Agenda Item # 10.2

RECOMMENDATION: Recommend approval of a Resolution approving a Two-Year CompleteLink Discount Pricing Schedule for Telephone Services with AT&T Corp.

STRATEGIC DIRECTION SUPPORTED: Organizational Sustainability

FINANCIAL DATA: The proposed Pricing Schedule defines the rates and discount that AT&T Corp. provides the District for telephone services during the two-year period of the schedule, pursuant to the District's Master Agreement with AT&T Corp. This Pricing Schedule allows the District to maintain the current per line rate for all telephone services.

BACKGROUND: District staff has completed negotiations with AT&T Corp. for a CompleteLink Discount Pricing Schedule that will be part of the District's existing 2009 Master Agreement with AT&T. The CompleteLink Agreement is based on the District continuing to purchase telephone services from AT&T Corp. for this two-year period.

Under the Pricing Schedule, the District will receive a 3% discount on phone line service and local and toll telephone call service. The ASE fiber services that the District purchases from AT&T contribute to the total required purchase for discount eligibility but are discounted through separate agreements.

The Pricing Schedules under the Master Agreement have historically had two-year terms. Staff recommends that the Board authorize the Executive Director to negotiate and approve future pricing schedules.
