DATE: June 6, 2022

MEMO TO: Terry Wilke, Chair
Planning Committee

FROM: Randall L. Seebach
Director of Planning and Land Preservation

RECOMMENDATION: Recommend approval of a Resolution approving a Temporary Easement Agreement with the County of Lake (County) for Sanitary Sewer Improvements at Rollins Savanna Forest Preserve.

STRATEGIC DIRECTION SUPPORTED: None

FINANCIAL DATA: The County will pay a \$1,000.00 Easement Fee and \$10,800.00 in Tree Replacement Fees, as well as costs and expenses incurred by the District related to the Project, as required by the District's License and Easement Ordinance.

BACKGROUND: The County, through its Department of Public Works (LCDPW), is in the process of preparing pre-final design plans for the repair and replacement of existing sanitary sewer lines along and near Linden Avenue in Unincorporated Avon Township at and adjacent to Rollins Savanna Forest Preserve. Some sections of the sewer lines are in dire condition, and there is a chance portions could fail in the near future.

As part of the improvements, LCDPW is requesting a 1,340 SF temporary easement within which it will create a 15'x30' pit from which it will replace the existing sewer lines to the north. A 9" Shagbark Hickory tree and a 9" Black Walnut tree will be removed during LCDPW's project. However, at the District's request, LCDPW's contractor will protect a 28" Bur Oak located partially within the easement area through (i) selective root and branch pruning, as approved by District staff, (ii) boarding its trunk (i.e., tying boards with wire to the trunk, to protect it), and (iii) installing wood or plastic matting to serve as a bridge over the root system for added protection. In addition, LCDPW's contractor will protect a 14" Box Elder tree located just outside of the easement area by boarding its trunk.

REVIEW BY OTHERS: Executive Director, Chief Operations Officer, Director of Finance, Corporate Counsel.

**BOARD OF COMMISSIONERS
LAKE COUNTY FOREST PRESERVE DISTRICT
REGULAR JUNE MEETING
JUNE 14, 2022**

MISTER PRESIDENT AND MEMBERS OF THE BOARD OF COMMISSIONERS:

Your **PLANNING COMMITTEE** presents herewith “A Resolution Approving an Easement Agreement with the County of Lake for Sanitary Sewer improvements at Rollins Savanna Forest Preserve,” and requests its approval.

PLANNING COMMITTEE:

Date: _____ Roll Call Vote: Ayes:____ Nays:____
 Voice Vote Majority Ayes; Nays:____

**LAKE COUNTY FOREST PRESERVE DISTRICT
LAKE COUNTY, ILLINOIS**

**A RESOLUTION APPROVING AN EASEMENT AGREEMENT WITH
THE COUNTY OF LAKE FOR SANITARY SEWER IMPROVEMENTS
AT ROLLINS SAVANNA FOREST PRESERVE**

WHEREAS, the Lake County Forest Preserve District (the “District”) owns certain parcels of land within Rollins Savanna Forest Preserve (the “Property”) located north of Washington Street and west of Linden Avenue in Avon Township; and

WHEREAS, the County of Lake (the “County”) has proposed public sanitary sewer improvements along or near Linden Avenue and the Property (the “Project”); and

WHEREAS, the County, acting through its Department of Public Works (“LCDPW”), has requested that the District grant to the County a temporary easement within the Property for the repair and replacement of sanitary sewer lines, which are part of the Project and are public improvements (the “Easement”); and

WHEREAS, the District has adopted an Ordinance Regarding Licenses and Easements (the “License and Easement Ordinance”) which sets forth the general requirements for granting easements; and

WHEREAS, Section 6 of the Downstate Forest Preserve District Act, 70 ILCS 805/6, authorizes the District to grant easements under or across District property for the construction, operation, and maintenance of public services, including public sanitary sewer improvements; and

WHEREAS, the District staff has negotiated an easement agreement with LCDPW in the form attached hereto, pursuant to which the District will grant the Temporary Easement to the County and the County, among other obligations, will cause its contractor to undertake the tree protection measures outlined in such agreement (the “Temporary Easement Agreement”);

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of the Lake County Forest Preserve District, Lake County, Illinois **THAT**:

Section 1: Recitals. The recitals set forth above are incorporated as a part of this Resolution by this reference.

Section 2: Approval of Temporary Easement Agreement. The Temporary Easement Agreement is hereby approved in substantially the form attached hereto. The President and Secretary of the District are hereby authorized and directed to execute and attest to, on behalf of the District, the Temporary Easement Agreement in substantially the form attached hereto. In the event that any provision of the Easement Agreement conflicts with the License and Easement Ordinance, the conflicting provision of the License and Easement Ordinance is hereby waived.

Section 3: Effective Date. This Resolution shall be in full force and effect from and after its passage and approval in the manner provided by law.

PASSED this ____ day of _____, 2022

**TEMPORARY EASEMENT AGREEMENT
BY AND BETWEEN
LAKE COUNTY FOREST PRESERVE DISTRICT
AND
COUNTY OF LAKE**

This Temporary Easement Agreement (this “Agreement”) is dated and executed as of the ____ day of _____, 2022 (the “Effective Date”), and is by and between the LAKE COUNTY FOREST PRESERVE DISTRICT, a body politic and corporate organized and existing under the Downstate Forest Preserve District Act, 70 ILCS 805/0.001 et seq. (the “District”), and the COUNTY OF LAKE, a body politic and corporate, organized and existing under the Illinois Counties Code, 55 ILCS 5/1-1001, et seq. (the “County”). In consideration of the provisions below and other consideration, the receipt and sufficiency of which are hereby acknowledged, the District and the County (collectively, the “Parties”) agree as follows:

1. **BACKGROUND.** The District holds fee simple title to property commonly known as Rollins Savanna Forest Preserve in Lake County, Illinois (the “Subject Property”). On approximately June 5, 1975, the District’s predecessor in title to a portion of the Subject Property granted a permanent easement to the County within the Subject Property pursuant to a “Utility Easement” recorded with the office of the Recorder of Lake County, Illinois as document number 1762073, allowing the County to install and maintain sanitary sewers (the “Existing Sewer”) within the easement premises legally described therein (the “Permanent Easement Premises”). The condition of the Existing Sewer line necessitates its repair and/or replacement (the “Project”). To perform the Project, the County must install, operate, and maintain a temporary pipe bursting pit (the “Facilities”) within an area of the Subject Property that is approximately 1,340 square feet in area, is located directly south of and adjacent to the Permanent Easement Premises, and is more particularly described on Exhibit A and generally depicted on Exhibit B (the “Temporary Easement Area”). The County has requested that the District grant to the County a temporary construction easement within the Temporary Easement Area so that the County can install, operate, and maintain the Facilities.

2. **GRANT OF EASEMENT.** The District hereby grants to the County a non-exclusive temporary

easement in, on, over and under the Temporary Easement Area for the sole purpose of allowing the County to install, maintain, operate, and replace the Facilities (the “Easement”) in accordance with the construction and restoration plans attached to this Agreement as Exhibit C (the “Plans”). The County shall use the Easement in compliance with this Agreement and all applicable laws (the “Requirements of Law”).

