MEMO TO: Paras Parekh, Chair
Planning Committee

FROM: Randall L. Seebach
Director of Planning and Land Preservation

RECOMMENDATION: Recommend approval of a Resolution approving a Recreational Lease with Commonwealth Edison (ComEd) at Lake Carina Forest Preserve.

STRATEGIC DIRECTIONS SUPPORTED: Public Access and Connections; Organizational Sustainability.

FINANCIAL DATA: The lease calls for a nominal rent of \$1.00.

BACKGROUND: On March 17, 2009 the Board of Commissioners approved a recreational lease agreement with ComEd for a 10-year lease term allowing the District to operate and maintain a multi-use public trail on ComEd's right-of-way (ROW).

The original lease has expired. The lease that would be approved by the attached resolution would replace the original lease and provide the District the continued legal right to use ComEd's ROW for the operation and maintenance of the trail. The initial term of the lease would be ten years with an option for the District to renew the lease for one additional ten-year term. This leased property includes two short segments of the Des Plaines River Trail, one of which is just north of Grand Avenue and east of Kilbourne Road, and the other is south of Grand Avenue and east of Milwaukee Avenue, both at Lake Carina Forest Preserve.

Upon approval by the District, the lease will be provided to ComEd for execution. ComEd requires the District to execute the lease first.

REVIEW BY OTHERS: Executive Director, Chief Operations Officer, Director of Finance, Manager Board Operations and Corporate Counsel.

RECREATIONAL LEASE

THIS RECREATIONAL LEASE (the “**Lease**”) is made as of January 1, 2024 by and between COMMONWEALTH EDISON COMPANY, an Illinois corporation (“**Landlord**”) and the LAKE COUNTY FOREST PRESERVE DISTRICT (“**Tenant**”) a municipal corporation (hereinafter referred to as “**Tenant**”) whose address is 1899 West Winchester Road, Libertyville, IL 60073

WHEREAS, Landlord is the owner of various parcels of land on or adjacent to the former rights-of-way of Lake County and more fully described on Exhibit A (“**Landlord’s Property**”).

NOW THEREFORE, Landlord, for and in consideration of the payment of Rent (as hereinafter defined) by Tenant, and of the covenants, conditions and agreements of Tenant hereinafter set forth, does hereby lease and demise to the Tenant (without warranty of title), and Tenant does hereby lease from Landlord, a portion of Landlord’s property located in Lake County, Illinois as shown on Exhibit A attached hereto and made a part hereof (the “**Leased Premises**”), for the purposes specified in Section 2 below.

1. TERM.

A. The term of this Lease (the “**Term**”) shall begin on January 1, 2024 (the “**Commencement Date**”) and shall terminate on December 31, 2033 unless sooner terminated as provided herein.

B. Subject to the terms and provisions of this Lease, Landlord hereby grants to Tenant one (1) option to renew this Lease on the same terms and conditions (each, a “**Renewal Option**”) for a renewal term of ten (10) years (each, a “**Renewal Term**”). If Tenant desires to exercise a Renewal Option, it shall notify Landlord in writing no earlier than one (1) year and not later than one hundred eighty (180) days prior to the then current expiration date of the Term (before the operation of the Renewal Option being exercised); and, once exercised, shall operate to extend the Term to end concurrently with the Renewal Term set by the Renewal Option so exercised.

C. Subject to Subsection 1.D. below, such notice shall only be effective if delivered at a time when Tenant is not in default hereunder and when to the knowledge of Tenant, no default, breach, unsatisfied condition or other event has occurred or circumstances exist that constitute or which, with the giving of

notice or the passage of time (including the passage of time during which a default has occurred and has not yet been cured during any applicable grace period) or both, would constitute such a default.

D. In addition to any other inspections of the Leased Premises that Landlord may conduct during the Term of this Lease, during the period between the exercise of a Renewal Option and the start of the associated Renewal Term, Landlord shall review the Leased Premises and determine whether Tenant is in compliance with the terms and conditions of the Lease. Landlord shall notify Tenant in writing if any deficiencies in the performance of Tenant's obligations under the Lease are discovered during such review and any actions needed to correct them. Unless otherwise agreed in writing by Landlord, Tenant shall correct any item on such notice prior to the start of the Renewal Term in question.

E. Prior to the beginning of any Renewal Term, the parties shall execute an amendment to this Lease to memorialize such Renewal Term. If Tenant does not exercise a Renewal Option, such Renewal Option and all subsequent remaining Renewal Options (if any) shall thereupon expire.

2. **PURPOSE.** The Leased Premises shall be used by Tenant solely for the purposes of a six hundred fifty (650) foot recreational trail for pedestrians and bicyclists ("**Tenant's Facilities**"), in compliance with all Legal Requirements (as defined in the next sentence) and the terms and provisions of this Lease, and for no other purposes (the "**Permitted Use**"). For purposes hereof, the term "**Legal Requirements**" shall mean all present and future laws, rules, orders, ordinances, regulations, statutes, requirements, codes (including the National Electrical Safety Code), executive orders, court orders, rules of common law, and any judicial interpretations thereof, extraordinary as well as ordinary, of all governmental authorities, and all rules, regulations and government orders with respect thereto, and of any applicable fire rating bureau, or other body exercising similar functions, affecting the Leased Premises or the maintenance, use or occupation thereof, or any street, sidewalk or other property comprising a part thereof, regardless of whether imposed by their terms upon Landlord or Tenant, or the use and occupancy thereof by Tenant. "Legal Requirements" shall include "Environmental Laws" as defined in Section 15, below. Tenant's use of the Leased Premises shall also be and remain subject to Landlord's superior right to use all or any portion of the Leased Premises for its business purposes, including the installation, use and maintenance of any transmission, distribution or communications improvements, fixtures, facilities, machinery, equipment and/or other property owned by Landlord and now or hereafter installed by Landlord on or near the Leased Premises ("**Landlord's Facilities**").

3. **RENT.**

A. **Base Rent.** Landlord acknowledges its receipt of the payment of "**Base Rent**", a one-time payment by Tenant in the amount of One and No/100 Dollars (\$1.00) and no other Base Rent shall be assessed during the term of this Lease.

B. **Rent.** For purposes of this Lease, the term "**Rent**" shall mean the Base Rent, together with all other amounts due and payable by Tenant to Landlord under this Lease.

C. **Payment of Rent.** All Rent due and payable by Tenant under this Lease shall be paid to the following address:

Commonwealth Edison Company
Real Estate Department, 4th Floor
Three Lincoln Center

Oakbrook Terrace, Illinois 60181
Attn: Lease Payment Department

or to such other place as Landlord may from time to time designate in writing. All payments due from Tenant hereunder which are not paid when due shall bear interest at a rate equal to ten percent (10%) per annum from the date due until paid (the “**Default Rate**”). Such interest shall be compounded monthly. In addition to, and not in lieu of, the foregoing (and any other rights and remedies to which Landlord is entitled under this Lease), in the event that any payment due from Tenant hereunder is not paid within five (5) business days of the date that the same is due, then a late fee in the amount of ten percent (10%) of the unpaid amount shall be due and payable by Tenant to Landlord. All Rent shall be paid by Tenant without notice or demand, and without any set-off, counterclaim, abatement or deduction whatsoever, in lawful money of the United States by bank check or wire transfer of immediately available funds. Tenant’s obligations to pay Rent are independent of each and every covenant contained in this Lease.

