Agenda Item # 9.4

RECOMMENDATION: Recommend Approval of a Resolution Awarding a Contract for the Flat Roof Replacement at the Ryerson Woods Welcome Center to Sterling Commercial Roofing, Inc. in an amount not to exceed \$30,190.00.

STRATEGIC DIRECTION SUPPORTED: Organizational Sustainability

FINANCIAL DATA: This expenditure is included in the adopted FY2024 budget in the Capital Improvement Program (CIP) as part of the Facility and Infrastructure Improvements project (Project #60022). The current budget for the entire CIP line item project is \$1,917,872. The actual cost of \$30,190.00 will be charged to account 20104100-803200-60022.

BACKGROUND: The Ryerson Woods Welcome Center was originally constructed in 2006. Staff recommends that work occur to remove and replace the roof membrane and insulation for the flat roof portion of the building due to water infiltration in that area. Staff will serve as the construction manager for the project and recommends that the Board award a contract to an outside vendor to complete the improvements. The cost of the roof repairs was estimated to be under \$30,000, so the work was originally advertised as a Request for Quotes (RFQ). However, all of the quotes exceeded \$30,000. Therefore, before awarding a contract for the work, the District is required to solicit competitive sealed bids. Bids for this work were solicited and were received and opened on December 19, 2023, and are in the following amounts from the following bidders:

	<u>PRICE</u>
Sterling Commercial Roofing, Inc.	\$30,190.00
JF Chiatello Construction	\$30,500.00
Waukegan Roofing Co., Inc.	\$30,700.00
L. Marshall, Inc.	\$35,790.00
G.E. Riddiford Company, Inc.	\$59,900.00
Tori Construction, LLC	\$71,605.00

Staff is recommending award to Sterling Commercial Roofing, Inc. as the lowest responsible bidder.