3. **TERM OF EASEMENT.** The term of the Easement shall commence on the Effective Date and terminate on the earlier of (i) completion of the Project and Restoration Work (defined in Section 5) and (ii) 18 months after the Effective Date.

4. **MONETARY FEE; TREE COMPENSATION FEE**

A. **Monetary Fee.** Within seven (7) days after the Effective Date, the County shall pay the District a one-time monetary fee of \$1,000.00 for the Easement (“Monetary Fee”). The County shall also reimburse the District, promptly upon written notice thereof, for all costs and expenses incurred by the District related to the Project or this Agreement, including without limitation costs related to legal fees, expenses, inspection expenses, and the value of time spent by staff related to the Project (“District-Incurred Costs”). The County acknowledges that such costs and expenses may be incurred by the District throughout the term of the Easement.

B. **Tree Compensation Fee.** Within seven (7) days after the Effective Date, the County shall pay the District a one-time tree replacement fee of \$10,800.00 for the value of trees, shrubs, and plants that will be removed, damaged, or impacted as a result of the Project (the “Tree Compensation Fee”). The County shall pay the Tree Compensation Fee in addition to, and such payment will not diminish, its obligation to comply with the Tree Protection requirements of Section 4.D.

4. **MAINTENANCE AND USE OF TEMPORARY EASEMENT AREA.**

A. **Temporary Easement Area.** The County must maintain the Temporary Easement Area in a safe, good, and clean condition without hazard to public use. Additionally, the County must comply with all Requirements of Law that prohibit, restrict, or regulate any hazardous materials.

B. **District Property.** In addition to the County’s obligations to complete the Restoration Work pursuant to the Plans as provided in Section 5, if the County’s use of the Easement results in any damage to the Temporary Easement Area or any other property owned by the District that is not contemplated in the Plans, the County must repair such damage and restore the property to its condition prior to such damage to the satisfaction of the District’s Executive Director. If the County fails to commence such repair and restoration with due diligence, within 30 days after the District gives the County notice thereof, then the District shall have the right, but not the obligation, to cause the affected property to be repaired and restored and to recover from the County all costs incurred by the District to cause the affected property to be repaired or restored.

C. **Abatement of Dangerous Condition.** If the Facilities or any acts or omissions by or through the County threaten the public’s health or safety, (i) the County shall take all necessary action to abate the dangerous condition and (ii) if the County fails to undertake such abatement with due diligence, within 48 hours after the District gives the County notice thereof, the District shall have the right, but not the obligation, to take all necessary action to abate the dangerous condition, including restricting access near or installing barriers around the dangerous condition, and the County shall reimburse the District for all costs incurred by the District in the performance of such abatement.

D. **Tree Protection.** Without limiting the County’s obligations to install, maintain, and operate the Facilities, and to use the Temporary Easement Area, only in accordance with the Plans, the County, at

no cost to the District, shall (i) comply with the tree protection provisions in the Plans, including Sheet 5 of the Plans, (ii) with respect to the 28-inch Bur Oak tree depicted on Sheet 5 of the Plans, prune its branches only as approved in advance by the District, (iii) with respect to the 14-inch Box Elder tree depicted outside the Temporary Easement Area on Sheet 5 of the Plans, not prune its branches, and (iv) with respect to each such tree, board its trunk and tie the boards together to the trunk with wire to protect it from damage, in a manner approved in advance by the District.

5. **RESTORATION AND VACATION**. Upon termination or abandonment of the Easement for any reason, the County shall, at no cost to the District, (i) remove the Facilities from the Temporary Easement Area, (ii) restore the Temporary Easement Area in accordance with the Plans (the “Restoration Work”), and (iii) thereafter, vacate the Temporary Easement Area. If the County fails to remove the Facilities or complete the Restoration Work in accordance with the Plans, the District shall have the right, but not the obligation, to perform and complete the removal and Restoration Work, and to charge the County for all costs and expenses, including legal and administrative costs, incurred by the District for such work.

6. **RESERVATION OF RIGHTS**. The District reserves its right to: (i) use the Temporary Easement Area for any public use, in any manner that will not unreasonably prevent, impede, or interfere with the County’s use of the Temporary Easement Area and (ii) grant other non-exclusive licenses or easements within the Temporary Easement Area that do not unreasonably prevent, impede, or interfere with the County’s use of the Temporary Easement Area. The County will maintain the Facilities so that they do not unreasonably interfere with the District’s use and occupancy of the Temporary Easement Area.

7. **NO ASSESSMENTS AND LIENS**. The County represents and warrants that it will: (i) not assess or impose, or allow to be assessed or imposed, against the Temporary Easement Area or the Subject Property any special assessment, special service area tax, recapture fee, or similar assessment, tax, or fee (an “Assessment”), (ii) indemnify the District from any Assessment that is imposed, (iii) take all necessary action to keep the Temporary Easement Area free and clear of all liens, claims, and demands, including without limitation mechanic’s liens, in connection with the Facilities, and (iv) cause, at the County’s sole cost and expense, (a) any lien that is filed against the Temporary Easement Area in connection with the Facilities to be discharged and released, and (b) evidence of this discharge and release to be recorded against the Temporary Easement Area, all within 30 days after the date of filing of the lien.

8. **SECURITY**. If the County fails to comply with its obligations in Sections 4, 5, or 7, then the District may require the County to deposit with the District security in the form of cash or a certified or cashier’s check made payable to the District, in an amount determined by the District, as a guarantee that the County shall comply in the future with such obligations, including any required restoration and repair of any damage to the Temporary Easement Area or any other property owned by the District. Refund of such funds shall be in the manner prescribed by the District’s “Ordinance Regarding Licenses and Easements for Public Services” approved July 15, 2014, and as may be amended (the “License and Easement Ordinance”).

9. **INDEMNITY**. The County assumes sole and complete responsibility for any personal injury, including death and damage to property, that may arise directly or indirectly from the use of the Temporary Easement Area by the County, its officers, board members, employees, agents, representatives, and contractors. The County shall indemnify, hold harmless, defend, and release the District, its commissioners, officers, agents, representatives, and employees from and against any alleged loss, claim, damage, and expense (including, without limitation, attorneys’ fees and litigation costs) that may be alleged or asserted against any of those parties in connection with (i) the Facilities, the Easement, or the use of the Temporary Easement Area by the County or its officers, board members, employees, agents, representatives, or contractors or (ii) the County’s performance of, or failure to perform, its obligations under this Agreement (collectively, the “Indemnified Claims”), whether or not any such performance or failure to perform is

alleged to result from the County's breach of this Agreement, negligence, willful misconduct, or any other standard of conduct; however, this indemnity will not apply to the extent any Indemnified Claims are caused by the willful misconduct or gross negligence of the District.