E. Net Lease. Except as otherwise provided in this Lease, the Rent herein shall be absolutely net to Landlord, so that this Lease shall yield, net to Landlord, the Rent in each year during the Term of this Lease and any renewals thereof, and that all costs, expenses and obligations of every kind and nature whatsoever, relating to the Leased Premises which may arise or become due during the Term of this Lease or any renewal or extension thereof, or as a result of Tenant’s use or occupancy of the Leased Premises, shall be paid by Tenant, and Tenant agrees to indemnify, defend (with counsel acceptable to Landlord) and hold harmless Landlord from all such costs, expenses and obligations.

4. TAXES. Tenant shall pay the following amounts as “Taxes” to Landlord in each case no later than thirty (30) days after Landlord’s written demand therefor:

A Tenant’s proportionate share of the land component of all real estate taxes for each tax parcel of which the Leased Premises is a part for all periods falling within the Term, which proportionate share shall be calculated as follows: (i) the total land component of each tax bill for each such real estate tax parcel which includes any portion of the Leased Premises, multiplied by (ii) a fraction, the numerator of which shall be the acreage of the portion of such tax parcel which falls within the Leased Premises, and the denominator of which shall be the total acreage of such tax parcel; plus

B All real estate taxes and other assessments which are allocable to any improvements, structures or fixtures constructed, installed, or placed by Tenant at the Leased Premises for all periods falling within the Term, plus

C Any increase in the real estate taxes and other assessments payable with respect to the Leased Premises (or any tax parcel of which the Leased Premises is a part) which is allocable to this Lease, Tenant’s use or occupancy of the Leased Premises, or any improvements, structures or fixtures constructed, installed or placed by Tenant at the Leased Premises (but without duplication of any amount payable pursuant to clause (B) above), for all periods falling within the Term; plus

D For purposes of this Lease, Taxes “for” or “with respect to” any particular period (or portion thereof) shall mean the Taxes which are payable during the calendar year in which any portion of such period falls, irrespective of the fact that such Taxes may have accrued with respect to a different period.

D Tenant hereby covenants and agrees that Tenant shall, no later than the Tax Exemption Date (as hereinafter defined), at Tenant’s sole cost and expense, execute and deliver all documents, instruments petitions and applications, and take all other actions which may be reasonably necessary and/or appropriate, in order to cause the Leased Premises to be exempted from the payment of real estate taxes, to the extent that it is possible without the transfer of any ownership or change in the property owner name in

the records of the applicable taxing jurisdiction, under applicable Legal Requirements. Concurrently with the delivery of any such documents, instruments, petitions and applications, Tenant shall furnish Landlord with copies thereof. In the event that Tenant is successful in obtaining any such real estate tax exemption for the Leased Premises, then Tenant shall thereafter cause such real estate tax exemption to be continued for each tax year (or portion thereof) during which this Lease is in effect (and Tenant shall execute such documents, instruments, petitions and applications, and take such other actions which may be reasonably necessary and/or appropriate, to cause such property tax exemption to be so continued). In the event that Tenant is unsuccessful in obtaining or continuing any such real estate tax exemption with respect to the Leased Premises, then Tenant shall thereafter use commercially reasonable efforts to continue to seek such exemption (or continuance thereof, as applicable) and shall, from time to time if Landlord so requests, take such actions as may be reasonably necessary to apply for such exemption (or continuation); provided however, in no event shall Tenant have any power or authority to change, alter or modify in any way, the tax parcel number, property owner name or mailing address of the Leased Premises in the records of the applicable taxing jurisdiction. For purposes hereof, the term "Tax Exemption Date" shall mean the date that is the earlier of: (i) sixty (60) days after the date of this Lease, or (ii) the deadline for submitting a real estate tax exemption petition or application for the real estate taxes for the year in which this Lease is executed and delivered. Notwithstanding anything contained in this paragraph, to the extent Tenant fails to obtain a tax exemption with respect to the Leased Premises for any reason, Tenant shall pay the Taxes as required above in this Section 4.

5. CONDITION. Tenant has examined the Leased Premises and knows its condition. Tenant hereby accepts the condition of the Leased Premises in its **AS-IS, WHERE-IS CONDITION, WITH ALL FAULTS**. No representations or warranties as to the condition, repair or compliance with Legal Requirements thereof, and no agreements to make any alterations, repairs or improvements in or about the Leased Premises have been made by or on behalf of Landlord. By accepting possession of the Leased Premises, Tenant shall be conclusively presumed to have accepted the condition thereof and to have unconditionally waived any and all claims whatsoever related to the condition of the Leased Premises.

6. MAINTENANCE; SERVICES AND UTILITIES.

A. Tenant agrees at its sole cost and expense, to keep and maintain **the Leased Premises together with the [adjacent] open grass way area (such open grass way area together with Tenant's Facilities being the "Specified Area")** in a clean, safe, neat, sanitary and sightly condition and repair, and commensurate with the conditions existing at the time this Lease is executed to Landlord's satisfaction at all times during the Term hereof. Without limiting the generality of the foregoing, Tenant shall (subject to the terms and provisions of this Lease and all at Tenant's sole cost and expense): (i) perform any and all necessary paving, grading, landscaping, cutting and mowing of grass and weeds (including all Canadian thistles and other noxious weeds and growths at the Leased Premises) and snow and ice removal, and (ii) promptly (and if Landlord provides written notice, no later than three (3) business days after receipt of such notice) remove all litter, garbage and graffiti from, and repair any vandalism (except for vandalism to Landlord's Facilities) to, the Specified Area or any nearby area, including, without limitation, any structure or bridge crossing used for Tenant's Facilities, on or near the Specified Area. Tenant's obligations under this Section 6 are solely those of Tenant and Landlord shall have no responsibility to undertake such obligations or to perform any action required of Tenant hereunder.

B. Landlord shall not be responsible for furnishing or providing any services or utilities to the Leased Premises (or any costs or expenses associated therewith), but rather, Tenant shall be responsible, at Tenant's sole cost and expense, for providing all such services and utilities. Landlord has made no representation, warranty or covenant of any kind regarding the availability (or future availability) of any such utilities and services, and no failure to provide or interruption of any such services or utilities or services shall give rise to any right or remedy in favor of Tenant under this Lease. Landlord may from time

to time, but shall have no obligation to, maintain the Leased Premises in accordance with its customary maintenance program then in effect and Tenant shall have no right to require Landlord to maintain the Leased Premises in any manner.

C. Tenant assumes all of the responsibilities normally identified with the ownership of the Leased Premises, including, but not limited to, responsibility for the condition of the Leased Premises, such as the operation, repair, replacement, maintenance and management of the Leased Premises, including, without limitation, repairs to all buildings, structures, fixtures, equipment and other property thereon; provided, that (except as expressly set forth below) in no event shall Tenant maintain, repair, gain access to or in any way use or operate any of Landlord's Facilities.

