MEMO TO: Jessica Vealitzek, Chair

FROM: John E. Nelson
Director of Operations and Infrastructure

RECOMMENDATION: Recommend Approval of a Resolution Awarding a Contract to Altorfer Industries, Inc. for the purchase of one Asphalt Paver in the amount of \$174,380.80.

STRATEGIC DIRECTIONS SUPPORTED: Organizational Sustainability; Public Access and Connections

FINANCIAL DATA: The new Asphalt Paver will replace equipment Unit 245. This replacement was approved as part of the adopted Equipment Replacement Fund budget (92104100-804000) in the amount of \$116,000.00. The total actual cost of the equipment to be purchased will be \$174,380.80. The significant discrepancy is due primarily to three factors: the piece being replaced will have been held and used for six years beyond its planned life expectancy and prices have escalated during that time period (~23%); increases due to more stringent emissions requirements (~3%); and price increases in the past two years due to supply chain issues and sharp hikes in the price of steel and fuel used to manufacture the equipment (~18%). Recent auction results have yielded higher than expected sale prices for replaced equipment, so there is the potential that more revenue than expected will accrue to the Equipment Replacement Fund. Any additional amount of funding needed will come from the Equipment Replacement Fund and the annual user charge will be recalculated based on the actual total purchase price.

BACKGROUND: In accordance with the District's equipment replacement guidelines, staff determined previously that equipment Unit 245, a 2002 Gilcrest ProPave Model 813 Paver, is due for replacement. Staff investigated options for new pavers, demonstrated and priced two brands of paver equipment, and is recommending that a new 2022 Weiler P265 be purchased. The desired replacement piece would be purchased through a Sourcewell contract, pursuant to the Illinois Governmental Joint Purchasing Act. Sourcewell (formerly known as The National Joint Powers Alliance) is an intergovernmental purchasing cooperative and unit of local government created by the Minnesota legislature (Minn. Const. art. XII, sec. 3).

The new paver is expected to be in service for fifteen (15) years per the District's equipment replacement guidelines.

On April 18, Eric Jerome Dickey fans can get all their questions answered as the USA TODAY Network sits down with the author to discuss his new book, Finding Gideon (Dutton). #BookmarkThis is a series of live video chats with best-selling authors. Finding Gideon (on sale April 18) marks the return of one of Dickey's most popular characters, the mysterious and sexy hit man

Gideon. Fans have waited since 2009 — the year Resurrecting Midnight was published — for Gideon's comeback.

GIDEON HAS THAT KILLER INSTINCT

In the new novel, readers find Gideon in Buenos Aires battling the international mercenaries known as the Four Horsemen of the Apocalypse, one of whom may be his long-lost and violent father.

Dickey, who lives in California, has written more than 20 books starring African-American characters, from erotica to mysteries, including 2016's The Blackbirds, about the friendship of four

women. The Blackbirds will be reissued in paperback the same day Finding Gideon is published.