10. INSURANCE. The County shall, and shall cause all of its contractors who perform any portion of the Project (each, a "Contractor") to, at no cost or expense to the District, procure and maintain insurance policies, coverages, and limits that the District determines, in its sole judgment, are sufficient to protect the District, the Temporary Easement Area, the Subject Property, and any other property owned by the District from the Indemnified Claims and all other actions by the County pursuant to this Agreement. The County will cause the District to be named as an additional insured on, and will provide to the District certificates of insurance acceptable to the District evidencing, the insurance required by this Section 10. Notwithstanding anything to the contrary in this Agreement, the County shall have the right to self-insure all risks required by this Agreement.

11. INTENTIONALLY OMITTED.

12. REVOCATION OF EASEMENT; REVERTER.

A. Revocation. If the County breaches any term or provision of this Agreement, and the County fails to cure such breach within the time provided for in this Agreement, or if no time is provided for in this Agreement, within a reasonable time, the District, in addition to any other remedy it may have, may: (i) terminate this Agreement, (ii) revoke the Easement, (iii) record with the office of the Recorder of Lake County, Illinois, a certified copy of a document revoking the Easement, and (iv) pursue any of the remedies set forth in this Agreement or otherwise available to the District at law or in equity.

B. Reverter. If the County ceases to use the Easement for the purposes set forth in Sections 1 and 2 of this Agreement for a period of eight months or more, the County will be deemed to have abandoned the Easement and all of the County's rights in the Temporary Easement Area shall revert to the District, and the District may prepare and record with the office of the Recorder of Lake County, Illinois, a certified copy of a document memorializing such abandonment.

13. COVENANTS RUNNING WITH THE LAND. The Easement shall be recorded against the Temporary Easement Area and, during the Term, the rights granted in this Agreement, the restrictions imposed by this Agreement, and the agreements and covenants contained in this Agreement shall run with the land and be binding upon and inure to the benefit of the District and the County and their respective mortgagees, lessees, heirs, executors, administrators, successors, assigns, agents, licensees, invitees, and representatives, including, without limitation, all subsequent owners of the Temporary Easement Area, or any portion thereof, and all persons claiming under them. Upon expiration of the Term or abandonment, reverter, or termination of the Easement, either party may record against the Temporary Easement Area a memorandum reciting such abandonment, reverter, or termination.

14. NOTICES. All notices required or permitted to be given under this Agreement shall be in writing and shall be delivered: (i) personally, (ii) by a reputable overnight courier, or by (iii) by certified mail, return receipt requested, and deposited in the U.S. Mail, postage prepaid. Unless otherwise expressly provided in this Agreement, notices shall be deemed received upon the earlier of: (i) actual receipt, (ii) one business day after deposit with an overnight courier, as evidenced by a receipt of deposit, or (iii) four business days following deposit in the U.S. mail, as evidenced by a return receipt. By notice complying with the requirements of this Section 14, each Party shall have the right to change the address or the addressee, or both, for all future notices and communications to the other Party, but no notice of a change of addressee or address shall be effective until actually received.

15. GENERAL PROVISIONS.

A. Entire Agreement. This Agreement is the entire agreement between the Parties and supersedes all of their prior agreements and negotiations, written or oral, relating to the subject matter of this Agreement.

B. Governing Law. This Agreement is governed by the internal laws, but not the conflict of laws rules, of the State of Illinois.

C. No Waiver. Any act or omission by the District that may constitute a waiver of one or more its rights under this Agreement shall not constitute or be deemed to be a waiver of any other right that the District has or may have in the future under this Agreement.

D. Authority. Each person signing this Agreement hereby states and covenants that he or she has read, and understands, this Agreement, that he or she has the authority to execute this Agreement on behalf of the Party whom he or she represents, and that such Party intends to be legally bound by the provisions of this Agreement.