7. SURRENDER OF LEASED PREMISES; RESTORATION. Tenant agrees that upon termination of the Term of this Lease, whether by expiration or otherwise, Tenant will peaceably quit and surrender the Leased Premises to Landlord, and will, at its sole cost and expense, remove all Tenant's personal property, fixtures, structures and improvements, and will, at Landlord's sole and absolute discretion, restore and regrade the Leased Premises to substantially the same condition the Leased Premises were in on the date hereof (other than any improvements, installations and modifications made by Landlord). This Section shall survive the termination or expiration of the Lease.

8. COMPLIANCE WITH LAWS; WASTE; OTHER COVENANTS OF TENANT.

A. General. Tenant, at its sole expense, shall comply, and cause the Leased Premises to comply, with all Legal Requirements, Landlord's vegetation management practices and procedures and all of the requirements listed in Exhibits C-1 and C-2 attached to this Lease and made a part hereof. In addition, Tenant covenants and agrees that it will not commit waste, loss or damage to the Leased Premises or any other property of Landlord.

B. Change in Law. Tenant acknowledges that Landlord may incur costs as a result of the enactment of new Legal Requirements relating to the Leased Premises, and/or changes in Legal Requirements relating to the Leased Premises. Tenant agrees that any such costs incurred by Landlord for complying with such new or changed Legal Requirements and due in whole or in part to Tenant's use and/or occupancy of the Leased Premises shall be an expense recoverable by Landlord from Tenant. To the extent any such expense paid by Tenant to Landlord is subsequently recovered by or reimbursed to Landlord through insurance or recovery from responsible third parties or other action, Tenant shall be entitled to a proportionate share (as reasonably determined by Landlord) of such recovery or reimbursement.

C. Notice of Violations. Tenant shall immediately provide Landlord with written notice: (i) upon Tenant's obtaining knowledge of any potential or known violations of any Legal Requirements relating to the Leased Premises, and/or (ii) of Tenant's receipt of any notice, correspondence, demand or communication of any nature from any governmental authority related to the Leased Premises, including without limitation, any alleged or actual violation of any Legal Requirements or any request for additional information, rejection or confirmation regarding any application for exemption from real estate taxes.

D. Height and Other Limitations. No vehicles, equipment or anything else (including, but not limited to, any equipment attached to vehicles or equipment such as antennas, and/or any trees, shrubs or other plants or vegetation planted or installed per Exhibit E at the Leased Premises by Tenant) having a height which exceeds the maximum allowable height under OSHA's height standards in effect from time to time during the Term, shall be driven, moved or transported on the Leased Premises without Landlord's prior written consent. Tenant shall not allow any activity which could result in a wire to ground electrical

contact or damage to towers or poles; such as, flying kites, model airplanes, driving minibikes, go carts and snowmobiles. If Landlord so requests, Tenant will post signs prohibiting such activities.

9. ALTERATIONS.

A. Generally. Tenant shall not make any alterations, installations, improvements, additions or other physical changes (collectively, the “**Alterations**”) in or about the Leased Premises without Landlord’s prior written consent in each instance, which consent may be granted or denied by Landlord in its sole and absolute discretion. Any Alterations shall be performed: (i) by Tenant, at Tenant’s sole cost and expense (and Landlord shall have no duty or obligation with respect thereto), (ii) pursuant to plans and specifications approved in writing by Landlord (in Landlord’s sole discretion), (iii) by contractors and subcontractors approved in writing by Landlord (in Landlord’s sole discretion), (iv) in compliance with all Legal Requirements, and (v) in a good and workmanlike manner, free of all liens. Tenant shall, at Tenant’s sole cost and expense, obtain any and all permits and approvals necessary for the performance of any Alterations. During the performance of any Alterations, Tenant shall carry, and shall cause its contractors and subcontractors to carry, such insurance as Landlord shall, in its sole discretion, direct. Neither Tenant nor any of Tenant’s authorized agents shall, at any time prior to or during the Term, directly or indirectly, employ, or permit the employment of, any contractor, mechanic or laborer in the Leased Premises, or permit any materials to be delivered to or used in the Leased Premises, whether in connection with any Alteration or otherwise, if, in Landlord’s sole judgment, such employment, delivery or use will interfere or cause any conflict with other contractors, mechanics or laborers engaged in the construction, maintenance or operation of the Leased Premises (or any other property) by Landlord, Tenant or others, or the use and enjoyment of the Leased Premises by Landlord or other tenants or occupants of the Leased Premises. In the event of such interference or conflict, upon Landlord’s request, Tenant shall cause all contractors, mechanics or laborers causing such interference or conflict to leave the Leased Premises immediately. At the sole discretion of Landlord, any proposed Alterations shall be subject to a review fee, the amount of which will be determined by Landlord upon receipt of Tenant’s request for consent to such Alterations. Such fee shall be due and payable by Tenant within five (5) days from receipt of notice from Landlord of the amount of such review fee and Landlord shall not be required to consider Tenant’s request for Landlord’s consent to any Alterations until the review fee for such Alterations is paid.

B. Paving, Filling and Planting. Without limiting the generality of the terms and provisions of Subsection 9.A. above, Tenant acknowledges and confirms that any and all grading, leveling, adding or removing soil and/or paving of the Leased Premises (or any portion thereof), and any and all planting, seeding and similar activities shall constitute “**Alterations**” for purposes of this Lease, and shall be subject to each and all of the terms and provisions relating thereto. In any event, any and all debris from any Alterations of Tenant shall be promptly removed from the Leased Premises by Tenant. In the event that, in connection with Tenant’s Alterations, Tenant elects to fill any low spots on the Leased Premises, only clean fill (defined as not containing debris such as gravel, concrete, tree roots, brick or any contaminants) shall be used prior to the spreading of base fill underlying any paving. No paving or grading work (or similar work) of any kind will be undertaken within a ten (10) foot radius of any tower leg (or similar equipment, improvement or facility) of Landlord. Paving shall be well drained, firm and solid blacktop (or other substance approved in writing by Landlord), and shall be neat and clean in appearance. In addition, and not in lieu of the foregoing, any such grading, leveling, paving, filling and/or planting or seeding of the Leased Premises shall comply with the terms and provisions of Section 12 below and Landlord’s vegetation management practices and procedures. Tenant shall not cause or permit the existing ground grade on the Leased Premises to be increased or decreased without Landlord’s prior written consent.

C. Drainage. Tenant covenants and agrees that no Alterations made by Tenant pursuant to this Lease shall cause any surface water drainage problems for Landlord or any adjoining landowners. In

the event that any such water drainage problems are caused by Tenant's Alterations, Tenant shall correct such problems immediately at Tenant's sole cost and expense.

