is the total of its low bids and in each case, the contract price is less than the Purchasing Policy threshold that requires Committee recommendation and Board approval (over \$25,000.00).

Prairie Moon Nursery, Shooting Star Native Seeds, and Spence Restoration Nursery each submitted total low bids greater than \$25,000.00, thus requiring Committee recommendation and Board approval of the resolution accepting those bids and approving their contracts. Staff recommends that Prairie Moon Nursery, Shooting Star Native Seeds, and Spence Restoration Nursery each be awarded a contract as the lowest responsible bidder for the species for which it was the low bidder. Work is anticipated to begin in fall 2022 and be completed by winter 2022/23.