THE PLANS

GENERAL NOTES

- ALL CONSTRUCTION SHALL BE PERFORMED ACCORDING TO THE ILLINOIS DEPARTMENT OF TRANSPORTATION "STANDARD SPECIFICATIONS FOR ROAD AND BRIDGE CONSTRUCTION" LATEST EDITION, THE "STANDARD SPECIFICATIONS AND RECURRING SPECIAL CONSTRUCTIONS" LATEST EDITION, THE DETAILS IN THESE PLANS, AND CONTRACT DOCUMENTS. ALL APPLICABLE REQUIREMENTS OF THE ILLINOIS DEPARTMENT OF TRANSPORTATION, THE IEPA AND ORDINANCES OF AUTHORITIES HAVING JURISDICTION AND ALL ADDENDA THERETO.
- EASEMENTS FOR THE EXISTING UTILITIES, BOTH PUBLIC AND PRIVATE, AND UTILITIES WITHIN PUBLIC RIGHTS-OF-WAY ARE SHOWN ON THE PLANS ACCORDING TO AVAILABLE RECORDS. THE CONTRACTOR SHALL BE RESPONSIBLE FOR DETERMINING THE EXACT LOCATION IN THE FIELD OF THESE UTILITY LINES AND THEIR PROTECTION FROM DAMAGE DUE TO CONSTRUCTION OPERATIONS. IF EXISTING UTILITY LINES OF ANY NATURE ARE ENCOUNTERED WHICH CONFLICT WITH NEW CONSTRUCTION, THE CONTRACTOR SHALL NOTIFY THE ENGINEER IMMEDIATELY SO THAT THE CONTRACTOR'S FAILURE TO PROVIDE THE ABOVE WILL PRECLUDE ANY POSSIBLE ADDED COMPENSATION REQUESTED DUE TO DELAYS OR UNSUITABLE MATERIALS CREATED AS A RESULT THEREOF.
- WHENEVER, DURING CONSTRUCTION OPERATIONS, ANY LOOSE MATERIAL IS DEPOSITED IN THE FLOW LINE OF GUTTERS, DRAINS, STRUCTURES, DITCHES, ETC, SUCH THAT THE NATURAL FLOW LINE OF WATER IS OBSTRUCTED, THE LOOSE MATERIAL WILL BE REMOVED AT THE CLOSE OF EACH WORK DAY. AT CONCLUSION OF CONSTRUCTION OPERATIONS, ALL DRAINAGE STRUCTURES AND FLOW LINES SHALL BE FREE FROM DIRT AND DEBRIS. THIS WORK SHALL BE CONSIDERED INCLUDED IN THE CONTRACT. THE CONTRACTOR SHALL NOTIFY THE OWNER, ENGINEER, THE MUNICIPALITY AND THEIR AGENTS, FROM ALL LIABILITY INVOLVED IN CONSTRUCTION, INSTALLATION AND TESTING OF THE WORK ON THIS PROJECT.
- THE CONTRACTOR SHALL VERIFY ALL DIMENSIONS AND EXISTING CONDITIONS AFFECTING THEIR WORK WITH THE ACTUAL CONDITIONS AT THE JOB SITE PRIOR TO ORDERING MATERIALS. IN ADDITION, THE CONTRACTOR MUST VERIFY THE LINE AND GRADES, IF THERE ARE ANY DISCREPANCIES FROM WHAT IS SHOWN ON THE CONSTRUCTION PLANS, STANDARD SPECIFICATIONS AND/OR SPECIAL DETAILS, THE CONTRACTOR SHALL SUCCEED WRITTEN INSTRUCTION FROM THE ENGINEER PRIOR TO PROCEEDING WITH ANY PART OF THE WORK. AFFECTION BY OMISSION OR DISCREPANCIES FAILING TO SECURE SUCH INSTRUCTION, THE CONTRACTOR WILL BE CONSIDERED TO HAVE PROCEEDED AT THEIR OWN RISK AND EXPENSE AND NO ADDITIONAL COMPENSATION WILL BE PROVIDED FOR ANY COSTS INCURRED.
- WHERE SECTION OR SUBSECTION MONUMENTS ARE ENCOUNTERED, THE ENGINEER SHALL BE NOTIFIED BEFORE THE MONUMENTS ARE REMOVED. THE CONTRACTOR SHALL CAREFULLY PRESERVE ALL PROPERTY MARKS AND MONUMENTS UNTIL THE OWNER, AUTHORIZED SURVEYOR OR AGENT HAS WITNESSED OR OTHERWISE REFERENCED THEIR LOCATION.
- THE CONTRACTOR SHALL NOTIFY THE ENGINEER AT LEAST 72 HOURS PRIOR TO BEGINNING WORK.
- IF DURING CONSTRUCTION THE CONTRACTOR ENCOUNTERS OR OTHERWISE BECOMES AWARE OF ANY SEWERS OR UNDERDRAINS OTHER THAN THOSE SHOWN ON THE PLANS, THE CONTRACTOR SHALL INFORM THE ENGINEER, WHO SHALL DIRECT THE WORK NECESSARY TO MAINTAIN OR REPLACE THE FACILITIES IN SERVICE AND TO PROTECT THEM FROM DAMAGE DURING CONSTRUCTION IF MAINTAINED. EXISTING FACILITIES TO BE MAINTAINED THAT ARE DAMAGED BECAUSE OF NON-COMPLIANCE WITH THIS PROVISION SHALL BE REPLACED AT THE CONTRACTOR'S OWN EXPENSE.
- THE CONTRACTOR SHALL PROVIDE TEMPORARY TOILET FACILITIES AND HAND SANITIZING STATIONS FOR THE USE OF ALL THE CONTRACTOR'S PERSONNEL EMPLOYED ON THE WORK SITE. THE FACILITIES SHALL BE MAINTAINED IN PROPER SANITARY CONDITION THROUGHOUT THE PROJECT. THE LOCATION OF THE TEMPORARY FACILITIES SHALL BE APPROVED BY THE ENGINEER.
- THE CONTRACTOR IS RESPONSIBLE FOR COMPLYING WITH THE NPDES PERMIT AND SWPPP MANUAL. IF NO NPDES PERMIT OR SWPPP MANUAL IS NEEDED FOR THE PROJECT THE CONTRACTOR SHALL PERFORM SOIL EROSION AND SEDIMENT CONTROL BEST PRACTICES OR AS DIRECTED BY THE OWNER TO PREVENT ILLICIT DISCHARGES FROM THE SITE.
- ALL SANITARY SEWER SHALL BE TESTED IN ACCORDANCE WITH THE STANDARD SPECIFICATIONS FOR WATER AND SEWER CONSTRUCTION IN ILLINOIS. A RIGID SANITARY SEWER PIPE SHALL BE TESTED BY EITHER METHOD A OR C AS OUTLINED IN SECTION 31-112. ALL FLEXIBLE SANITARY SEWER PIPE SHALL BE TESTED BY METHOD D AND EITHER METHOD A OR C. ALL SANITARY SEWER MUST BE TESTED BY METHOD E. THE CONTRACTOR SHALL PROVIDE THE ENGINEER A COPY OF THE VIDEO ON A DIGITAL VIDEO DISC. THE VIDEO MUST BE IN COLOR AND PROCEEDED NO FASTER THAN 1 FOOT PER SECOND.

PROJECT SPECIFIC NOTES

- ALL WORK PERFORMED UNDER THIS CONTRACT SHALL BE GUARANTEED BY THE CONTRACTOR AND HIS SURVEY FOR A PERIOD OF 12 MONTHS FROM THE DATE OF SUBSTANTIAL COMPLETION OF THE WORK BY THE OWNER AGAINST ALL DEFECTS IN MATERIALS AND WORKMANSHIP OF WHATEVER NATURE.
- ALL CONSTRUCTION WILL BE INSPECTED BY THE OWNER'S REPRESENTATIVE. ALL WORK SHALL CONFORM TO THE REQUIREMENTS OF THE COUNTY AS WELL AS THE STANDARD SPECIFICATIONS.
- CONTRACTOR SHALL NOTIFY THE LAKE COUNTY DEPARTMENT OF PUBLIC WORKS (847-377-7145), VILLAGE OF THIRD LAKE (847-223-8422), AVON TOWNSHIP HIGHWAY DEPARTMENT (847-545-7480), AND THE PROJECT ENGINEER (847-478-9700) AT LEAST 72 HOURS PRIOR TO BEGINNING ANY WORK ON THIS PROJECT.
- THE CONTRACTOR SHALL INDEMNIFY THE OWNER, ENGINEER, THE MUNICIPALITY AND THEIR AGENTS, FROM ALL LIABILITY INVOLVED IN CONSTRUCTION, INSTALLATION AND TESTING OF THE WORK ON THIS PROJECT.
- THE CONTRACTOR MUST CARRY INSURANCE IN ACCORDANCE WITH THE SPECIAL PROVISIONS. ALL OFFICIALS, EMPLOYEES AND AGENTS OF GEWALT HAMILTON ASSOCIATES, AVON TOWNSHIP HIGHWAY DEPARTMENT, VILLAGE OF THIRD LAKE, AND LAKE COUNTY FOREST PRESERVE DISTRICT MUST BE LISTED AS ADDITIONAL INSURED.
- ALL ELEVATIONS ARE ON NAVD 88 VERTICAL DATUM.
- THE CONTRACTOR SHALL BE RESPONSIBLE FOR THE INSTALLATION AND MAINTENANCE OF ALL TRAFFIC CONTROL TO ADEQUATELY INFORM AND PROTECT THE PUBLIC OF ALL CONSTRUCTION OPERATIONS.
- STOCKPILING MATERIAL WITHIN THE 100 YEAR FLOOD PLAIN AND OR THE FLOODWAY IS STRICTLY PROHIBITED. STOCKPILING MATERIAL WITHIN CFP PROPERTY IS STRICTLY PROHIBITED WITHOUT PRIOR APPROVAL.
- ALL STONE USED ON THE PROJECT SHALL BE CRUSHED UNLESS SPECIFICALLY NOTED OTHERWISE.
- ALL CONCRETE SHALL HAVE A LIGHT BROOM FINISH APPLIED WITHIN 1 HOUR OF FINAL STRIKING.
- ALL PAVEMENT SUBGRADE SHALL BE COMPACTED TO 95% MODIFIED PROCTOR DENSITY (ASTM D-1557). ALL SUBGRADE IN LAWN AREAS SHALL BE COMPACTED TO 90% MODIFIED PROCTOR DENSITY (ASTM D-1557). ALL TOPSOIL AND SUBGRADE 6' BELOW TOPSOIL DENSITY (ASTM D-698).
- SHALL COMPLY WITH REQUIREMENTS OF ARTICLE 108105.
- UNDERGROUND WORK SHALL INCLUDE TRENCHING, DISPOSAL OF EXCESS MATERIAL, DEWATERING, INSTALLATION OF PIPE, CASTINGS, STRUCTURES, BACKFILLING OF TRENCHES AND COMPACTION, AND TESTING AS SHOWN ON THE CONSTRUCTION PLANS, FITTINGS, AND ACCESSORIES NECESSARY TO COMPLETE THE WORK. MAY NOT BE SPECIFIED BUT SHALL BE CONSIDERED AS INCLUDED TO THE COST OF THE CONTRACT. ALL SEWER SHALL BE INSTALLED USING A LASER AND BEGIN AT THE DOWNSTREAM END.
- MACHINE CORE ALL CONNECTIONS TO EXISTING STRUCTURES USING A CORE DRILL. HAMMERING OR SAWING OF STRUCTURES WILL NOT BE ALLOWED.
- ALL CONNECTIONS TO EXISTING OR DISSIMILAR STORM/SANITARY LINES SHALL BE DONE WITH STAINLESS STEEL NON-SHEAR COUPLINGS.
- ALL CONNECTIONS TO EXISTING SANITARY MANHOLES SHALL BE INSTALLED WITH A NEOPRENE BOOT SECURED WITH DOUBLE STAINLESS STEEL STRAPS MEETING THE REQUIREMENTS OF ASTM C-923.