D. Fencing and Barriers. Tenant covenants and agrees that, in the event that Tenant installs (or is required (by Landlord or otherwise) to install) any fencing and/or gates in connection with Tenant's Alterations at the Leased Premises (or its use or occupancy of the Leased Premises), Tenant will install, maintain and operate such fences and/or gates in strict compliance with the requirements of Exhibits C-1 and C-2, attached hereto and made a part hereof, and any and all other fencing and locking rules, regulations and guidelines which Landlord may deliver to Tenant from time to time prior to or during the Term. Tenant also acknowledges and confirms that, in connection with Landlord's review and/or approval of the plans and specifications for Tenant's Alterations at the Leased Premises (as provided in Subsection 9.A. above), Landlord may require, prior to or at any time during the Term of this Lease, that barriers ("**Barriers**") be installed on the Leased Premises in order to protect Landlord's Facilities and/or other equipment, improvements and facilities of Landlord and other users and occupants of the Leased Premises. Any such Barriers shall be installed, at Landlord's sole option, either: (i) by Tenant, at Tenant's sole cost and expense, in a manner satisfactory to Landlord, or (ii) by Landlord, in which event Tenant shall pay to Landlord, prior to such installation, Landlord's reasonable estimate of the cost of such installation of the Barriers. Any barriers required to be installed hereunder shall be installed, maintained and operated by Tenant in strict compliance with the requirements of Exhibits C-1 and C-2, attached hereto, and any and all rules, regulations and guidelines regarding barriers which Landlord may deliver to Tenant from time to time prior to or during the Term.

E. Soil Removal. Tenant hereby agrees that it will not remove any soil from the Leased Premises without the prior written consent of Landlord. Any soil removed from the Leased Premises to which Landlord consents (as provided in the preceding sentence) shall become the property of Tenant and shall be: (i) transported and disposed of by Tenant (at its sole cost and expense) in a manner approved in writing by Landlord and in compliance with all Legal Requirements, and (ii) promptly replaced by Tenant at its sole cost and expense, with clean soil not contaminated with Hazardous Materials (as defined in Section 15 below).

F. Third Party Facilities. Tenant hereby acknowledges that the Leased Premises may be used from time to time to accommodate equipment and facilities of other persons and/or entities (including, without limitation, pipeline and utility companies) which are (or will be) located on, above or below the surface of the Leased Premises. Tenant agrees that it will contact any such persons and/or entities holding rights to use and/or occupy the Leased Premises, and provide the proper protection reasonably required by such persons or entities, in connection with Tenant's use and occupancy of the Leased Premises. Tenant further agrees to furnish Landlord copies of the correspondence between any such persons or entities and Tenant. Tenant agrees that this requirement shall apply to any installations currently located at the Leased Premises and any and all future installations within the Leased Premises.

G. Supervision. Landlord shall have the right (but not the obligation) to monitor and observe Tenant's performance of any Alterations at the Leased Premises (or any component thereof) and, in the event that Landlord so elects, Tenant shall reimburse Landlord for any and all costs of such monitoring and observation, together with a charge for Landlord's overhead, as determined by Landlord. In the event that Landlord elects to monitor or observe any such work, in no event shall Landlord be deemed to have approved or made any representation or warranty regarding the same.

H. Notification. In addition to and not in lieu of, Tenant's other obligations under this Section 9, Tenant also agrees to notify Landlord's Representative, at Telephone Number 866 340-2841, at least seventy-two (72) hours prior to the commencement of any Alterations at the Leased Premises.

10. INDEMNITY. To the maximum extent permitted under Legal Requirements, Tenant agrees to protect, indemnify, defend (with counsel acceptable to Landlord) and hold harmless Landlord and Exelon Corporation, a Pennsylvania corporation, and their respective parents, subsidiaries and affiliates, and their respective officers, directors, shareholders, employees, representatives, agents, contractors, licensees, lessees, guests, invitees, successors and assigns (collectively, the “**Indemnified Parties**”) from and against any and all losses, costs, damages, liabilities, expenses (including, without limitation, reasonable attorneys’ fees) and/or injuries (including, without limitation, damage to property and/or personal injuries) suffered or incurred by any of the Indemnified Parties (regardless of whether contingent, direct, consequential, liquidated or unliquidated) (collectively, “**Losses**”), and any and all claims, demands, suits and causes of action brought or raised against any of the Indemnified Parties (collectively, “**Claims**”), arising out of, resulting from, relating to or connected with: (i) any act or omission of Tenant or its officers, directors, shareholders, employees, representatives, agents, contractors, licensees, lessees, guests, invitees, successors and assigns (collectively, “**Tenant Group**”) at, on or about the Leased Premises, and/or (ii) any breach or violation of this Lease on the part of Tenant, and notwithstanding anything to the contrary in this Lease, such obligation to indemnify, defend and hold harmless the Indemnified Parties shall survive any termination or expiration of this Lease. This indemnification shall include, without limitation, claims made under any workman’s compensation law or under any plan for employee’s disability and death benefits (including, without limitation, claims and demands that may be asserted by employees, agents, contractors and subcontractors).

11. WAIVER. Any entry onto the Leased Premises by Tenant and, to the extent permitted by law, each and every member of the Tenant Group, shall be at such parties’ sole risk, and Landlord makes (and has heretofore made) no representations or warranties of any kind whatsoever regarding the Leased Premises or the condition of the Leased Premises (including, without limitation, the environmental condition thereof). To the fullest extent permitted by law, Tenant and each member of the Tenant Group hereby waives any and all claims, demands, suits and causes of action against the Indemnified Parties, and fully and forever releases the Indemnified Parties, for any loss, cost, damage, liability or expense (including, without limitation attorneys’ fees) suffered or incurred by Tenant or any member of the Tenant Group in connection with any entry onto the Leased Premises pursuant to this Lease. Without limiting the generality of the foregoing, in no event shall any of the Indemnified Parties be responsible or liable for any loss, damage, destruction, theft or misappropriation of any of the property of Tenant or any member of the Tenant Group. This Section will survive termination or expiration of the Lease.

12 DIGGING WORK. If Tenant performs any grading, leveling, digging or excavation work on the Leased Premises (which work shall be subject to Landlord’s prior written approval), Tenant will notify J.U.L.I.E. at telephone number (800) 892-0123, C.U.A.N. at (312) 744-7000 if the Leased Premises are located in the City of Chicago, or in the event the Leased Premises are located outside J.U.L.I.E.’s or C.U.A.N.’s jurisdiction, any other services required by the utilities in the jurisdiction, at least seventy-two (72) hours prior to the commencement of such work in order to locate all existing utility lines that may be present on the Leased Premises. If Tenant damages any such underground facilities in the course of its work, Tenant will promptly reimburse Landlord or the owner of such equipment or facilities for any and all expense incurred in repairing or replacing such damage.

13. CASUALTY. In the event of any damage to or destruction of the Leased Premises, by fire or other casualty, which materially and adversely affects Tenant’s use and enjoyment of the Leased Premises for the purposes specified in this Lease, then either Landlord or Tenant shall have the right, no later than ninety (90) days after such party becomes aware of such damage or destruction, to terminate this Lease upon sixty (60) days’ prior written notice to the other. In the event of any damage or destruction which is not so extensive, or in the event that Landlord and Tenant elect not to terminate this Lease pursuant to the preceding sentence, then this Lease shall continue in full force and effect, and Tenant will promptly and diligently, at its sole cost and expense, repair, restore, rebuild and replace the Leased Premises (and all

improvements, fixtures, equipment and property thereat) as nearly as possible to the condition they were in immediately prior to such damage or destruction. Any such work shall be done in a manner satisfactory to Landlord, and in accordance with all Legal Requirements and the terms and provisions of this Lease. Landlord shall not be liable or responsible for any loss or damage caused to any property of Tenant or any member of the Tenant Group (including, without limitation, any such loss or damage caused by fire, vandalism or other casualty) at any time during the Term hereof.

