Agenda Item # 9.4

RECOMMENDATION: Recommend Approval of a Resolution Awarding a Contract for Pavement Crack Sealing and Patching at Multiple Forest Preserves to Patriot Maintenance, Inc. in an amount not to exceed \$201,300.00.

STRATEGIC DIRECTION SUPPORTED: Public Access & Connections

FINANCIAL DATA: The adopted FY2023 Capital Improvement Plan (CIP) includes funding to Repair Existing Roads/Parking with a total available budget in the amount of \$2,773,092.00. The contract work that would be performed under the attached resolution was included within the CIP and the budget at an estimated cost of \$200,000.00. The actual amount of \$201,300.00 will be charged to 20104100-803200-60009.

BACKGROUND: The District uses asphalt pavement for roads, parking lots, and trails in various areas. When the asphalt pavement deteriorates, it can be repaired by removing and replacing the failed sections (patching) or by crack sealing. Staff assessed paved areas District-wide and determined that pavement patching and crack sealing is recommended at several preserves including: Buffalo Creek, Cuba Marsh, Ethel’s Woods, Fort Sheridan, Fox River, Grassy Lake, Half Day, Hastings Lake, Independence Grove, Lakewood, Marl Flat, McDonald Woods, Pine Dunes, Ray Lake, Rollins Savanna, Sedge Meadow, Singing Hills, Van Patten and Waukegan Savanna (Project).

The Project was advertised on July 13, 2023 and bids from three (3) bidders were received and opened on July 28, 2023. In the request for bids, each bidder was asked for a “base bid” on each of the three components comprising the work: A1 Crack Sealing, A2 Roadway and Parking Lot Patching and A3 Paved Trail Patching. The totals of the base bids from each bidder are as follows:

| <u>BIDDER</u> | <u>TOTAL BID</u> |
|--------------------------------------|-------------------------|
| Patriot Maintenance, Inc. | \$201,300.00 |
| Chicagoland Paving Contractors, Inc. | \$210,000.00 |
| Maneval Construction Company, Inc. | \$335,040.00 |

Staff recommends that the District enter into a single contract with one bidder for all components of the Work. Therefore, Staff recommends that Patriot Maintenance, Inc., be awarded the contract as the lowest responsible bidder on the total of all three base bids. The work is expected to occur in the fall of 2023.

REVIEW BY OTHERS: Director of Finance, Purchasing Manager, Manager of Board Operations, Corporate Counsel.