UTILITY NOTES

1. UNDERGROUND WORK SHALL INCLUDE TRENCHING, DISPOSAL OF EXCESS MATERIAL, DEWATERING, INSTALLATION OF PIPE, CASTINGS, STRUCTURES, BACKFILLING OF TRENCHES AND COMPACTION, AND TESTING AS SHOWN ON THE CONSTRUCTION PLANS, FITTINGS, AND ACCESSORIES NECESSARY TO COMPLETE THE WORK. MAY NOT BE SPECIFIED BUT SHALL BE CONSIDERED AS INCLUDED TO THE COST OF THE CONTRACT. ALL SEWER SHALL BE INSTALLED USING A LASER AND BEGIN AT THE DOWNSTREAM END.
2. MACHINE CORE ALL CONNECTIONS TO EXISTING STRUCTURES USING A CORE DRILL. HAMMERING OR SAWING OF STRUCTURES WILL NOT BE ALLOWED.
3. ALL CONNECTIONS TO EXISTING OR DISSIMILAR STORM/SANITARY LINES SHALL BE DONE WITH STAINLESS STEEL NON-SHEAR COUPLINGS.
4. ALL CONNECTIONS TO EXISTING SANITARY MANHOLES SHALL BE INSTALLED WITH A NEOPRENE BOOT SECURED WITH DOUBLE STAINLESS STEEL STRAPS MEETING THE REQUIREMENTS OF ASTM C-923.

LAKE COUNTY STORMWATER MANAGEMENT COMMISSION SOIL EROSION AND SEDIMENT CONTROL CONSTRUCTION NOTE

LAKE COUNTY STORMWATER MANAGEMENT COMMISSION SOIL EROSION AND SEDIMENT CONTROL CONSTRUCTION NOTES

EROSION CONTROL NOTES

- A. SEDIMENT CONTROL MEASURES SHALL BE INSTALLED PRIOR TO THE COMMENCEMENT OF HYDROLOGIC DISTURBANCE OF UPLAND AREAS.
 - B. FOR THOSE DEVELOPMENTS THAT REQUIRE A DESIGNATED EROSION CONTROL INSPECTOR (DECI), INSPECTIONS AND DOCUMENTATION SHALL BE PERFORMED, AT A MINIMUM:

UPON COMPLETION OF SEDIMENT AND RUNOFF CONTROL MEASURES (INCLUDING PERIMETER CONTROLS AND DIVERSIONS), PRIOR TO PROCEEDING WITH ANY OTHER EARTH DISTURBANCE OR GRADING

STORMWATER MANAGEMENT COMMISSION

TYPIICAL CONSTRUCTION SEQUENCING

-) Installation of soil erosion and sediment control SE/SC measures
 - a.) Selective vegetation removal for silt fence installation
 - b.) Silt fence installation
 - c.) Construction fencing around areas not to be disturbed
 - d.) Stabilized construction entrance
 -) Tree removal where necessary (clear & grub)
 -) Construct sediment trapping devices (sediment traps, basins...)
 -) Construct detention facilities and outlet control structure with rest temporary perforated riser
 -) Strip topsoil, stockpile topsoil and grade site
 -) Temporarily stabilize topsoil stockpiles (seed and silt fence around)
 -) Install storm sewer, sanitary sewer, water and associated inlet & outlet
 -) Permanently stabilize detention basins with seed and erosion control structures
 -) Temporarily stabilize all areas including lots that have reached term
 - .) Install roadways
 - .) Permanently stabilize all outlet areas
 - .) Install structures and grade individual lots
 - .) Permanently stabilize lots
 - .) Remove all temporary SE/SC measures after the site is stabilized
 - .) Soil erosion and sediment control maintenance must occur every t after every $\frac{1}{2}$ or greater rainfall event

- K. IF DEWATERING SERVICES ARE USED, ADJOINING PROPERTIES AND DISCHARGE LOCATIONS SHALL BE PROTECTED FROM EROSION AND SEDIMENTATION. DISCHARGES SHALL BE ROUTED THROUGH AN APPROVED ANIONIC POLYMER DEWATERING SYSTEM OR A SIMILAR MEASURE AS APPROVED BY THE ENFORCEMENT OFFICER. DEWATERING SYSTEMS SHOULD BE INSPECTED DAILY DURING OPERATIONAL PERIODS. THE ENFORCEMENT OFFICER, OR APPROVED REPRESENTATIVE, MUST BE PRESENT AT THE COMMENCEMENT OF DEWATERING ACTIVITIES.
 - L. IF INSTALLED SOIL EROSION AND SEDIMENT CONTROL MEASURES DO NOT MINIMIZE SEDIMENT LEAVING THE DEVELOPMENT SITE ADDITIONAL MEASURES SUCH AS ANIONIC