14. CONDEMNATION. If the Leased Premises, or a substantial part thereof, or a portion which prevents use of the Leased Premises for the purposes specified herein, shall be taken or condemned by any competent authority for any public use or purpose, the Term shall end on the date when the possession of the part so taken shall be required for such use or purpose, and without apportionment of any condemnation award or proceeds (it being understood that Landlord shall be entitled to the entire amount of any such award or proceeds, and Tenant shall have no right to share therein). Then current Rent shall be apportioned as of the date of such termination.

15. ENVIRONMENTAL PROTECTION.

A. General. Tenant covenants and agrees that Tenant shall conduct its operations on the Leased Premises in compliance with all applicable Environmental Laws (as hereinafter defined) and further covenants that neither Tenant nor any member of the Tenant Group shall use, bring upon, transport, store, keep or cause or allow the discharge, spill or release (or allow a threatened release) in each case of any Hazardous Materials (as hereinafter defined) in, on, under or from the Leased Premises. Without limiting any other indemnification obligations of Tenant contained herein, Tenant hereby agrees to protect, indemnify, defend (with counsel acceptable to Landlord) and hold harmless the Indemnified Parties from and against any and all Losses and Claims (including, without limitation, (i) reasonable attorneys' fees, (ii) liability to third parties for toxic torts and/or personal injury claims, (iii) fines, penalties and/or assessments levied or raised by any governmental authority or court, and (iv) assessment, remediation and mitigation costs and expenses and natural resource damage claims) arising out of, resulting from or connected with any Hazardous Materials used, brought upon, transported, stored, kept, discharged, spilled or released by Tenant, any member of the Tenant Group or any other person or entity (except for any person or entity which is an Indemnified Party) in, on, under or from the Leased Premises. For purposes of this Lease, the term "**Hazardous Materials**" shall mean all toxic or hazardous substances, materials or waste, petroleum or petroleum products, petroleum additives or constituents or any other waste, contaminant or pollutant regulated under or for which liability may be imposed by any Environmental Law. For purposes hereof, the term "**Environmental Laws**" shall mean all federal, provincial, state and local environmental laws, statutes, ordinances, regulations and other requirements (including common law) regulating or imposing standards of care with respect to the handling, storage, use, emitting, discharge, disposal or other release of Hazardous Materials, including, but not limited to, the Resource Conservation and Recovery Act of 1976, 42 U.S.C. §§ 6901 et seq., the Clean Air Act, 42 U.S.C. §§7401, et seq., the Federal Water Pollution Control Act, 33 U.S.C. §§1251, et seq., the Emergency Planning and Community Right to Know Act, 42 U.S.C. §§ 1101, et seq., the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. §§ 9601 et seq., the Toxic Substances Control Act, 15 U.S.C. §§2601, et seq., the Oil Pollution Control Act, 33 U.S.C. §§2701, et seq., any successor statutes to the foregoing, or any other comparable local, state or federal statute or ordinance pertaining to protection of human health, the environment or natural resources, including without limitation the preservation of wetlands, and all regulations pertaining thereto, as well as applicable judicial or administrative decrees, orders or decisions, authorizations or permits.

B. Wetlands. If there are wetlands on the Leased Premises, or if wetlands should develop on the Leased Premises during the Term, Tenant shall strictly comply with and observe all applicable Environmental Laws. At Landlord's request, Tenant shall, at Tenant's sole cost, furnish Landlord with a survey of the Leased Premises delineating any wetland areas located on the Leased Premises. Under no circumstances shall Tenant change the physical characteristics of any wetland areas located on the Leased Premises, or any other adjoining land or place any fill material on any portion of the Leased Premises, or any adjoining land, without in each instance obtaining Landlord's prior written consent (which may be granted or withheld in Landlord's sole discretion), and only then in compliance with applicable Environmental Laws.

C. Notice of Violation/Release. Tenant shall provide Landlord with prompt written notice upon Tenant's obtaining knowledge of the existence of any Hazardous Materials on, in or under the Leased Premises in violation of Environmental Laws, or of any potential or known release or threat of release of any Hazardous Materials affecting the Leased Premises.

D. Survival. This Section shall survive the expiration or other termination or expiration of the Lease.

16. **INSURANCE**. Tenant shall comply with the insurance provisions contained in Exhibit D attached hereto and made a part hereof.

17. **ZONING**. Tenant hereby acknowledges that Landlord has made no representations that the Leased Premises may be used or is properly zoned for the Permitted Use, and Tenant further agrees that it will (at its sole cost and expense) obtain all necessary permits and other approvals prior to undertaking the Permitted Use. Tenant assumes all obligations and responsibilities for compliance with all Legal Requirements including, without limitation, all applicable zoning laws and ordinances, building codes and governmental regulations. This Lease is not preconditioned on Tenant obtaining any zoning or use permits or approval. This Lease does not constitute the authority to seek a zoning change to permit the Permitted Use, and in no event shall Tenant seek or apply for any such zoning change to the Leased Premises without Landlord's prior written consent, which consent may be given or withheld in Landlord's sole and absolute discretion.

18. **NO SIGNS**. Tenant shall not place or permit to be placed by any person or entity (other than Landlord) on the Leased Premises any signs or billboards (including, without limitation, any advertising signs or billboards) without the prior written approval of Landlord, which approval Landlord may give or withhold in Landlord's sole and absolute discretion. Tenant may place signs on the Specified Area without the consent of Landlord relating solely to safety and directional matters involving the Permitted Use. Tenant agrees to place a sign in a visible area within the Specified Area that contains an acknowledgment of Landlord's assistance and cooperation with the Tenant with respect to the Permitted Use, all in a manner and form reasonably acceptable to Landlord.

19. **DAMAGE TO LANDLORD'S FACILITIES**. Tenant agrees that in the event any work done by or on behalf of the Tenant on the Leased Premises causes damage to Landlord's Facilities, Tenant will promptly reimburse Landlord for any and all expense incurred for the repairing or replacement of such damage, within thirty (30) days, after presentation to Tenant of Landlord's statement therefor.

20. DEFAULT.

A. The occurrence of any of the following shall be considered a “**Default**”:

(i) Tenant shall at any time fail to make any payment of Rent (or any portion thereof) or any other payments required of Tenant hereunder when required, and such failure continues for a period of more than ten (10) days (without necessity of any notice or demand therefor); or

(ii) Tenant shall breach or violate any of its duties or obligations set forth in Section 7 (Surrender of Leased Premises; Restoration), Section 8 (Compliance with Laws), Section 16 (Insurance), Section 22 (Covenants Against Liens), Section 23 (Assignment and Subletting) or Section 30 (Subordination; Estoppel) of this Lease; or

(iii) Tenant shall at any time be in default of any other covenants and conditions of this Lease to be kept, observed and performed by Tenant, which and such default continues for more than thirty (30) days (or such shorter time period as may specifically be set forth in this Lease) after notice from Landlord; or

(iv) this Lease or Tenant’s interest therein, or any interest in Tenant, shall be assigned, transferred, mortgaged or pledged, levied on or attempted to be taken by execution, attachment or other process of law, or if any execution or attachment shall be issued against Tenant, or any of Tenant’s property in the Leased Premises shall be taken or occupied or attempted to be taken or occupied by someone other than Tenant; or

(v) a receiver, assignee or trustee shall be appointed for Tenant or Tenant’s property or if the Tenant shall file bankruptcy, or if involuntary bankruptcy proceedings shall be filed against Tenant; or

(vi) Landlord shall receive notice of any alleged violation of any Legal Requirements resulting from or in any way connected with Tenant’s use of the Leased Premises and such violation is not cured (and all liabilities connected therewith fully satisfied) by Tenant prior to the earlier of (a) the last day of the period permitted by law for curing such violation or (b) the first date Landlord becomes subject to any fine, penalty, lien, judgment, order or other liability due to the continued existence of such violation; or

(vii) Tenant shall abandon the Leased Premises or vacate same during the Term hereof.