LAKE COUNTY PUBLIC WORKS NOTES FOR SANITARY SEWER IMPROVEMENTS

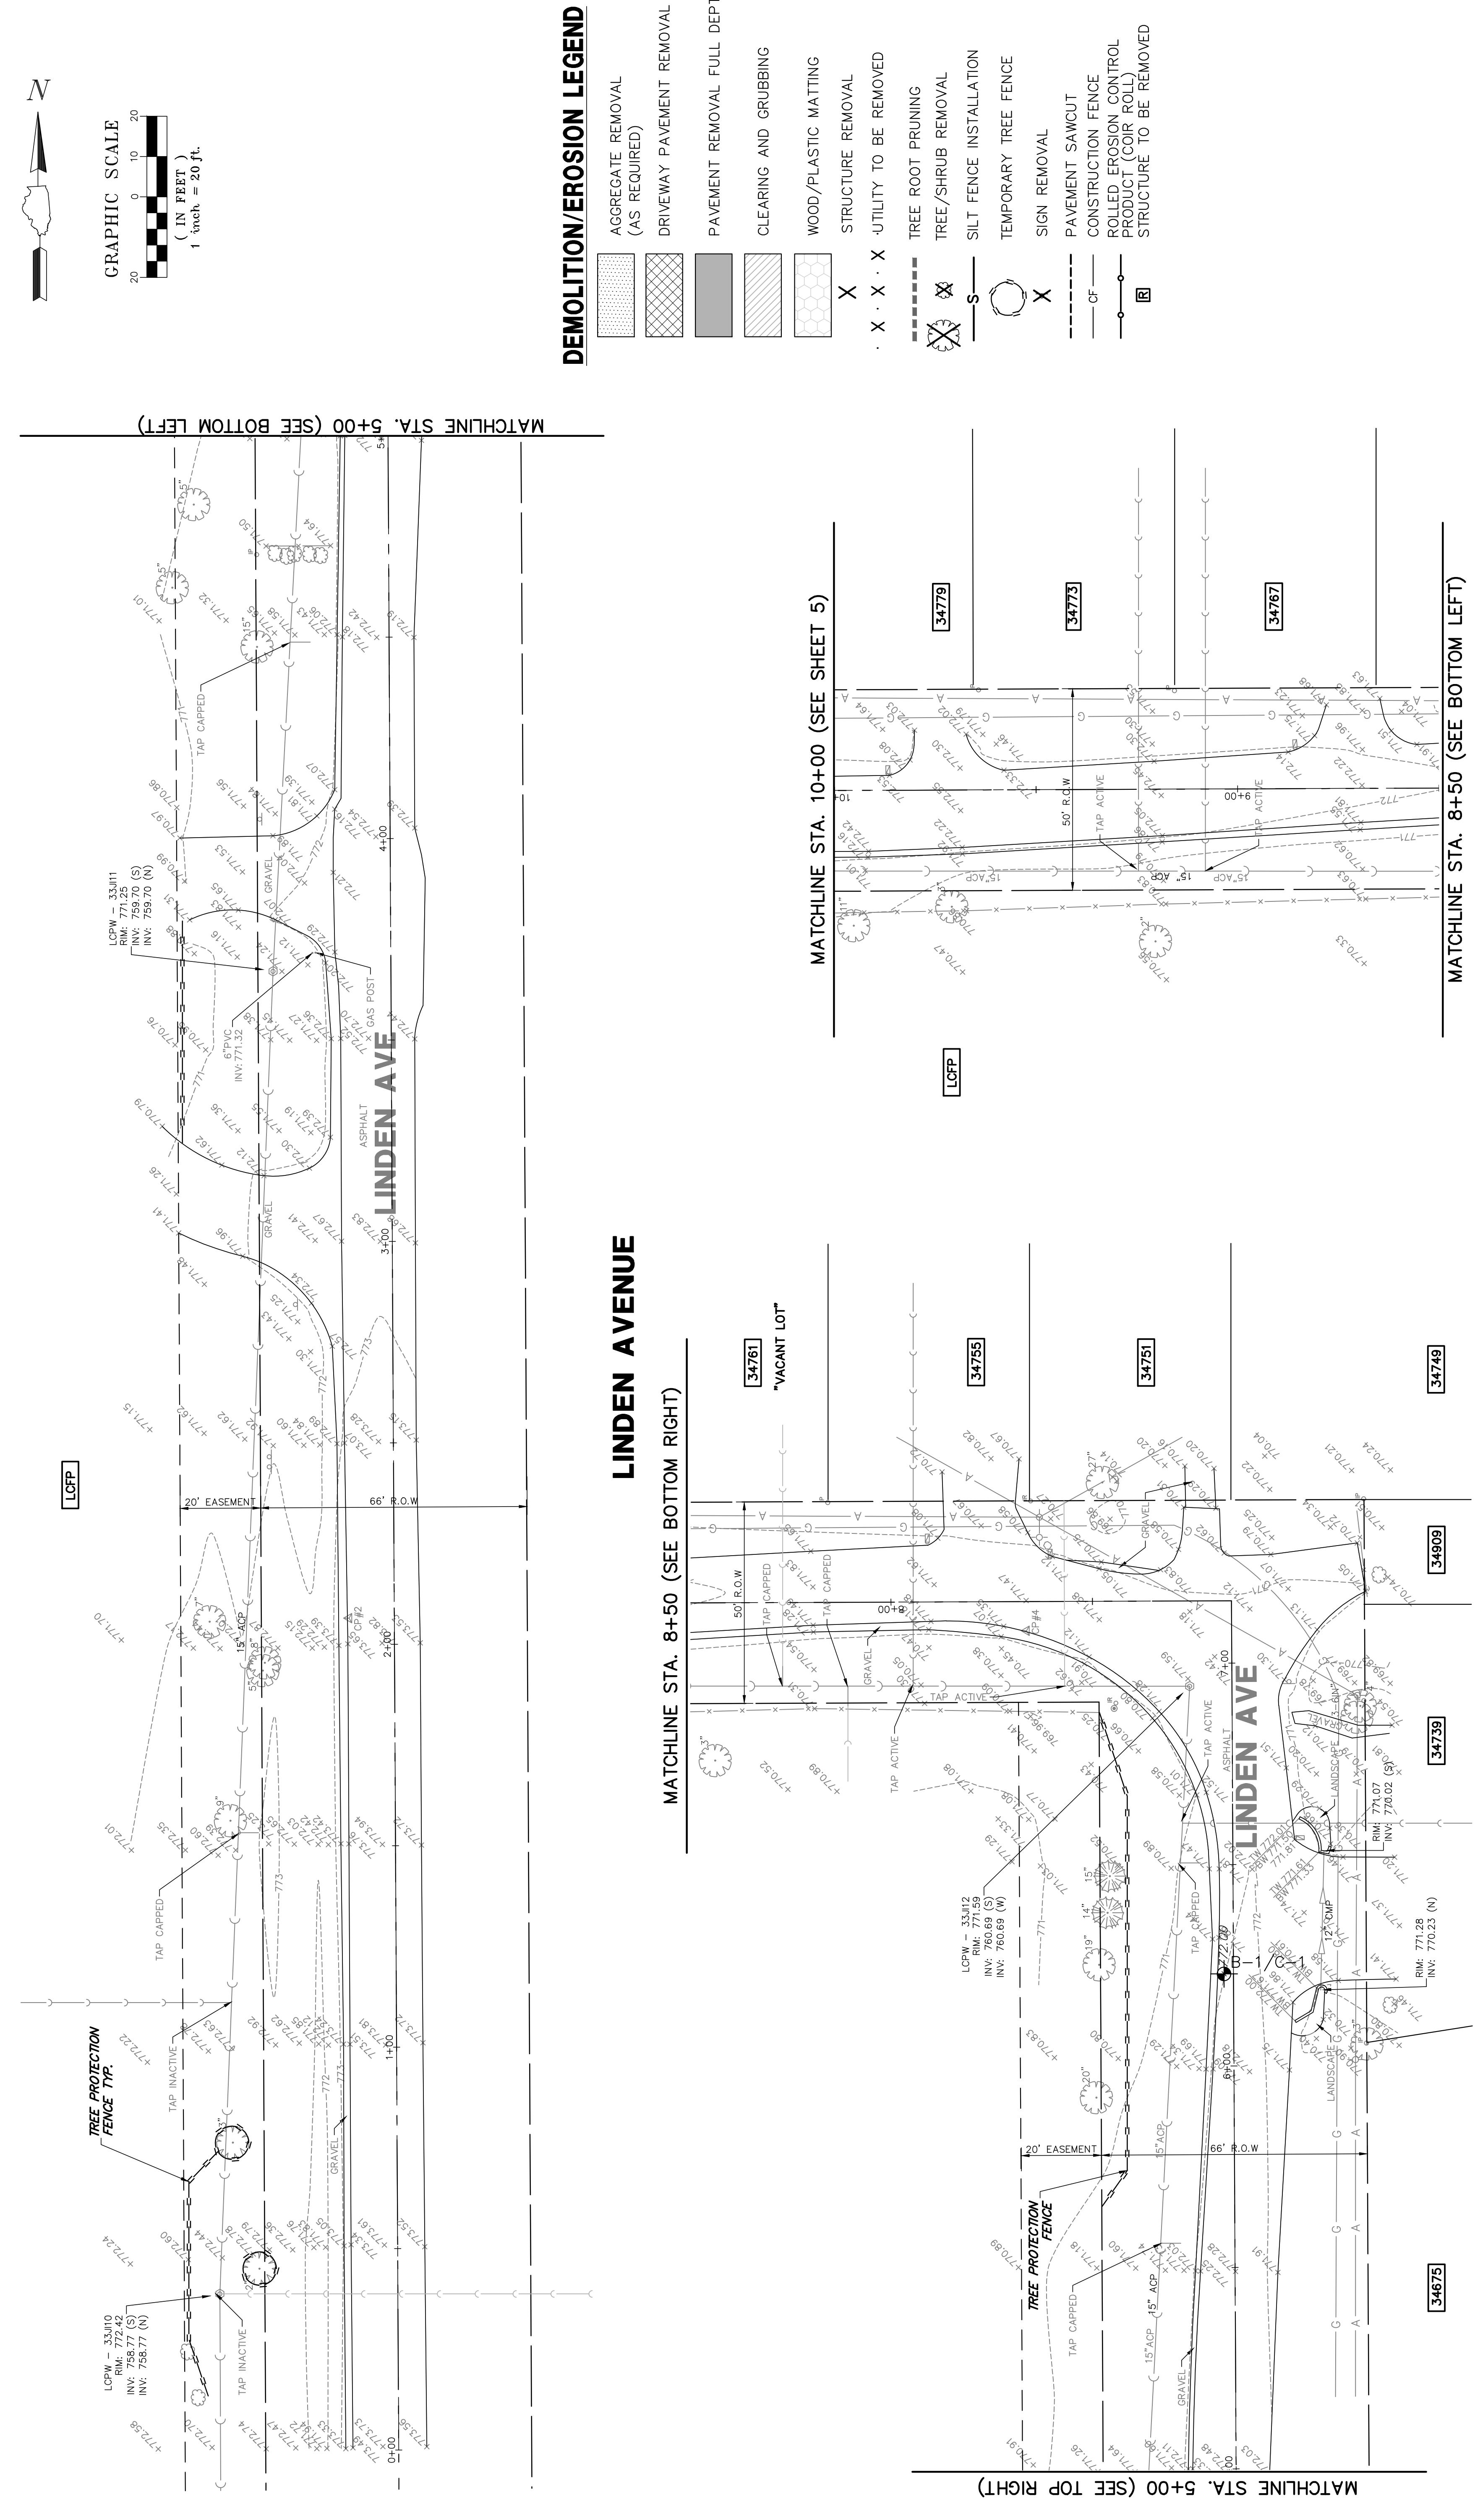

- GENERAL

 1. ALL SEWER AND WATER MAINS SHALL BE CONSTRUCTED IN ACCORDANCE WITH THE STANDARD SPECIFICATIONS AND CONSTRUCTION DETAILS AND ORDINANCES OF LAKE COUNTY PUBLIC WORKS (LCPW), ILLINOIS RECOMMENDED STANDARDS FOR SEWAGE WORKS, LATEST EDITION AND THE STANDARD SPECIFICATIONS FOR SEWER AND WATER CONSTRUCTION IN ILLINOIS, LATEST EDITION, AND THE STANDARD SPECIFICATIONS FOR ROAD AND BRIDGE CONSTRUCTION IN ILLINOIS, LATEST EDITION.
 2. CONTRACTOR SHALL NOTIFY LCPW AT LEAST TWO (2) WORKING DAYS (48 HOURS) PRIOR TO THE START OF WATER AND/OR SEWER CONSTRUCTION AT 847-377-7145.
 3. LCPW SHALL BE GRANTED ACCESS TO ALL PARTS OF THE CONSTRUCTION SITE AND SHALL HAVE THE AUTHORITY TO INSPECT, APPROVE, AND/OR REJECT ALL WATER MAIN, WATER SERVICE, SANITARY SEWER AND SANITARY SERVICE IMPROVEMENTS.
 4. ALL SANITARY SEWER AND WATER MAIN SHALL BE INSPECTED AND APPROVED BY LCPW PRIOR TO BACKFILL.

- SEDIMENT LEAVING THE DEVELOPMENT SITE, ADDITIONAL MEASURES SUCH AS ANIONIC POLYMERS OR FILTRATION SYSTEMS MAY BE REQUIRED BY THE ENFORCEMENT OFFICE

 - M. ALL TEMPORARY AND PERMANENT EROSION CONTROL MEASURES MUST BE MAINTAINED AND REPAIRED AS NEEDED. THE PROPERTY OWNER SHALL BE ULTIMATELY RESPONSIBLE FOR MAINTENANCE AND REPAIR.
 - N. ALL TEMPORARY SEDIMENT CONTROL MEASURES SHALL BE REMOVED WITHIN 30 DAYS AFTER FINAL SITE STABILIZATION IS ACHIEVED OR AFTER THE TEMPORARY MEASURES ARE NO LONGER NEEDED.
 - O. THE EROSION CONTROL MEASURES INDICATED ON THE PLANS ARE THE MINIMUM REQUIREMENTS. ADDITIONAL MEASURES MAY BE REQUIRED, AS DIRECTED BY THE ENGINEER ENFORCEMENT OFFICER OR OTHER GOVERNING AGENCY