B. If a Default occurs, Landlord may do any or all of the following (all of which remedies shall be cumulative and not exclusive, and all of which remedies shall be in addition to, and not in lieu of, any other rights and remedies to which Landlord may be entitled under this Lease, at law or in equity):

(i) At its option, at once, without notice to Tenant or to any other person, terminate this Lease and at its option, require payment in full of the Rent due for the unexpired term of the Lease;

(ii) Enter into the Leased Premises, and remove Tenant’s property and effects therefrom, and/or take and hold possession thereof, without such entry and/or possession terminating this Lease or releasing Tenant in whole or in part from Tenant’s obligations to pay Rent and perform all its other obligations hereunder for the full Term, and to relet the Leased Premises or any part or parts thereof, either in the name of for the account of Landlord or Tenant, for such Rent and for such term and terms as Landlord may see fit, which term may at Landlord’s option extend beyond the balance of the Term of this Lease. Except to the extent required under applicable Legal

Requirements, Landlord shall not be required to accept any tenant offered by Tenant or to observe any instructions given by the Tenant about such reletting. In any case, Landlord may make such repairs, alterations and additions in or to the Leased Premises as it sees fit. Tenant shall pay Landlord any deficiency between the Rent hereby reserved and covenanted to be paid and the net amount of the rents collected on such reletting, for the balance of the Term of this Lease, as well as any expenses incurred by Landlord in such reletting, including, but not limited to attorney's fees, broker fees, the expenses of repairing, altering the Leased Premises, and otherwise preparing the same for re-rental. All such costs, other than the rental, shall be paid by Tenant upon demand by Landlord. Any deficiency in rental amounts shall be paid in monthly installments, upon statements rendered by Landlord to Tenant, unless Landlord has declared the entire Rent for the balance of the Term due, as elsewhere in this Lease provided. Any suit brought to collect the amount of the deficiency for any one or more months' Rent shall not preclude any subsequent suit or suits to collect the deficiency for any subsequent month's Rent;

(iii) Require that upon any termination of this Lease, whether by lapse of time, the exercise of any option by Landlord to terminate the same, or in any other manner whatsoever, or upon any termination of Tenant's right to possession without termination of this Lease, the Tenant shall at once surrender possession of the Leased Premises to the Landlord and immediately vacate the same and remove all effects therefrom, except such as may not be removed under other provisions of this Lease. If Tenant fails to do so, Landlord may forthwith re-enter the Leased Premises, with or without process of law, and repossess itself thereof as in its former estate and expel and remove Tenant and any other persons and property therefrom, using such force as may be necessary without being deemed guilty of trespass, eviction or forcible entry, without thereby waiving Landlord's rights to Rent or any other rights given Landlord under this Lease or at law or in equity;

(iv) Remove, at its option if the Tenant shall not remove all effects from the Leased Premises in this Lease as provided, any or all of such effects in any manner that Landlord shall choose and store the same without liability for loss thereof, and Tenant will pay Landlord, upon demand, any and all expenses incurred in such removal and also storage of said effects for any length of time during which the same shall be in Landlord's possession or in storage, or Landlord may at its option, without notice, sell any or all of said effects in such manner and for such price as the Landlord may deem best and apply the proceeds of such sale upon any amounts due under this Lease from the Tenant to Landlord, including the expenses of removal and sale;

(v) Collect from Tenant any other loss or damage Landlord may sustain by reason of any breach (including, without limitation, the unamortized portion of any brokerage fee or commission paid by or on behalf of Landlord to any broker or finder with respect to this Lease) and any diminished value of the Leased Premises resulting from said breach;

(vi) Enjoin any such breach of this Lease by Tenant; and/or

(vii) Take any and all corrective actions Landlord deems necessary or appropriate to cure the default of Tenant in question and charge the cost thereof to Tenant, together with (i) interest at the Default Rate, and (ii) an administrative charge in an amount equal to ten percent (10%) of the cost of the corrective action to defray part of the administrative expense incurred Landlord in administering such cure, such payment to be made by Tenant upon Landlord's presentment and demand therefor.

C. Except as specifically provided in this Section Tenant expressly waives the service of any notice of intention to terminate this Lease or to terminate Tenant's right of possession of the Leased Premises or to re-enter the Leased Premises and waives the service of any demand for payment of Rent or

for possession and waives the service of any and every other notice or demand prescribed by any statute, law or ordinance and agrees that the simple breach of any of the covenants of this Lease (beyond any applicable notice and cure periods) shall, of itself, without the service of any additional notice or demand whatsoever, at Landlord's option, constitute a default on the part of Tenant. No receipt of monies by the Landlord from or for the account of Tenant or from anyone in possession or occupancy of the Leased Premises after termination in any way of this Lease or after the giving of any notice, shall reinstate, constitute or extend the Term of this Lease or affect any notice given to the Tenant prior to the receipt of such money, it being agreed that after the service of notice of the commencement of a suit, or after final judgment for possession of the Leased Premises, Landlord may receive and collect any Rent or other amounts due Landlord and such payment not waive or affect said notice, said suit, or said judgment.

D. Any and all rights and remedies which Landlord may have under this Lease at law or in equity, shall be cumulative and shall not be deemed inconsistent with each other, and any two or more or all of said rights and remedies may be exercised at the same time or at different times and from time to time.

E. If Landlord is required to incur expense, legal, incidental, or consequential, because of the breach of this Lease by Tenant, the Tenant shall promptly reimburse Landlord for such expense upon being given a written itemization and explanation thereof. In the event of commencing a court action as a result of any breach, it is agreed that such expenses are to be considered a part of the damages claimed in said action and any expense incurred in prosecuting that action shall be included. It is agreed that the term "expenses" as used herein shall include, but not be limited to, attorney's fees, court costs, district justice costs, and any and all other costs and expenses reasonably related to such breach.

F. The failure of Landlord to enforce rights under this Lease on one or numerous occasions shall not affect the Landlord's ability to enforce that right on any subsequent occasion or occasions.

G. Upon the occurrence of a Default or any breach or default under this Lease by Tenant, Tenant shall be liable for and shall reimburse Landlord upon demand for all reasonable attorney's fees and costs incurred by Landlord in enforcing Tenant's obligations under this Lease, whether or not Landlord files legal proceedings in connection therewith.

H. In the event that a Default shall occur and Landlord elects to terminate this Lease, or upon expiration of this Lease, Tenant shall not be relieved of its duties or obligations under this Lease so long as Tenant or any of Tenant's property remains on the Leased Premises. Additionally, any rights and obligations created under or by this Section shall survive termination or expiration of this Lease.

I. In the event of a threatened breach by Tenant of any of the covenants or provisions of this Lease, Landlord shall (without limiting any of Landlord's other rights or remedies hereunder, at law or in equity) have the right to enjoin any such threatened breach.

21. LIMITATION ON LIABILITY. It is expressly understood and agreed by Tenant that none of Landlord's covenants, undertakings or agreements continued in this Lease are made or intended as personal covenants, undertakings or agreements by Landlord or any entity which is affiliated with Landlord its parent or subsidiaries. Tenant specifically agrees to look solely to Landlord's interest in the Leased Premises for the recovery of any sums, damages, awards or judgments from Landlord. It is agreed that neither Landlord, nor any entity which is affiliated with Landlord (nor any of their respective parents or subsidiaries, nor any of their respective shareholders, venturers, officers, directors or employees) shall be personally liable for any such sums, damages, awards or judgments. This Section will survive termination or expiration of the Lease.

22. COVENANTS AGAINST LIENS. Tenant hereby covenants and agrees that it will not cause or permit any lien (including, without limitation, any mechanic's lien) or claim for lien to be asserted against the Leased Premises or any interest therein, whether such lien or claim for lien results from or arises out of any act or omission of Tenant or any member of the Tenant Group or otherwise. In the event any such lien or claim for lien is filed, Tenant will immediately pay and release the same. In the event such lien or claim of lien is not released and removed within five (5) days after notice from Landlord, Landlord, at its sole option and in addition to any of its other rights and remedies, may take any and all action necessary to release and remove such lien or claim of lien (it being agreed by Tenant that Landlord shall have no duty to investigate the validity thereof), and Tenant shall promptly upon notice thereof reimburse Landlord for all sums, costs and expenses, including court costs and reasonable attorneys' fees and expenses, incurred by Landlord in connection with such lien or claim of lien. Tenant hereby agrees to indemnify, defend and hold harmless Landlord from and against any and all liens or claims for lien arising out of or in any way connected with Tenant's use and occupancy of the Leased Premises. Any rights and obligations created under or by this Section shall survive termination or expiration of this Lease.

23. ASSIGNMENT AND SUBLETTING. Tenant shall not, directly or indirectly, assign, mortgage, pledge, encumber, or otherwise transfer this Lease (or any interest of Tenant herein), whether by operation of law or otherwise, and shall not sublet (or underlet), or permit, or suffer the Leased Premises or any part thereof to be used or occupied by others, without Landlord's prior written consent in each instance, which consent may be granted or denied by Landlord in its sole and absolute discretion. Any assignment, sublease, mortgage, pledge, encumbrance or transfer by Tenant in contravention of the provisions of this Section shall be void. For purposes of this Lease any transfer, directly, indirectly or by operation of law, of a "controlling" interest in Tenant shall constitute an assignment of this Lease, and shall be subject to the terms and provisions of this Section. For purposes hereof, a "controlling" interest in Tenant shall mean: (a) the ownership, directly or indirectly, of a majority of the outstanding voting stock or interests of Tenant, or (b) the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of Tenant, whether through the ownership of voting securities or other ownership interests, by statute, or by contract.

24. TERMINATION. Prior to the end of the Term, this Lease may be terminated at any time by either of the parties hereto by giving ninety (90) days prior written notice to the other party of such termination. This Lease may also be terminated by Landlord, if Landlord is required to do so by a regulatory body, by a court of competent jurisdiction or Legal Requirements. In the event this Lease is terminated for any reason, any Rent paid in advance shall be prorated to the effective date of such termination and the unearned portion thereof refunded to Tenant.

25. LANDLORD'S RIGHTS. The rights of the Landlord to utilize the Leased Premises in its utility business, at all times, will be and remain paramount to the rights herein granted to Tenant by Landlord and nothing stated herein is to be construed as restricting Landlord from granting rights to other parties or persons in, upon or under the Leased Premises. Without limiting the generality of the foregoing, the parties specifically refer to rights relating to sewers, water pipes and mains, drainage tiles and pipes, gas main and pipelines and other associated uses. In addition, Landlord shall have the right to enter upon the Leased Premises at any time and from time to time during the Term to (a) show the same to prospective tenants, mortgagees and/or purchasers, and to place "For Rent" and/or "For Sale" signs thereon and (b) to conduct any and all vegetation management in, on, or about the Leased Premises in accordance with Landlord's then current vegetation management practices and procedures.

26. RIGHT OF ENTRY.

A. Tenant agrees that Landlord and Landlord's agents, representatives, employees, contractors, licensees, invitees, tenants, successors and assigns (collectively, "**Landlord Parties**"),

shall have the right to enter the Leased Premises at any time Landlord deems necessary, to alter, modify, augment, supplement, improve, upgrade, use, operate, repair, replace, install, construct, maintain or protect Landlord's Facilities and to conduct vegetation management activities, including the right to cut down, trim and remove any trees, brush or other vegetation that interferes with or potentially interferes with Landlord's Facilities on the Leased Premises as Landlord deems necessary in its sole discretion. Tenant shall not plant any trees or other vegetation on the Leased Premises without the prior written consent of Landlord which it may withhold in its sole discretion. Landlord has the right to require Tenant to remove and relocate any paving, improvements or property owned or used by Tenant at the Leased Premises, in connection with the use, operation, maintenance, repair, installation and/or removal of Landlord's Facilities by any Landlord Party, and/or or in connection with any other use (present or future) of the Leased Premises by the Landlord Parties, all of which removal and relocation shall be at Tenant's sole cost and expense. In the event that Tenant fails to remove and/or relocate any such paving, improvements or property upon notice from Landlord, then Landlord shall have the right (but not the obligation) to remove such paving, improvements or property on Tenant's behalf, and at Tenant's cost, and Tenant shall promptly reimburse Landlord for any costs and expenses paid or incurred by Landlord in connection therewith. Tenant agrees that it will cooperate with Landlord in connection with any entry on, and work at, the Leased Premises by the Landlord Parties, and shall coordinate Tenant's use of the Leased Premises with any use of the Leased Premises by any of the Landlord Parties, including but not limited to vegetation management. Landlord shall not in any event be liable for inconvenience, disruption, disturbance, loss of business or other damage to Tenant by reason of any entry on, or work at, the Leased Premises by any Landlord Party, or on account of bringing materials, supplies, and equipment into or through the Leased Premises. Tenant understands that the business of the Landlord involves, among other things, the construction, installation, maintenance, operation, and use of Landlord's Facilities now or which may hereafter be erected or installed upon, along, on, over, across or under the Leased Premises, or property adjacent thereto, which are used or useful in connection with the generation, conversion, transmission or distribution of electricity and gas and communications services. Tenant covenants and agrees (as a specific condition of this Lease) that Tenant and each member of the Tenant Group will not, under any circumstances whatsoever, touch, handle, tamper with or contact, directly or indirectly, any of the Landlord's Facilities, nor damage, destroy, interfere with, obstruct or otherwise adversely affect, Landlord's Facilities.