Sediment Containment Filter Bag Installation Detail															
NOTES:															
1. EXISTING TREES TO BE PROTECTED SHALL HAVE SNOW FENCE INSTALLED AT THE SURFACE OF EXCAVATED PITS OR DITCHES. SNOW FENCE IS TO PREVENT CONSTRUCTION MATERIALS UNDER THE TREE, AND PROHIBIT VEHICULAR TRAFFIC OR EXCESSIVE FOOT TRAFFIC WITHIN THE Drip Line.															
2. SNOW FENCE SHALL BE WEBBED HOPE FENCE, COLORED ORANGE AND SUPPORT STAKES SHALL BE AS SHOWN IN FIGURE. SNOW FENCE IS TO BE REQUIRED TO MANTAIN THE FENCE IN AN UPRIGHT POSITION THROUGHOUT THE TERM OF CONSTRUCTION. CONFORMANCE WITH STANDARDS OF THE HIGHWAY.								3. SEDIMENT CAPTURED BY THE SNOW FENCE MUST BE PROPERLY DISPOSED OF.							
4. FABRIC TYPE MAY NEED TO BE CHANGED BASED ON SEDIMENT TYPES. CONTEES THAT MAY BE DAMAGED BY REPAIRED OR REPLACED IN A MANNER ACCEPTABLE TO THE VILLAGE.								5. STAKES THAT MAY BE DAMAGED BY REPAIRED OR REPLACED IN A MANNER ACCEPTABLE TO THE VILLAGE.

Tree Protection Fencing Detail															
NOTES:															
1. PREPARE SOIL BEFORE INSTALLING ROLLED EROSION CONTROL PRODUCTS (RECP'S).															
2. BEGIN AT THE TOP OF THE CHANNEL BY ANCHORING THE RECP'S IN A 6" (15 CM) EXTENDED AT THE TOP OF THE TRENCH, WITH APPROXIMATELY 12" (30 CM) OF RECP'S EXTENDED UP THE TRENCH. ANCHOR THE RECP'S WITH A ROW OF STAPLES/STAKES APPROXIMATELY 12" (30 CM) APART IN THE BOTTOM OF THE TRENCH, BACKFILL AND COMPACT THE TRENCH, AFTER STAPLING, APPLY SEED TO COMPACTED SOIL AND REMAINING 12" (30 CM) PORTION OF RECP'S BACK OVER SEED AND COMPACTED SOIL, SECURE RECP'S OVER STAPLES SPACED APPROXIMATELY 12" (30 CM) ACROSS THE WIDTH OF THE RECP'S.															
3. ROLL CENTER RECP'S AT TOP OF SIDE SLOPES, AT TOP OF CHANNEL RECP'S SECURELY FASTENED TO SOIL SURFACE BY PLACING STAPLES/STAKES IN APPROPRIATE LOCATIONS/STAKES SHOULD BE PLACED THROUGH EACH OF THE COLORDED DOTS CORRESPONDING TO THE APPROPRIATE STAPLE/STAKE PATTERN.															
4. PLACE CONSECUTIVE RECP'S END OVER END (SHINGLE STYLE) WITH A 4"-6" (10 CM-15 CM) OVERLAP, USE A DOUBLE ROW OF STAPLES STAGED 4" (10 CM) APART AND 4" (10 CM) ON CENTER TO SECURE RECP'S.															
5. FULL LENGTH EDGE OF RECP'S MUST BE ANCHORED WITH A 6" (15 CM) WIDE TRENCH, BACKFILL AND COMPACT THE TRENCH AFTER STAPLING.															
6. ADJACENT RECP'S MUST BE OVERLAPPED APPROXIMATELY 2"-5" (5 CM-12.5 CM) AND STAPLED.															
7. IN HIGH FLOW CHANNEL APPLICATIONS, A STAPLE CHECK SLOT IS RECOMMENDED AT 30 TO 40 FOOT (.9-1.2 M) INTERVALS, USE A DOUBLE ROW OF STAPLES STAGED 4" (10 CM) APART AND 4" (10 CM) ON CENTER OVER THE WIDTH OF THE CHANNEL.															
8. THE TERMINAL END OF THE RECP'S MUST BE ANCHORED WITH A ROW OF STAPLES/STAKES APPROXIMATELY 2" (30 CM) APART IN A 6" (15 CM) X 6" (15 CM) WIDE TRENCH, BACKFILL AND COMPACT THE TRENCH AFTER STAPLING.															
NOTE:															
* IN LOOSE SOIL CONDITIONS, THE USE OF STAPLE OR STAKE LENGTHS GREATER THAN 6" (12 CM) MAY BE NECESSARY TO PROPERLY ANCHOR THE RECP'S.															
3.15.2016															
CHA GEWALT HAMILTON ASSOCIATES, INC.															
Erosion Control Blanket Slope Installation															
NOTES:															
1. PREPARE SOIL BEFORE INSTALLING ROLLED EROSION CONTROL LIME, FERTILIZER, AND SEED.															
2. BEGIN AT THE TOP OF THE SLOPE BY ANCHORING THE RECP'S IN A 6" (15 CM) WIDE TRENCH WITH APPROXIMATELY 12" (30 CM) APART IN THE BOTTOM OF THE TRENCH, BACKFILL AND COMPACT THE TRENCH, AFTER STAPLING, APPLY SEED TO COMPACTED SOIL AND FOLD REMAINING 12" (30 CM) PORTION OF RECP'S BACK OVER SOIL, WITH A ROW OF STAPLES/STAKES SPACED APPROXIMATELY 12" (30 CM) APART ACROSS THE WIDTH OF THE RECP'S.															
3. ROLL THE RECP'S (A), DOTTED OR (B), HORIZONTAL, WITH APPROPRIATE STAPLES/STAKES SPACED APPROXIMATELY 12" (30 CM) AGAINST SOIL SURFACE, ALL RECP'S MUST BE SECURELY FASTENED TO SOIL SURFACE BY PLACING STAPLES/STAKES IN THE LOCATION AS SHOWN IN THE STAPLE PATTERN GUIDE, WHEN USING THE DOT SYSTEM, STAPLES/STAKES SHOULD BE PLACED THROUGH EACH OF THE COLORDED DOTS CORRESPONDING TO THE APPROPRIATE STAPLE PATTERN.															
4. THE EDGES OF PARALLEL RECP'S MUST BE STAPLED WITH APPROPRIATELY 2"-5" (5 CM - 12.5 CM) OVERLAP DEPENDING ON RECP'S TYPE.															
5. CONSECUTIVE RECP'S SPLICED DOWN THE SLOPE, MUST BE PLACED END OVER END (SHINGLE STYLE) WITH AN APPROXIMATELY 3"-5" (7.5-12.5 CM) OVERLAP, STAPLE THROUGH OVERLAPPED AREA, WHEN USING THE DOT SYSTEM, STAPLES/STAKES SHOULD BE PLACED THROUGH EACH OF THE COLORDED DOTS CORRESPONDING TO THE APPROPRIATE STAPLE PATTERN.															
NOTE:															
* IN LOOSE SOIL CONDITIONS, THE USE OF STAPLE OR STAKE LENGTHS GREATER THAN 6" (15 CM) MAY BE NECESSARY TO PROPERLY SECURE THE RECP'S.