B. Landlord and its representatives may enter the Leased Premises at all reasonable times for the purpose of inspecting the Leased Premises, or to show the Leased Premises to prospective purchasers, investors, encumbrancers, or tenants. In the case of an emergency, Landlord or its agents may enter the Leased Premises without prior notice, and may enter forcibly, without liability to Tenant, and without affecting this Lease. During the final twelve (12) months of the Term, Landlord may place customary "For Sale" or "For Lease" signs on the Leased Premises

27. LANDLORD'S RIGHT TO TRANSFER. This Lease shall not in any manner or to any extent limit or restrict the right of Landlord to use or dispose of the Leased Premises as Landlord may in its discretion desire, subject to rights of Tenant hereunder. Landlord shall have the right, without notice to or consent from Tenant, to assign this Lease to any person or entity that succeeds (directly, indirectly or by operation of law) to any of Landlord's right, title or interest in or to the Leased Premises.

28. TENANT'S PROPERTY. It is expressly understood and agreed that all equipment and other personal property that Tenant may install upon the Leased Premises during the Term shall remain the property of Tenant and shall be removed by Tenant (as set forth in Section 7 hereof), at its sole cost and expense, at the expiration of the term of this Lease or at any time prior thereto.

29. HOLDING OVER. Tenant shall have no right to remain in possession of all or any part of the Leased Premises after the expiration of the Term. In the event that Tenant remains in possession of all or any part of the Leased Premises after the expiration or earlier termination of the Term, at Landlord's option (exercised by giving Tenant written notice): (a) such tenancy shall be deemed to be either (at Landlord's sole option) a periodic tenancy from month-to-month only, or a tenancy at sufferance terminable at will by Landlord; (b) such tenancy shall not, unless Landlord otherwise elects (as set forth above), constitute a renewal or extension of this Lease for any further Term; and (c) such tenancy may be terminated by Landlord upon the earlier of thirty (30) days' prior written notice or the earliest date permitted by law. In the event Tenant remains in possession after the expiration or earlier termination of the Term, then: (i) Landlord shall have the right to charge Tenant a monthly Base Rent equal to Landlord's estimate (as determined by Landlord in its sole discretion) of two hundred percent (200%) of the fair market monthly rental value of the Leased Premises, and any other sums due under this Lease shall be payable in the amount and at the times specified in this Lease, and (ii) Tenant agrees to the extent permitted by law to indemnify, defend (with counsel acceptable to Landlord, which acceptance shall not be unreasonably withheld) and hold the Indemnified Parties harmless from and against any and all Losses and Claims sustained, incurred and/or brought against any of the Indemnified Parties by reason of such retention of possession of the Leased Premises (which may include, without limitation, any Claims made by any actual or prospective subsequent lessee or other user or occupant of the Leased Premises or any portion thereof). Any such month-to-month tenancy or tenancy at sufferance shall be subject to every other term, condition, and covenant contained in this Lease.

30. SUBORDINATION; ESTOPPEL.

A. This Lease and the rights of Tenant hereunder shall be and are hereby made expressly subject and subordinate at all times to the lien of any mortgage now or hereafter existing against all or any portion of the Leased Premises. Tenant acknowledges that its title is and always shall be subordinate to the title of the owner of the Leased Premises and nothing herein contained shall empower Tenant to do any act which can, shall or may encumber the title of the owner of the Leased Premises. In confirmation of such subordination, Tenant shall promptly execute and deliver any instrument that Landlord or any mortgagee of Landlord may request to evidence such subordination no later than ten (10) business days after Landlord's request therefor. If any mortgagee of Landlord (or its successors or assigns), or any other person or entity, shall succeed to the rights of Landlord under this Lease, whether through possession or foreclosure action or delivery of a new lease or deed, then at the request of such party so succeeding to Landlord's rights ("**Successor Landlord**") and upon Successor Landlord's written agreement to accept Tenant's attornment, Tenant shall attorn to and recognize Successor Landlord as Tenant's Landlord under this Lease, and shall promptly execute and deliver any instrument that Successor Landlord may reasonably request to evidence such attornment. Upon such attornment this Lease shall continue in full force and effect as, or as if it were, a direct lease between Successor Landlord and Tenant upon all of the terms, conditions and covenants as are set forth in this Lease and shall be applicable after such attornment.

B. Tenant agrees, at any time and from time to time, as requested by Landlord, upon not less than ten (10) days' prior notice, to execute and deliver to Landlord a written statement executed and acknowledged by Tenant, (a) stating that this Lease is then in full force and effect and has not been modified (or if modified, setting forth all modifications), (b) setting forth the Base Rent, (c) setting forth the date to which the Rent has been paid, (d) stating whether or not, to the best knowledge of the Tenant, Landlord is in default under this Lease, and if so, setting forth the specific nature of all such default, (e) stating whether there are any subleases affecting the Leased Premises, (f) stating the address of Tenant to which all notices and communication under the Lease shall be sent, and the Commencement Date, and (g) containing any other matters reasonably requested by Landlord. Tenant acknowledges that any statement delivered

pursuant to this paragraph may be relied upon by others with whom Landlord may be dealing, including any purchaser or owner of the Leased Premises, or of Landlord's interest in the Leased Premises or any lender or mortgagee of Landlord. If Tenant fails to execute and return such written statement to Landlord within such ten (10) day period, such failure shall constitute Tenant's agreement as to the accuracy of the information contained in the written statement submitted to Tenant by Landlord.

31. MISCELLANEOUS.

A. Illinois Commerce Commission Approval. Landlord and Tenant acknowledge that Landlord is a public utility regulated by the Illinois Commerce Commission ("**Commission**") and other governmental authorities, and this Lease and the obligations of the parties hereto are subject to all Legal Requirements applicable to Landlord as a public utility. Although it is not expected that the Commission's or other governmental authorities' approval will be required for this Lease, the rights and obligations of the parties hereunder are conditioned upon the Commission's and any other applicable governmental authorities' approval of this Lease, under any circumstances in which such approval is required. It is further agreed and understood that this Lease may be terminated by Landlord immediately at any time in the event that Landlord is required to do so by the Commission or some other governmental authority.

C. Prohibition on Recording. To the maximum extent permitted under Legal Requirements, Tenant agrees not to record this Lease. This Section will survive the termination or expiration of this Lease.

D. Waiver of Jury Trial. Landlord and Tenant, by this Section, waive trial by jury in any action, proceeding, or counterclaim brought by either of the parties to this Lease against the other on any matters whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant, Tenant's use or occupancy of the Leased Premises, or any other claims, and any emergency statutory or any other statutory remedy.

E. Captions. The section headings appearing in this Lease are for convenience of reference only and are not intended, to any extent and for any purpose, to limit or define the text of any section or any subsection hereof.

F. Binding Effect. The covenants, conditions, and agreements contained in this Lease will bind and inure to the benefit of Landlord and Tenant and their respective heirs, distributees, executors, administrators, successors and permitted assigns. In the event that Tenant is comprised of more than one individual or entity, the obligations of such individuals or entities under this Lease shall be joint and several.

G. Entire Agreement.
